ludicrous and in some cases as insolence Elsie knows that she must obey the Word of God before that of her father and can only obey her father when his orders do not conflict with Scripture For example Elsie s father attempts to force her to perform an act which she considers sinful such as playing secular music or reading fiction a book which was only fit for week day reading because it had nothing at all in it about God on Sunday Their conflict culminates with her having a complete nervous breakdown as she thinks that her Father does not really love her She begs and pleads with him to read the Bible with her to become a Christian But his heart is hardened The whole reason that he was in Europe and not there to raise her is due to the loss of Elise s Mother who died in child birth After her death Horaces own father convinced him that he had been a fool and Horace came to feel ashamed of his attachment to Elise s Mother and escaped to Europe The entire plot of the second book Elsie s Holidays at Roselands revolves around his refusing to speak to her or allow anyone else to for several months because she is more obedient to God than to her father In this book their war of wills which is what he considers is happening culminates in Elise coming very near to death to the point that they shave her head hoping to abate her brain fever When Horace thinks that she has died he finds her Bible which she has left to him the Bible which he knows had belonged to Elise s Mom
