Ember Days:

Ember Days Rose Edwards, 2021-11-01 Exiled from a broken land two friends try to escape the darkness they left behind them Together again Torny and Ebba reach Vellsberg an outpost of the Southern Empire hoping for a safe haven Instead they find families driven by ambition a strange young woman who doesn't seem to belong and the bloody consequences of the Empire's attempt to control the north When Vellsberg is attacked they entrust themselves to Aisulu a lone rider from beyond the eastern edges of the Southern Empire Betrayed and pursued they flee through a land succumbing to a strange plague Invisible flames afflict the penitent and whispers of a new Martyr and his False Disciple follow at their heels Unwilling to face the things they've done to survive Torny and Ebba find themselves torn apart again After all what hope is there when once you have been monstrous What peace can there be when you have betrayed your own Journey into the Heart of God Philip H. Pfatteicher, 2013-09-23 Journey into the Heart of God is a captivating exploration of the history and evolution of the Church Year the cycle of seasons in the Christian tradition that begins with Advent and culminates with Easter and is marked by the celebrations of saints feast days and the reading of Scripture as appointed by the Church Primarily through deft examination of the Western Church Philip H Pfatteicher reveals how the liturgical calendar has been transformed over thousands of years It is a work of art the collaborative achievement of generations of hands and minds He shows how the church year dramatizes and grounds the strange complexity of the human experience and how it encourages honesty humility growth and maturity in those who live by it Pfatteicher also offers insight into the liturgical texts of the Eucharist the less familiar Daily Office and the people's theology voiced in hymns from a broad spectrum of ancient and modern traditions It will be an indispensable resource for both clergy and laity in the liturgical denominations including Catholicism Lutheranism and Anglicanism The Laws of Ember Days Vincent Wan Shun Woo, 2023 The ember day fast is an ancient practice that dates back to the apostolic times Ember days are quarterly days of fasting occurring on a Wednesday Friday and Saturday in each of the four seasons in order to render thanks to God and to atone for sins 1917 CIC c 1252 2 From the first century ember Saturdays gradually became four of the six prescribed days for ordinations to the major orders 1917 CIC c 1006 2 For 1400 years the ember day liturgical rites were intrinsically associated with fasting and ordinations More recently the relaxation of the Church's penitential discipline has led to the omission of the mandatory ember day fasts in the universal law 1983 CIC cc 1250 1251 The direct connection between ember days and ordinations is also lost 1983 CIC c 1010 While episcopal conferences have been encouraged to implement the ember day liturgical rites according to local conditions the disciplines of fasting and ordinations are no longer bound with the ember day liturgical rites There is a general loss of this practice among Catholics in the present day This dissertation is the first major study on ember days from a juridical perspective since the Second Vatican Council It studies the origins purposes historical implementation and reform of ember days It demonstrates that corporeal fasting ordinations and the ember day liturgical rites form a triptych that had been in

existence for 1400 years Its final goal is to propose a plan for an authentic renewal of ember days based on the Church's tradition and Vatican II

The Living Church ,1956 **Liturgies of the Future** Anscar J. Chupungco,2006-05-05 In this book Anscar Chupungco carries forward the work begun in *Cultural Adaptation of the Liturgy* Now more than forty years after the Council the first stage of the liturgical renewal is complete the Roman liturgy has been restored to its classical shape But the challenge of the second stage lies before us the adaptation of the liturgy to various cultures and traditions This the unfinished agenda of the Council is the task of local churches Chupungco here calls them to take up that task to be faithful to sound tradition and to foster legitimate progress at the same time an art requiring expertise in the science of liturgy the virtue of flexibility and often a great faith in the wisdom of the Church After reviewing the mandate of the Council the author examines the future of the liturgy in three chapters the future shape of the eucharistic celebration the future shape of sacramental celebrations and the future shape of the liturgical year This hopeful and stimulating book will be of great assistance not only to teachers and students of the liturgy but also to those who daily confront the challenges of the future on a pastoral level
