**Peter Morris** 

#### **Ed Delahanty In The Emerald Age Of Baseball:**

Ed Delahanty in the Emerald Age of Baseball Jerrold I. Casway, 2004 Delahanty's career spanned the last decades of the nineteenth century during a time when the sons of post famine Irish refugees dominated the sport and changed the playing style of America's national pastime In this Emerald Age of baseball Irish American players comprised from 30 to 50 percent of all players managers and team captains Baseball for Delahanty and other young Irishmen was a ticket out of poverty and into a life of fame and fortune The allure and promise of celebrity and wealth however were disastrous for Delahanty He found himself enmeshed in desperate contract dealings and a gambling addiction that drove him to alcohol abuse The Culture and Ethnicity of Nineteenth Century Baseball Jerrold I. Casway, 2017-05-29 Evolving in an urban landscape professional baseball attracted a dedicated fan base among the inhabitants of major cities including ethnic and racial minorities for whom the game was a vehicle for assimilation But to what extent were these groups welcomed within the world of baseball and what effect did their integration or as in the case of African Americans their ultimate inability to integrate have on the culture of a pastime that had recently become a national obsession How did their mutual striving for acceptance affect relations between these minorities In deep and long lasting ways as it turns out This book provides a carefully considered portrait of baseball as both a sporting profession one with quick changing rules and roles and as an institution that reinforced popular ideas about cultural identity masculinity and American exceptionalism **Encyclopedia of Baseball, 2d ed.** Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major Leagues decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and The Rank and File of 19th Century Major League Baseball David Nemec, 2012-04-19 With includes 119 photographs this volume David Nemec completes his remarkable trilogy of 19th century baseball biographies covering every major league player manager umpire owner and league official It provides in depth information on many figures unknown to most historians Each detailed entry includes vital statistics peer driven analysis of baseball related skills and an overview of the

individual s role in the game Also chronicled are players first and last major league games most important achievements movements from team to team and much more By bringing attention to these overlooked baseball personalities this reference work immeasurably enriches our knowledge of 19th century major league baseball Mike Donlin Steve Steinberg, Lyle Spatz, 2024-05 Biography of baseball player and actor Mike Donlin who played for the New York Giants from 1899 to 1914 and was one of the best hitters of the Deadball Era A playboy and showman he later went into Vaudeville and appeared in Major League Baseball Profiles, 1871-1900, Volume 2 David Nemec, 2011-09-01 The more than one hundred films business of baseball and player transactions by David Ball t p Our Path Leads to Readers Steven G. Farrell, 2022-07-06 Professor Steven G Farrell has published more writings with The Path A Literary Magazine since the first volume appeared in 2010 than any other author Stories Told on The Path are his very best pieces culled from the magazine s archives The professor has carefully selected twenty two of his best writings published by The Path including one poem thirteen short stories five essays one interview and four book reviews **Ed McKean** Rich Blevins, 2014-07-25 The exemplar of the major league slugging shortstop before either Honus Wagner or Lou Boudreau Ed McKean spent a dozen seasons as a high profile contributor to the Cleveland Spiders leading his team to three playoff berths and the 1895 Temple Cup championship He played in no fewer than four of the Society for American Baseball Research s 100 greatest games of the 19th century This first McKean biography returns the charismatic Irishman to the spotlight recounting his efforts to reimagine himself as one of Cleveland's original sports heroes his struggle to win a significant place in fin de siecle America and his leading role in the Emerald Age of baseball Appendices provide his major league career batting record his year by year offensive rankings and A Companion to American Sport History Steven A. Riess, 2014-03-26 A even lines from a poem attributed to him Companion to American Sport History presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history Presents the first complete analysis of the scholarship relating to the academic history of American sport Features contributions from many of the finest scholars working in the field of American sport history Includes coverage of the chronology of sports from colonial times to the present day including major sports such as baseball football basketball boxing golf motor racing tennis and track and field Addresses the relationship of sports to urbanization technology gender race social class and genres such as sports biography Awarded 2015 Best Anthology from the North American Society for Sport History NASSH

Base Ball 11 Don Jensen, 2020-01-17 Offering the best in original research and analysis Base Ball is an annually published book series that promotes the study of baseball s early history from its protoball roots to 1920 and its rise to prominence within American popular culture This volume number 11 includes a dozen articles on topics ranging from the uses and abuses of mascots and batboys attempts to revive the major league American Association and the meaning of early club names to the founding of the National League the finances of the Union Association and the early years of future Giants magnate John T Brush The volume also includes thoughtful reviews of

recently published books on women's baseball the 1887 Detroit Wolverines and the American League pennant race in 1908 **Level Playing Fields** Peter Morris, 2022-08-04 Most baseball fans want to hear about stellar players and spectacular plays statistics and storied franchises Level Playing Fields sheds light on a usually unnoticed facet of the game introducing fans and historians alike to the real fundamentals of baseball dirt and grass In this lively history Peter Morris demonstrates that many of the game's rules and customs actually arose as concessions to the daunting practical difficulties of creating a baseball diamond Recovering a nearly lost and decidedly guirky chapter of baseball history Level Playing Fields tells the engaging story of Tom and Jack Murphy brothers who made up baseball s first great family of groundskeepers and who played a pivotal role in shaping America's national pastime Irish immigrants who tirelessly crafted home field advantages for some of baseball's earliest dynasties the brothers Murphy were instrumental in developing pitching mounds permanent spring training sites and new irrigation techniques and their careers were touched by such major innovations as tarpaulins and fireproof concrete and steel stadiums Level Playing Fields is a real life saga involving craftsmanship resourcefulness intrigue and bitter rivalries including attempted murder between such legendary figures as John McGraw Connie Mack Honus Wagner and Ty Cobb The Murphys story recreates a forgotten way of life and gives us a sense of why an entire generation of American men found so much meaning in the game of baseball Mysteries from Baseball's Past Angelo J. Louisa, David Cicotello, 2014-01-10 This collection of nine essays examines some of baseball s most elusive mysteries Topics include the discovery of the body of Ed Delahanty at the bottom of Niagara Falls the suicide of Chick Stahl the strange death of National League president Harry Pulliam the case of a game that may never have been played three gambling scandals one involving Hall of Famers the facts concerning the legendary matchup of Satchel Paige and slugger Josh Gibson and the intrigue behind the Brooklyn Dodgers move to Los Angeles **Sports in America from Colonial Times to the** Twenty-First Century: An Encyclopedia Steven A. Riess, 2015-03-26 A unique new reference work this encyclopedia presents a social cultural and economic history of American sports from hunting bowling and skating in the sixteenth century to televised professional sports and the X Games today Nearly 400 articles examine historical and cultural aspects of leagues teams institutions major competitions the media and other related industries as well as legal and social issues economic factors ethnic and racial participation and the growth of institutions and venues Also included are biographical entries on notable individuals not just outstanding athletes but owners and promoters journalists and broadcasters and innovators of other kinds along with in depth entries on the history of major and minor sports from air racing and archery to wrestling and yachting A detailed chronology master bibliography and directory of institutions organizations and governing bodies plus more than 100 vintage and contemporary photographs round out the coverage **The Coal Barons Played Cuban Giants** Paul Browne, 2013-04-06 The Pennsylvania state leagues of the 1880s and 1890s rank among the most interesting minor leagues in the history of baseball The rules were changing the world around baseball particularly the economy was changing

and things that would seem impossible in a later time were happening every year These leagues had not only black players but also wholly black teams They had great major leaguers on their way up but also on the way back down In fact the greatest player of the age surrounded by what would have been a major league all star team only a few years before played in a Pennsylvania minor league for almost a full season The play was exciting the players were exciting and the owners managers and league politics were often more interesting than the games **Beyond the Ballpark** John A. Wood, 2016-04-22 Most baseball fans know of the amazing accomplishments Hall of Fame members achieved on the field from Joe DiMaggio s 56 game hit streak to Cy Young s 511 career wins But few are as familiar with the ballplayers lives away from the diamond especially those icons who played before the Internet and 24 7 media coverage Beyond their baseball statistics what kind of individuals were they How did they conduct themselves out of the spotlight What made them tick In Beyond the Ballpark The Honorable Immoral and Eccentric Lives of Baseball Legends John A Woodlooks at the personal lives of fifty members of the Hall of Fame examining their childhoods families influences life changing events defining moments and more The players range from the really good guys to bizarre characters and even the downright immoral The author considers how tragedies may have impacted players such as the shooting of Ty Cobb's beloved father by his own mother and seeks to explain the dispositions of others such as why the great Rogers Hornsby couldn't seem to get along with anybody By taking a closer look at who the players were as men Beyond the Ballpark captures the essence of these fifty Hall of Famers Including such names as Cy Young Walter Johnson Mickey Mantle Lou Gehrig and Babe Ruth this book is for all fans who are interested in more than just a ballplayer s statistics The Irish and the Origins of American Popular Culture Christopher Dowd, 2018-02-15 This book focuses on the intersection between the assimilation of the Irish into American life and the emergence of an American popular culture which took place at the same historical moment in the late 19th and early 20th centuries During this period the Irish in America underwent a period of radical change Initially existing as a marginalized urban dwelling immigrant community largely comprised of survivors of the Great Famine and those escaping its aftermath Irish Americans became an increasingly assimilated group with new social political economic and cultural opportunities open to them Within just a few generations Irish American life transformed so significantly that grandchildren hardly recognized the world in which their grandparents had lived This pivotal period of transformation for Irish Americans was heavily shaped and influenced by emerging popular culture and in turn the Irish American experience helped shape the foundations of American popular culture in such a way that the effects are still noticeable today Dowd investigates the primary segments of early American popular culture circuses stage shows professional sports pulp fiction celebrity culture and comic strips and uncovers the entanglements these segments had with the development of Irish American identity

<u>Team Chemistry</u> Nathan Michael Corzine,2016-01-30 In 2007 the Mitchell Report shocked traditionalists who were appalled that drugs had corrupted the pure game of baseball Nathan Corzine rescues the story of baseball s relationship with

drugs from the sepia toned tyranny of such myths In Team Chemistry he reveals a game splashed with spilled whiskey and tobacco stains from the day the first pitch was thrown Indeed throughout the game s history stars and scrubs alike partook of a pharmacopeia that helped them stay on the field and cope off of it In 1889 Pud Galvin tried a testosterone derived elixir to help him pile up some of his 646 complete games Sandy Koufax needed Codeine and an anti inflammatory used on horses to pitch through his late career elbow woes Players returning from World War II mainstreamed the use of the amphetamines they had used as servicemen Vida Blue invited teammates to cocaine parties Tim Raines used it to stay awake on the bench and Will McEnaney snorted it between innings Corzine also ventures outside the lines to show how authorities handled or failed to handle drug and alcohol problems and how those problems both shaped and scarred the game The result is an eye opening look at what baseball s relationship with substances legal and otherwise tells us about culture society and masculinity in America <u>Tinker to Evers to Chance</u> David Rapp, 2018-04-02 A compelling narrative about three Chicago Cubs legends the rise of baseball fever and the emergence of a new America as the twentieth century began Booklist starred review Their names were chanted crowed and cursed Alone they were a shortstop a second baseman and a first baseman But together they were an unstoppable force Joe Tinker Johnny Evers and Frank Chance came together in rough and tumble early twentieth century Chicago and soon formed the defensive core of the most formidable team in big league baseball leading the Chicago Cubs to four National League pennants and two World Series championships from 1906 to 1910 At the same time baseball was transforming from small time diversion into a nationwide sensation Americans from all walks of life became infected with baseball fever a phenomenon of unprecedented enthusiasm and social impact The national pastime was coming of age Tinker to Evers to Chance examines this pivotal moment in American history when baseball became the game we know today Each man came from a different corner of the country and brought a distinctive local culture with him Evers from the Irish American hothouse of Troy New York Tinker from the urban parklands of Kansas City Missouri Chance from the verdant fields of California's Central Valley The stories of these early baseball stars shed unexpected light not only on the evolution of the game and the enthusiasm of its players and fans but also on the broader convulsions transforming the US into a confident new industrial society With them emerged a truly national culture This iconic trio helped baseball reinvent itself but their legend has largely been relegated to myths and barroom trivia David Rapp's engaging history resets the story and brings these men to life again enabling us to marvel anew at their feats on the diamond It s a rare look at one of baseball s first dynasties in action Winner Nonfiction Book of the Year Chicago Writer's Association Connects these baseball stories to larger cultural themes such as social and economic class the New York Chicago rivalry and the emerging media technologies during this period Highly recommended for baseball fans and those interested in early 20th century American history Library **Journal** The Days of Rube, Matty, Honus and Ty Chuck Kimberly, 2018-12-13 The early Deadball Era featured landmark achievements great performances by several of baseball s immortals and a delightful array of characters John

McGraw won his first pennant as a manager and repeated the feat the following year with the team he later called his greatest His Giants were praised for their playing ability and criticized for their rowdy behavior Meanwhile the Cubs were putting together the greatest team in franchise history emphasizing speed on the bases solid defense and outstanding pitching Jack Chesbro won 41 games in 1904 by employing a new pitch the spitball Other pitchers began using it accelerating the trend toward lower batting averages The White Sox entered baseball lore as the Hitless Wonders winning the 1906 pennant through adroit use of scientific baseball tactics SABR 50 at 50 Bill Nowlin, Mark Armour, Scott Bush, Leslie Heaphy, Jacob Pomrenke, Cecilia Tan, John Thorn, 2020-09-01 SABR 50 at 50 celebrates and highlights the Society for American Baseball Research's wide ranging contributions to baseball history Established in 1971 in Cooperstown New York SABR has sought to foster and disseminate the research of baseball with groundbreaking work from statisticians historians and independent researchers and has published dozens of articles with far reaching and long lasting impact on the game Among its current membership are many Major and Minor League Baseball officials broadcasters and writers as well as numerous former players The diversity of SABR members interests is reflected in this fiftieth anniversary volume from baseball and the arts to statistical analysis to the Deadball Era to women in baseball SABR 50 at 50 includes the most important and influential research published by members across a multitude of topics including the sabermetric work of Dick Cramer Pete Palmer and Bill James along with Jerry Malloy on the Negro Leagues Keith Olbermann on why the shortstop position is number 6 John Thorn and Jules Tygiel on the untold story behind Jackie Robinson's signing with the Dodgers and Gai Berlage on the Colorado Silver Bullets women s team in the 1990s To provide history and context each notable research article is accompanied by a short introduction As SABR celebrates fifty years this collection gathers the organization s most notable research and baseball history for the serious baseball reader

Getting the books **Ed Delahanty In The Emerald Age Of Baseball** now is not type of inspiring means.
