Emergence Of Lincoln Volume 2 Prologue

Martin J. Medhurst

Emergence Of Lincoln Volume 2 Prologue:

Lincoln's Rise to the Presidency William Charles Harris, 2007 Emphasizes the conservative bent that guided the young statesman's remarkable political evolution revealing a Lincoln who was increasingly driven by his antislavery sentiments and fear for the republic in the hands of the Democrats like Stephen Douglas as much as if not more than his own political ambition

Journal of the Civil War Era William A. Blair, 2013-03-01 The Journal of the Civil War Era Volume 3 Number 1 March 2013 TABLE OF CONTENTS Editor's Note William Blair Articles Amber D Moulton Closing the Floodgate of Impurity Moral Reform Antislavery and Interracial Marriage in Antebellum Massachusetts Marc William Palen The Civil War's Forgotten Transatlantic Tariff Debate and the Confederacy's Free Trade Diplomacy Joy M Giguere The Americanized Sphinx Civil War Commemoration Jacob Bigelow and the Sphinx at Mount Auburn Cemetery Review Essay Enrico Dal Lago Lincoln Cavour and National Unification American Republicanism and Italian Liberal Nationalism in Comparative Perspective Professional Notes James J Broomall The Interpretation Is A Changing Memory Museums and Public History in Central Virginia Book Reviews Books Received Notes on Contributors The Journal of the Civil War Era takes advantage of the flowering of research on the many issues raised by the sectional crisis war Reconstruction and memory of the conflict while bringing fresh understanding to the struggles that defined the period and by extension the course of American history in the nineteenth century

Southern Outcast David Brown, 2006-10-01 Hinton Rowan Helper 1829-1909 gained notoriety in nineteenth century America as the author of *The Impending Crisis of the South* 1857 an antislavery polemic that provoked national public controversy and increased sectional tensions In his intellectual and cultural biography of Helper the first to appear in more than forty years David Brown provides a fresh and nuanced portrait of this self-styled reformer exploring anew Helper's motivation for writing his inflammatory book Brown places Helper in a perspective that shows how the society in which he lived influenced his thinking beginning with Helper's upbringing in North Carolina his move to California at the height of the Californian gold rush his developing hostility toward nonwhites within the United States and his publication of *The Impending Crisis of the South* Helper's book paints a picture of a region dragged down by the institution of slavery and displays surprising concern for the fate of American slaves It sold 140,000 copies perhaps rivaled only by *Uncle Tom's Cabin* in its impact The author argues that Helper never wavered in his commitment to the South though his book's devastating critique made him an outcast there playing a crucial role in the election of Lincoln and influencing the outbreak of war As his career progressed after the war Helper's racial attitudes grew increasingly intolerant He became involved in various grand pursuits including a plan to link North and South America by rail continually seeking a success that would match his earlier fame But after a series of disappointments he finally committed suicide Brown reconsiders the life and career of one of the antebellum South's most controversial and misunderstood figures Helper was also one of the rare lower class whites who recorded in detail his economic political and social views thus affording a valuable window into the world of nonslaveholding

white southerners on the eve of the Civil War His critique of slavery provides an important challenge to dominant paradigms stressing consensus among southern whites and his development into a racist illustrates the power and destructiveness of the prejudice that took hold of the South in the late nineteenth century as well as the wider developments in American society at the time

Reading the Old Man Bruce A. Ronda, 2008 In this absorbing book Bruce Ronda examines the representations of Brown chronologically ranging from Thoreau's Plea for Captain John Brown with its ardent defense of Brown as a patriot Transcendentalist and true New Englander through treatments by anonymous southern writers and well known authors such as John Greenleaf Whittier Herman Melville Richard Henry Dana Frederick Douglass William Dean Howells and E A Robinson Ronda then considers the major treatments of Brown in the early to mid twentieth century by W E B DuBois Stephen Vincent Benet and Robert Penn Warren Of particular interest are discussions of a 1930s poem by Muriel Rukeyser Truman Nelson's 1960 novel *The Surveyor* and artwork by Jacob Lawrence He concludes with studies of novels by three contemporary authors Russell Banks Michelle Cliff and Bruce Olds

BOOK JACKET Lincoln's Constitution Daniel A. Farber, 2004-10 In *Lincoln's Constitution* Daniel Farber leads the reader to understand exactly how Abraham Lincoln faced the inevitable constitutional issues brought on by the Civil War Examining what arguments Lincoln made in defense of his actions and how his words and deeds fit into the context of the times Farber illuminates Lincoln's actions by placing them squarely within their historical moment The answers here are crucial not only for a better understanding of the Civil War but also for shedding light on issues state sovereignty presidential power and limitations on civil liberties in the name of national security that continue to test the limits of constitutional law even today

Skim Milk Yankees Fighting Jonathan Kearns Cooper-Wiele, 2007

The Men of Secession and Civil War, 1859-1861 James L. Abrahamson, 2000 This compelling highly readable book focuses on the men who shaped the events that led to secession and the Civil War Secessionists tore at the bonds that bound Americans to one another and their government as they maligned Northerners and found sinister intent in federal policy But equally as adamant on the opposite side were the determined abolitionists and others in the North who sought to hold the Union together Tariffs the loss of political power and the antislavery movement were all taking their toll on the South but it took specific individuals and groups to bring to action the causes they believed in and thus to alter the course of history *The Men of Secession and Civil War 1859-1861* traces the period from John Brown's 1859 Harper's Ferry raid to the Confederate attack on Fort Sumter and the subsequent secession of the Upper South states in April 1861 The cast of characters in this book includes abolitionists John Brown and Salmon P Chase President Abraham Lincoln U S Senator Stephen Douglas Andrew Johnson whom Lincoln named his vice president in 1864 secessionists Jefferson Davis Roger Taney and Barnwell Rhett John Breckenridge the 1860 presidential nominee of the Southern Democratic Party and Tennessee Senator John Bell *The Men of Secession and Civil War* is a useful volume for Civil War courses

Blackface Nation Brian Roberts, 2024-05-31 As the United States transitioned from a rural nation to an urbanized industrial giant between the War of

1812 and the early twentieth century ordinary people struggled over the question of what it meant to be American As Brian Roberts shows in *Blackface Nation* this struggle is especially evident in popular culture and the interplay between two specific strains of music middle class folk and blackface minstrelsy The Hutchinson Family Singers the Northeast s most popular middle class singing group during the mid nineteenth century is perhaps the best example of the first strain of music The group s songs expressed an American identity rooted in communal values with lyrics focusing on abolition women s rights and socialism Blackface minstrelsy on the other hand emerged out of an audience based coalition of Northern business elites Southern slaveholders and young white working class men for whom blackface expressed an identity rooted in individual self expression anti intellectualism and white superiority Its performers embodied the love crime version of racism in which vast swaths of the white public adored African Americans who fit blackface stereotypes even as they used those stereotypes to rationalize white supremacy By the early twentieth century the blackface version of the American identity had become a part of America s consumer culture while the Hutchinsons songs were increasingly regarded as old fashioned *Blackface Nation* elucidates the central irony in America s musical history much of the music that has been interpreted as black authentic and expressive was invented performed and enjoyed by people who believed strongly in white superiority At the same time the music often depicted as white repressed and boringly bourgeois was often socially and racially inclusive committed to reform and devoted to challenging the immoralities at the heart of America s capitalist order

[Violence in America: Historical and Comparative Perspectives](#) United States Task Force on Historical and Comparative Perspectives,1969 **Delia's Tears** Molly Rogers,David W. Blight,2010-05-25 M N O P R S T U V W Y Z *Lincoln Lore*,2006 **Strain of Violence** Richard Maxwell Brown,1975-01-02 These essays written by leading historian of violence and Presidential Commission consultant Richard Maxwell Brown consider the challenges posed to American society by the criminal turbulent and depressed elements of American life and the violent response of the established order Covering violent incidents from colonial American to the present Brown presents illuminating discussions of violence and the American Revolution black white conflict from slave revolts to the black ghetto riots of the 1960s the vigilante tradition and two of America s most violent regions Central Texas whic

[Violence in America: A 150-year study of political violence in the United States](#) Hugh Davis Graham,Ted Robert Gurr,1969 [Strength for the Fight](#) Bernard C. Nalty,1989 Surveys the history of blacks in the armed forces from the 1600s to the 1980s **Lincoln, Douglas, and Slavery** David Zarefsky,1993-06 Previously published in hbk Chicago Univ of Chicago Press 1990 **Before the Rhetorical Presidency** Martin J. Medhurst,2008-11-05 Since its identification in 1981 the rhetorical presidency has drawn both defenders and critics Chief among those critical of the practice is political theorist Jeffrey K Tulis whose 1987 book *The Rhetorical Presidency* helped popularize the construct and set forth a sustained analysis of the baleful effects that have allegedly accompanied the shift from a constitutional presidency to a rhetorical one Tulis locates this shift in the presidencies of Theodore Roosevelt and

Woodrow Wilson arguing that the rhetorical presidency is a twentieth century phenomenon Yet not all scholars agree with this assessment Before the Rhetorical Presidency is an attempt to investigate how U S presidents in the nineteenth century communicated with their publics both congressional and popular In part 1 Martin J Medhurst Mel Laracey Jeffrey K Tulis and Stephen E Lucas set forth differing perspectives on how the rhetorical presidency ought to be understood and evaluated In part 2 eleven scholars of nineteenth century presidential rhetoric investigate the presidencies of Martin Van Buren John Tyler James K Polk Franklin Pierce James Buchanan Andrew Johnson Ulysses S Grant Rutherford B Hayes Benjamin Harrison Grover Cleveland and William McKinley As the first volume ever to focus on nineteenth century presidents from a rhetorical perspective Before the Rhetorical Presidency examines administrations policies and events that have never before been subjected to rhetorical analysis The sometimes startling outcomes of these investigations reveal the need for continuing debate over the nature practices and effects of the rhetorical presidency In a brief afterword Medhurst raises eight challenges to the original formulation of the rhetorical presidency and in so doing sets forth an agenda for future studies

Team of Rivals Doris Kearns Goodwin, 2006-09-26 On May 18 1860 William H Seward Salmon P Chase Edward Bates and Abraham Lincoln waited in their hometowns for the results from the Republican National Convention in Chicago When Lincoln emerged as the victor his rivals were dismayed and angry Throughout the turbulent 1850s each had energetically sought the presidency as the conflict over slavery was leading inexorably to secession and civil war That Lincoln succeeded was the result of a character that had been forged by life experiences that raised him above his more privileged and accomplished rivals He won because he possessed an extraordinary ability to put himself in the place of other men to experience what they were feeling to understand their motives and desires This capacity enabled President Lincoln to bring his disgruntled opponents together create the most unusual cabinet in history and marshal their talents to preserve the Union and win the war Violence in America Hugh Davis Graham, Ted Robert Gurr, 1969 The English Catalogue of Books Sampson Low, 1906 Volumes for 1898 1968 include a directory of publishers *Violence in America: Historical and Comparative Perspectives* Hugh Davis Graham, Ted Robert Gurr, 1969

This is likewise one of the factors by obtaining the soft documents of this **Emergence Of Lincoln Volume 2 Prologue** by online.
