**Chris Abani** Annalisa Oboe,Elisa Bordin,2022-02-22 This is the first full length book on the work of global Igbo writer Chris Abani The volume dedicates a chapter to each of Abani's fiction books the two novellas Becoming Abigail 2006 and Song for Night 2007 the three novels GraceLand 2004 The Virgin of Flames 2007 and The Secret History of Las Vegas 2014

which are read against the grain of Abani's most important essays and poetical production. By combining close readings and more theoretical reflections, this volume provides a significant insight for both scholars and students interested in the literature produced by the emerging African voices in the twentieth first century in the debate about human rights and in general in how aesthetics is deeply linked with ethics.

**Dead Elvis** Greil Marcus, 1999. Listening in on public conversation that recreates Elvis after death. Marcus tracks Presley's resurrection. He grafts together snatches of film, music, books, newspapers, photos, posters, and cartoons and amazes us with what America has been saying as it raises its late king and also what this obsession with dead Elvis says about America itself.

Gospel of Elvis Bob Laughlin, 2001-03. What Elvis book would be complete without Richard Nixon. He makes an appearance in this newer testament as Caesar. The cast of characters also includes Gladys Presley as The Blessed Virgin, Frank Sinatra as King Herod, and Sid Vicious as The Man Possessed With Devils. Instead of loaves and fishes, Elvis feeds the multitude with peanut butter n' nana sandwiches. Lazarus isn't raised from the dead. Gladys is. Instead of walking on water, Elvis and Jesus go surfing. And golfing. And there's something on almost every page guaranteed to offend someone. Jerry Fallwell and Pat Robertson appear as The Pharisees. Ronald Reagan as Blind Bartimaeus. Andy Griffith as The Centurion, and J. Edgar Hoover as Aunt Bea. Does Jesus actually bless homosexuality in Matthew 19? Is Michael Jordan the Antichrist? Ever wonder what God's first name is? Then The Gospel of Elvis is for you.

Left the Building Dylan Jones takes us back to those heady days around the time of his death and the simultaneous rise of punk Evoking the hysteria and devotion of The King s numerous disciples and imitators Jones offers a uniquely insightful commentary on Elvis s life times and outrageous demise Recounting how the artist single handedly changed the course of popular music and culture he also delves deep into the cult of The King and reveals what Elvis s death meant and still means to us today I m not sure punk would have existed without Elvis In fact I m not sure a lot of things would have existed without him Dylan Jones is the right man to ponder such questions Bono A gripping tale of impossible success and terrible waste and lost beauty that veers from Memphis to Las Vegas and all the way to the broken backstreets of London Tony Parsons author of The Hanging Club

**The Rights War in Literature and Culture** Jennifer Rickel, 2025-07-31 Rights War tracks how the human rights framework is weaponized against the oppressed and it makes the case for the central place of literature in understanding this seizure of narrative control While literary humanitarianism depoliticizes suffering and positions the reader as a savior to traumatized Others Rights War shows how contemporary fiction by women of color and queer writers across the African diaspora engage innovative narrative paradigms to address structural inequities It analyzes strategies set out in this literature for disarming savior victimism which it identifies as a pernicious cultural phenomenon in which the powerful proclaim themselves saviors to and victims of those they marginalize As the disassociation of national rights from international human rights and the disconnection of civil and political rights from social and economic rights provoke a contest of victimhood this book offers a renewed argument for the indivisibility of rights and the social justice function of literature
