Emanciparea Evreilor Din Romania 1913-1919:

Foreign Aid and State Building in Interwar Romania Doina Anca Cretu, 2024-12-10 The decades following World War I were a period of political social and economic transformation for Central and Eastern Europe This book considers the role of foreign aid in Romania between 1918 and 1940 offering a new history of the interrelation between state building and nongovernmental humanitarianism and philanthropy in the interwar period Doina Anca Cretu argues that Romania was a laboratory for transnational intervention as various state builders actively pursued accessed and often instrumentalized American assistance in order to accelerate reconstructive and modernizing projects after World War I At its core this is a study of how local views ambitions and practical agendas framed trajectories of humanitarian and philanthropic endeavors in postimperial Central and Eastern Europe Conversely it is a reflection on the ways that architects and practitioners of foreign aid sought to transfer notions of democracy civilization and modernity within shifting local and national contexts in the aftermath of the war and after the collapse of European empires At the intersection of the history of interwar Europe and international philanthropy and humanitarianism this book s innovative and explicitly transnational approach provides a new framework for understanding the contours of European nationalism in the twentieth century [Emanciparea Evreilor din România](#) Carol Iancu, Charles-Olivier Carbonell, 1998

deteriorated especially during the Goga Cuza government 1937-38 under the influence of the Iron Guard anti Jewish legislation and growing antisemitism especially at the universities Until 1939 the Romanian authorities supported a policy for numerous clausus and withdrew the citizenship of more than 200 000 Jews **Inventing the Jew** Andrei

Oisteanu,2009-05-01 Inventing the Jew follows the evolution of stereotypes of Jews from the level of traditional Romanian and other Central East European cultures their legends fairy tales ballads carols anecdotes superstitions and iconographic representations to that of high cultures including literature essays journalism and sociopolitical writings showing how motifs specific to folkloric antisemitism migrated to intellectual antisemitism This comparative perspective also highlights how the images of Jews have differed from that of other strangers such as Hungarians Germans Roma Turks **Liberalism,**

Constitutional Nationalism, and Minorities Constantin Iordachi,2019-06-17 Winner of the 2019 CEU Award for Outstanding Research This book documents the making of Romanian citizenship from 1750 to 1918 as a series of acts of national self determination by the Romanians as well as the emancipation of subordinated gender social and ethno religious groups It focuses on the progression of a sum of transnational questions that were at the heart of North Atlantic European and local politics during the long nineteenth century concerning the status of peasants women Greeks Jews Roma Armenians Muslims and Dobrudjans The analysis emphasizes the fusion between nationalism and liberalism and the emancipatory impact national liberalism had on the transition from the Old Regime to the modern order of the nation state While emphasizing liberalism s many achievements the study critically scrutinizes the liberal doctrine of legal political capacity and the dark side of nationalism marked by tendencies toward exclusion It highlights the challenges nascent liberal democracies face in the process of consolidation and the enduring appeal of illiberalism in periods of upheaval represented mainly by nativism The book s innovative interdisciplinary approach to citizenship in the Ottoman and post Ottoman Balkans and the richness of the sources employed appeal to a diverse readership Conservatives and Right Radicals in Interwar Europe

Marco Bresciani,2020-12-30 This book features a broad range of thematic and national case studies which explore the interrelations and confrontations between conservatives and the radical Right in the European and global contexts of the interwar years It investigates the political social cultural and economic issues that conservatives and radicals tried to address and solve in the aftermaths of the Great War Conservative forces ended up prevailing over far right forces in the 1920s with the notable exception of the Fascist regime in Italy But over the course of the 1930s and the ascent of the Nazi regime in Germany political radicalisation triggered both competition and hybridisation between conservative and right wing radical forces with increased power for far right and fascist movements The book will be of great interest to students and scholars of politics history fascism and Nazism **The Encyclopedia of Jewish Life Before and During the Holocaust:**

Carol Iancu,2000 *The Jews and the Nation-States of Southeastern Europe from the 19th Century to the Great Depression* Tullia Catalan,Marco Dogo,2016-06-22 In the second half of the 19th century Southeastern Europe was home to a vast and heterogeneous constellation of Jewish communities mainly Sephardic to the south Bulgaria Greece and Ashkenazi to the north Hungary Romanian Moldavia with a broad mixed area in between Croatia Serbia Romanian Wallachia They were subject to a variety of post Imperial governments from the neo constituted principality of Bulgaria to the Hungarian kingdom re established as an autonomous entity in 1867 which shared a powerful nationalist and modernising drive The relations between Jews and the nation states governments led to a series of issues relating to the enjoyment of civil rights public and private education and political participation which found varying solutions sometimes satisfactory for the Jews but often undermined by the political instability of the region In this book the position of the Jews is also approached from the point of view of contemporary western Judaism perhaps more sensitive to the sufferings of our poor brothers in the East a western Judaism emancipated integrated intellectually advanced liberal and able to intervene in situations under observation through diplomatic networks its international philanthropic agencies and its political representatives For readers interested in modern history this book offers a detailed survey of the Jewish question in the various states of Southeastern Europe before the Shoah Permanențe și rupturi în istoria evreilor din România (secolele XIX-XX) Centre de recherches "Juifs, arméniens et chrétiens d'Orient" (Montpellier, France). Eastern European Jewish American Narratives, 1890-1930 Dana Mihailescu,2018-06-29 The compelling argument of Eastern European Jewish American Narratives 1890 1930 Struggles for Recognition is that narratives of Eastern European Jewish Americans are important discourses offering a response to America s norms of assimilation rationalized progress and control in the early twentieth century under the guise of commitment to the specificity of individual experiences The book sheds light on how these texts suggest an alternative ethical agency which encompasses both mainstream and minority practices and which capitalizes on the need of keeping alive individual responsibility and vulnerability as the only means to actually create a democratic culture In that this book opens up novel areas of inquiry and research for both the academic world and the social and cultural fields facilitating the rediscovery of long neglected Eastern European Jewish American writers and the rethinking of the more familiar authors addressed O istorie a evreilor din România în date: De la 1920, până la 1944 Hary Kuller,Federația Comunităților Evreiești din România. Resisting Persecution Thomas Pegelow Kaplan, Wolf Gruner, 2020-06-05 Since antiquity European Jewish diaspora communities have used formal appeals to secular and religious authorities to secure favors or protection Such petitioning took on particular significance in modern dictatorships often as the only tool left for voicing political opposition During the Holocaust tens of thousands of European Jews turned to individual and collective petitions in the face of state sponsored violence This volume offers the first extensive analysis of petitions authored by Jews in nations ruled by the Nazis and their allies It demonstrates their underappreciated value as a historical source and reveals the many attempts of European Jews to resist intensifying persecution and actively struggle for survival *Evreii din România în secolul XX*, 2003 Contribuția evreilor din România la cultură și civilizație Federația Comunităților Evreiești din România, 2004 History of Romania Susana Andea, 2006 **Dall'Impero asburgico alla Grande Romania.
