Elusive Development From Dependence To Self Reliance In The Arab Region:

Elusive Development Yusif A. Sayigh, 2002-03-11 The oil boom prompted a massive inflow of capital into the Arab region But whilst the investment this facilitated clearly had benefits for the region the developmental achievements of the boom decade are demonstrably unable to match the magnitude of the resources directed to development and the reasonable expectations invested in it Professor Yusif Sayigh draws a powerful and painful lesson from this experience applicable to other areas you cannot buy development it must be soundly oriented and sought with resolve by society's leaderships and a people enjoying a large measure of freedom and political participation

Palestine and the Palestinians in the 21st Century Rochelle Davis, Mimi Kirk, 2013-10-07 Specialists on Palestinian politics history economics and society examine the continuities that bind the twentieth and twenty first centuries Recent developments in Palestinian political economic and social life have resulted in greater insecurity and diminishing confidence in Israel's willingness to abide by political agreements or the Palestinian leadership's ability to forge consensus This volume examines the legacies of the past century conditions of life in the present and the possibilities and constraints on prospects for peace and self determination in the future These historically grounded essays by leading scholars engage the issues that continue to shape Palestinian society such as economic development access to resources religious transformation and political movements The multidisciplinary essays in this volume portray a nation contemplating the possibility of stalemate hemmed in and searching for outlets to express its self determination Davis and Kirk divide the book thematically into three sections focusing broadly on colonialism and its effects politics and law in the Palestinian territories and the future of the Palestinian state and its place in the international system Publishers Weekly

Yusif Sayigh Rosemary Sayigh, 2015-03-01 An acclaimed economist and lifelong Palestinian nationalist Yusif Sayigh 1916-2004 came of age at a time of immense political change in the Middle East Born in al Bassa near Acre in northern Palestine he was witness to the events that led to the loss of Palestine and his memoir therefore constitutes a vivid social history of the region as well as a revealing firsthand account of the Palestinian national movement almost from its earliest inception Family and everyday life co-villagers landscapes pleasures outings schooling and political figures recreate the vanished world of Sayigh's formative years in the Levant An activist in Palestine he was taken prisoner of war by the Israelis in 1948 Later as an economist he wrote extensively on Arab oil economic development and manpower teaching for many years at the American University of Beirut and taking early retirement in 1974 to work as a consultant for a number of pan Arab and international organizations A single chapter on Palestinian politics provides insights into his later activist work and experiences of working as a consultant with the Palestine Liberation Organization to produce an economic plan for an eventual Palestinian state This fascinating memoir by a pioneer and major figure of the Palestinian national movement is a welcome addition to the growing literature on Palestinian life during the first half of the twentieth century as well as an account of some of the most pressing political and economic issues to have faced the Arab world for the

better part of the twentieth century *Comparative Education* Robert F. Arnove, Carlos Alberto Torres, 2003 Bringing together some of the leading names in comparative and international education this second edition provides new perspectives on the dynamic interplay of global national and local forces as they shape education systems in specific contexts

Population and Development of the Arab Gulf States Nadeya Sayed Ali Mohammed, 2017-03-02 This thought provoking study measures and critically examines the effects that an average population growth rate of 2.8% could have on the development of the Arab Gulf States It questions the ability of Gulf governments to continue providing relatively high standards of education health and employment under conditions of rapid population growth an undiversified economic base and a tribal political framework Within this context population growth is identified as one important variable that hinders long term development The book will appeal to all those interested in the Middle East demography development and sociology **Climate Change, Human Security and Violent Conflict** Jürgen Scheffran, Michael Brzoska, Hans Günter Brauch, Peter Michael Link, Janpeter Schilling, 2012-05-26 Severe droughts damaging floods and mass migration Climate

change is becoming a focal point for security and conflict research and a challenge for the world's governance structures But how severe are the security risks and conflict potentials of climate change Could global warming trigger a sequence of events leading to economic decline social unrest and political instability What are the causal relationships between resource scarcity and violent conflict This book brings together international experts to explore these questions using in depth case studies from around the world Furthermore the authors discuss strategies institutions and cooperative approaches to stabilize the climate society interaction *Middle East Dilemma* Michael C. Hudson, 1999 From the unification of North and South

Yemen to the struggle for Maghreb unity and the experiences of the six member Gulf Cooperation Council this book presents a complex portrait of the history and prospects for Arab integration **Affluence and Poverty in the Middle East** M. Riad El-Ghonemy, 2002-09-11 Affluence and Poverty in the Middle East is an introduction to the political economy of the Middle East focusing on its most salient features persistent poverty and extreme inequality El Ghonemy analyses the factors influencing the region including its unique historical religious and cultural mix as well as its economic foundations and forms of corruption For each factor he employs case studies drawn from throughout the region from Turkey to Sudan and Morocco to Iran In the final section El Ghonemy discusses possible solutions to the challenges facing the region including possible uses of a peace dividend and the role of democracy **Politics Without Process** Jamil E. Jreisat, 1997 A critique of the

institutional systems and practices that define and in many cases limit the administrative state in the Arab world this study centres on the factors contributing to the failure of development efforts This book looks at the way context and culture affect state capacity *Arab Political Thought* Georges Corm, 2020 Explores the many facets of Arab political thought from the

nineteenth century to the present day **Globalization** Ashish Vaidya, 2005-12-19 This work is a comprehensive collection of cutting edge scholarship on the economic international business political legal and environmental ramifications of

globalization one of the hottest topics of the day International trade is as old as nations During the last five decades however advances in technology and transportation have changed the scope and method of international trade Disputes rage about the effects of these changes advocates for different positions offer argument but little factual or theoretical analysis Globalization offers all the information readers need to sort out the arguments Written with the highest degree of scholarship intended for college students or working professionals the encyclopedia provides both introductory material to broad economic legal political and environmental theory and in depth analysis of how theory interacts with practice in the framework of global trade A trader in New York can in a matter of seconds execute a billion dollar currency transaction in Hong Kong What does this transaction mean to New Yorkers to residents of Hong Kong and to the rest of the world This book gives readers the tools to answer those questions *The Economy of Iraq* Abbas Alnasrawi,1994-03-23 The economy of Iraq has fluctuated wildly since the 1950s It has been affected by changes in governments by wars and by general instability This book analyzes a complex subject and is especially timely at this critical juncture in the history of Iraq the Middle East and international relations Abbas Alnasrawi traces the growth of the Iraqi economy since 1950 assesses its present state of crisis and underdevelopment and explores its prospects for recovery Alnasrawi contends that the economic development of Iraq was shaped by the rise in oil revenue the war between Iran and Iraq and the invasion of Kuwait and its aftermath The discussion begins with the burst of Iraq's oil industry and the development policies under the monarchy Subsequent chapters highlight development planning during the first ten years of the republic the development plans of the ruling Baath party the destructive consequences of the Iran Iraq war and the recent invasion of Kuwait and the future of the Iraqi economy to the year 2010 This in depth examination puts this subject into a manageable context for students of the Middle East multinational oil Third World development and international relations **Land, Food And Rural Development In North Africa** M. Riad El-Ghony,2019-04-03 This study of rural development in six North African nations addresses the issues surrounding poverty and landlessness Providing an Islamic perspective on policy making the author describes the influence of Islam on development in these countries and stresses the Islamic religious and moral revival as a major factor in policy making toward reduc Globalism and Comparative Public Administration Jamil Jreisat,2017-09-25 Globalization rapidly evolving communication and information technology and the spread of democracy across the world are reshaping public organizations and changing governance Yet graduate students and public administration academics have limited resources with which to develop a real world understanding of the conceptual evolution and the changing contextual relationships in the field Helping to fill this void Globalism and Comparative Public Administration examines comparative public administration from the 1960s to the present providing an integrated and realistic view of the comparative perspective and its rationale It explores the development and contributions of the comparative approach and explains how it is essential for developing the depth and breadth needed to transform public administration to a global field of learning and practice

Building on the success of the 2002 edition the book covers new topics and offers expanded discussions on globalism governance and global ethics From classic models to novel concepts and practices this volume provides an exhaustive view of the development of the comparative perspective and its contributions of practical administrative knowledge that are applicable beyond national boundaries
