The Life and Crimes of Railroad Bill Larry L. Massey,2015-09-11 For over a year Railroad Bill eluded sheriffs private detectives hired by the L N line and bounty hunters who traveled across the country to match guns with the legendary desperado The African American outlaw was wanted on multiple charges of robbery and murder and rumor had it that he stole from the rich to give to the poor He terrorized busy train lines from east of Mobile to the Florida Panhandle but as soon as the lawmen got close he disappeared into the bayous and pine forests until one day his luck ran out and he was gunned down inside a general store in Atmore Alabama Little is known about Railroad Bill before his infamy not his real name or his origins His first recorded crime carrying a repeating rifle without a license led him into a gunfight with a deputy and made him a wanted man throughout Florida in 1894 His most celebrated escape a five day foot chase with scores of men and several bloodhounds led to tales of Railroad s supernatural ability to transmogrify into an animal or inanimate object at will As his crimes progressed from robbing boxcars to wounding trainmen to murdering sheriffs more and more reward money was offered for his capture dead or alive Today Railroad Bill is the subject of many folk songs popularized by singers such as Paul McCartney Taj Mahal Gillian Welch and Ramblin Jack Elliot But who was he Where did he come from What events led to his murderous spree And why did some view him as a hero In Railroad Bill Larry Massey separates fact from myth and teases out elusive truths from tall tales to ultimately reveal the man behind the bandit s mask

past Fabian also deftly traces the continuing implications of this history from lingering traces of scientific racism to debates over the return of the remains of Native Americans that are held by museums to this day Full of anecdotes oddities and insights The Skull Collectors takes readers on a darkly fascinating trip down a little visited but surprisingly important byway of American history **Julia Pastrana** Christopher Hals Gylseth,Lars O Toverud,2021-10-18 In a dusty corner at the Institute of Forensic Medicine in Norway lie the remains of Julia Pastrana half hidden in a black plastic sack all but forgotten Yet in the middle of the nineteenth century this ape woman was renowned visited by scientists of international repute and drawing the populace of three continents to the freakshows in which she starred Just 4ft 6in tall she was covered in hair with a protruding jaw but she also spoke several languages married had a child made money This is the compelling and strange story of how a woman born in the backwoods of Mexico came to be one of the most infamous women in Europe and America and how nearly 150 years after she first set foot upon the stage Julia is still being shown to others The exhibition goes on
