Sorpreso, 2018-10-01 Yet behind closed doors the laughter faded and the fear came back At thirteen years of age Cassandra Romanelli's world had turned out to be everything she hated Cassie lived in a big Italian family with lots of complex relationships Dealing not only with the rules and regulations of a strict abusive father Cassie also struggled with bulimia and had to overcome the taunts and bullying from her classmates plus peer pressure and a struggle to be accepted Although pretty Cassie just saw herself as a chubby Italian girl who was in love with the one guy she couldn't have her best friend's boyfriend Following physical interference by a family member and betrayal by her best friend Cassie's self esteem plunged to an all time low The pressures she endured led her to listen to an inner voice that directed her to do a most shameful thing to her body Purge In her own mind Cassie felt that she was wise beyond her years She had seen too much experienced too

many beatings and felt too many bruises and yet Cassie had no idea what was in store for her her real misfortune was just about to begin Cassandra Behind Closed Doors for young people is a window into real life and for adults is an insight into the world of today s kids with the issues they have to face every day      **The Big Time** Michael MacCambridge,2023-10-10

Indispensable history Sally Jenkins bestselling author of The Right Call A captivating chronicle of the pivotal decade in American sports when the games invaded prime time and sports moved from the margins to the mainstream of American culture Every decade brings change but as Michael MacCambridge chronicles in THE BIG TIME no decade in American sports history featured such convulsive cultural shifts as the 1970s So many things happened during the decade the move of sports into prime time television the beginning of athletes gaining a sense of autonomy for their own careers integration becoming at least within sports more of the rule than the exception and the social revolution that brought females more decisively into sports as athletes coaches executives and spectators More than politicians musicians or actors the decade in America was defined by its most exemplary athletes The sweeping changes in the decade could be seen in the collective experience of Billie Jean King and Muhammad Ali Henry Aaron and Julius Erving Kareem Abdul Jabbar and Joe Greene Jack Nicklaus and Chris Evert among others who redefined the role of athletes and athletics in American culture The Seventies witnessed the emergence of spectator sports as an ever expanding mainstream phenomenon as well as dramatic changes in the way athletes were paid portrayed and packaged In tracing the epic narrative of how American sports was transformed in the Seventies a larger story emerges of how America itself changed and how spectator sports moved decisively on a trajectory toward what it has become today the last truly big tent in American culture      **Behind Closed Doors** Angelica

**Behind Closed Doors** Natalie Fiennes,2019-09-20 One thing we know for certain is that sex is personal perhaps the most intimate thing of all But sex is also shaped by a complicated web of cultural social and political forces outside of ourselves Fear mongering moral panic and outdated attitudes prevail but if MeToo has taught us anything it s how dangerous it is to keep conversations about sex hidden from view Behind Closed Doors invests in a radical inclusive and honest sex education taking us beyond learning about the birds and the bees to identifying inequality that stands in the way of sexual freedom From contraceptives to virginity consent to pornography transphobia to sexual abuse the book shows how our

desires are influenced by powerful political processes that can be transformed

**The Innocent Brother and the Devil Within** Albert Schriber, Some lives are shaped by love Others are misshaped by silence pain and systems that look the other way The Innocent Brother and the Devil Within is a heartfelt and honest memoir that follows the life of Robert Schriber a boy born into hardship swallowed by addiction and ultimately lost to a justice system that never truly delivered justice Told by his older brother Albert with clarity sorrow and resolve this book is not simply the story of Robert s downfall It is a story of survival trauma and the quiet damage that begins in childhood and spreads across a lifetime From the early days in a struggling Louisiana household to the horrors of abuse under a violent stepfather Robert s world was shaped by chaos When his path turned toward drugs crime and prison there was little left to pull him back But this is not a story without purpose Through Robert s journey from solitary confinement in Angola to a final tragic end in a Kansas prison cell Albert offers something more than a memoir He offers a mirror to the world s failures and a voice for those left behind With sincerity and a refusal to look away The Innocent Brother and the Devil Within is a heartbreaking reminder that behind every headline is a human life that could have turned out differently

*Celebrity in the Time of Covid* Christina S. Beck,2022-08-04 This work describes the crucial role celebrities played in the emergence of two competing narratives about Covid 19 one a pro science narrative that advocated for preventive measures and the other a skeptical counter narrative that denied the disease s existence or downplayed its severity During the first postmodern pandemic a slew of interactions took place across a variety of platforms between prominent figures and those who connected with them forming parasocial communities that framed perspectives on Covid 19 The author first describes how Covid 19 unfolded in the world of sports then goes on to explain how supportive behavior toward public officials fueled the two competing narratives emphasizing how celebrities themselves aided in the development of common perspectives The text concludes with a description of how citizens initially regarded health care professionals as heroes but even the most powerful public appeals could not persuade some that Covid 19 posed a genuine threat Exploring the polarity of publicly held beliefs this book documents how celebrity advocacy had a lasting effect on people s health choices during a global pandemic

*Beyond Bias* Scott Krzych,2021-01-20 Beyond Bias offers the first scholarly study of contemporary right wing documentary film and video Drawing from contemporary work in political theory and psychoanalytic theory the book identifies what author Scott Krzych describes as the hysterical discourse prolific in conservative documentary in particular and right wing media more generally In its hysterical mode conservative media

emphasizes form over content relies on the spectacle of debate to avoid substantive dialogue mimics the aesthetic devices of its opponents reduces complex political issues to moral dichotomies and relies on excessive displays of opinion to produce so much mediated noise as to drown out alternative perspectives or viewpoints Though often derided for its reliance on nonsense or hyperbole conservative media marshals incoherence as its prized aesthetic and rhetorical weapon a means to bolster the political status quo precisely by confusing those audiences who come into its orbit As a work of documentary studies *Beyond Bias* also places conservative non fiction films in conversation with their more conventional counterparts drawing insight from the manner by which conservative media hystericalizes such issues as the archive observational methods directorial participation and the often moral imperatives by which documentary filmmakers attempt to offer insight into their subjects

The Shameless Ace Atkins,2019-07-09 Buried secrets dirty lies and unbridled greed and ambition raise the stakes down South in the lauded crime series from New York Times bestselling author Ace Atkins Twenty years ago Brandon Taylor was thought to be just another teen boy who ended his life too soon That s what almost everyone in Tibbehah County Mississippi said after his body and hunting rifle were found in the Big Woods Now two New York based reporters show up asking Sheriff Quinn Colson questions about the Taylor case What happened to the evidence Where are the missing files Who really killed Brandon Quinn wants to help After all his wife Maggie was a close friend of Brandon Taylor But Quinn was just a kid himself in 1997 and these days he s got more on his plate than twenty year old suspicious death He s trying to shut down the criminal syndicate that s had a stranglehold on Tibbehah for years trafficking drugs stolen goods and young women through the MidSouth Truck stop madam Fannie Hathcock runs most of that action and has her eyes on taking over the whole show And then there s Senator Jimmy Vardaman who s cut out the old political establishment riding the Syndicate s money and power plus a hefty helping of racism and ignorance straight to the governor s office If he manages to get elected the Syndicate will be untouchable Tibbehah will be lawless Quinn s been fighting evil and corruption since he was a kid at home or as a U S Army Ranger in Afghanistan and Iraq This time evil may win out *He Stopped Loving Her Today* Jack Isenhour,2011 A behind the scenes look at the creation of a country music masterpiece

**My Journey Through a Changing South** Charlie Grainger,2019-11-14 Charlie Grainger has lived through eight decades of positive change in his favorite place the American South Born on an unpaved Alabama country road during the Great Depression he nearly died twice during infancy nearly drowned as a teenager then escaped death as a young man while flying on a small plane Through multiple near death experiences he says that God was always in his corner As a young man the Summer of 1955 was filled with magic He worked as a newspaperman and as a public relations professional He witnessed an angry mob that beat up black Freedom Riders at the Montgomery Bus Depot He was saved by a State Public safety director Others were not so lucky View America through the eyes of a country boy who grew up to become a successful business executive state legislator and Washington

lobbyist It will give you a greater appreciation of how far we have come as a nation      *Crazy Chick Magnet* Xavier Zevon,2016-12-12 Xavier Zevon s book *Crazy Chick Magnet* sees him getting a rough start at life as a nerdy kid with awkward tendencies and a bowl haircut to boot At the time all he wanted was the love and affection of the opposite sex However it looked like it would never happen so for a while he invested his time and money into music which became a very defining moment in his life In the process he became a bit of an expert in his music knowledge more specifically rock music Eventually though he came into his own and developed an arsenal of interesting stories with the opposite sex *Crazy Chick Magnet* blends his stories of love and love lost with a plethora of sexual encounters and it is all threaded together in a tapestry of music that spans the decades Xavier s book incorporates music as a character itself as the soundtrack changes throughout each chapter Every word is authentic His accounts will take you through a journey that you are likely not to forget It is a book that will certainly evoke some laughs some tears maybe a little disbelief and hopefully on occasion it will stimulate your fun parts So if you like books about music sex life relationships and dating you are sure to find a great read in Xavier Zevon s erotic nonfiction *Crazy Chick Magnet*      *Bootleg* Clinton Heylin,1996-06-15 Heylin s secret history of the covert culture of bootlegging digs into many previously uncovered areas of this complex and completely underground music industry An unholy mix of consumerism conspiracy fetishism and felony David Dalton that methodically punctures each and every record industry argument against bootlegging while acknowledging that bootleggers themselves are often without the purest motives Los Angeles Reader Illustrations      **Music as Creative Practice** Nicholas Cook,2018-02-01 Not long ago ideas of creativity in music revolved around composers in garrets and the idea of genius In the last decade there has been a sea change in thinking musical creativity is seen in terms of collaboration and real time performance *Music as Creative Practice* is a first attempt to synthesise both perspectives
