

A large, fluffy pink cotton candy balloon floats in a clear blue sky. It is suspended by thin pink ropes that lead down to a small, pink, rectangular basket. Inside the basket, two small, dark silhouettes of people are visible. The balloon is positioned in the center of the frame, slightly above the middle. Below the balloon, the landscape consists of rolling sand dunes in shades of blue and white, suggesting a desert environment. The overall aesthetic is dreamy and whimsical.

**Laoism: The Complete Teachings of Lao Zi** is the first ever book on the complete teachings of Lao Zi, an ancient Chinese philosopher/sage. It is also the first English depiction to distinguish Lao Zi's teachings from Taoism, a native religion of China. Endless revelations and commentaries on his text of *Tao Te Ching* have been and continuously exist in Chinese and many other languages, but not yet a complete work between the text and its poetic summary, the Lao Zi's self-invented fourteen-character couplet. The couplet, as old as the text, has been circulating secretly only in a few monasteries.

This makes the writers throughout the history not being able to get a full picture on his work and the public inaccessible The completion of such a project must be a combination of the spiritual inclination into the text and the heart sealed connection with Lao Zi s spirit The time has come
