Stout,2024-12-17 While the Marine Corps island hopped across the Pacific from Guadalcanal to Saipan to Iwo Jima the U S Army was locked in a grueling multiyear fight for the jungle island of New Guinea which in Japanese hands threatened both Australia and the vital supply lines stretching to the United States Forces under Douglas MacArthur intended to deny the Japanese this opportunity and use New Guinea as a stepping stone on the road back to the

Philippines and beyond it Japan A critical component of that campaign was waged in the air where American pilots supported ground troops and took the battle to the Japanese in scattered villages and beaches along the way fighting not only the Japanese but also the dangers of the island's mountainous terrain and thick jungles the weather and the surrounding ocean

Savage Skies Emerald Hell is the story of the stirring and terrible air combat that made winning the fight for New Guinea possible It includes accounts from fighter bomber and transport crews primarily George Kenney's Fifth Air Force and places their actions within the broader context of strategy and tactics also providing descriptions of equipment and the experiences of the mechanics and support men who made it all possible It is a riveting narrative of World War II in the air combining deep primary research and Jay Stout's personal experience as a fighter pilot More than a great read **Savage Skies Emerald Hell** is an important contribution to World War II history
