Eden Reclaimed Joyce Keveren, 2001-09 Whey Bland carpetbagger from Xerox a planet somewhere in the vast reaches of the Milky Way reluctantly comes to Earth on a mission that requires that he become president of the United States His spaceship lands in the high plains country of New Mexico on a small Pueblo reservation where he meets Tom John Tom a Navajo sheepherder who becomes his friend and advisor guide and helper in a new world He soon meets Eric MacBrody a horny young man and general screw up whose occasional home is the reservation drunk tank and Erica Eric s wild and beautiful twin sister who promptly falls in love with him He also meets Philander Eric s party companion who is a young Navajo cowboy and computer genius Eden Reclaimed is the story of how these new friends with the help of a trio of personal advisors from Xerox help Whey to complete his mission *What Happens Next Bible Study Guide plus Streaming Video* Max Lucado, 2024-08-13 What comes to mind when you think about the end times If you are like many Christians you might not think about it much at all You have a carpe diem kind of faith that focuses on the here and now Why occupy your thoughts with the not yet when you have enough to deal with in the right now The answer is simple because Jesus focused on the end times A full thirty percent of his teachings in the Gospels have to do with discourses on heaven hell and the events that will signal the final age So if Jesus made the end times a priority it only makes sense that his followers would make it a priority as well Perhaps one of the reasons why you don t like to think about the end times is because you know it will involve turmoil and strife Indeed Jesus said the final days would be marked by events that include economic turmoil political conflicts ethnic tensions persecution of Christians famines wars and rumors of wars diseases false prophets waning faith in Jesus and other fearful sights Jesus declared All these are the beginning of birth pains Matthew 24 9 Labor pains increase in frequency and intensity as the delivery draws near Jesus was speaking of a day in which the same will happen in the world Now when it comes to considering these events that will signal the end of the age you have a choice as to how you will respond You can see these circumstances through the eyes of fear or faith The eyes of fear see little reason for hope and ample reason for anxiety However the eyes of faith see history inching closer and closer to a new era that will usher in a heavenly destiny a time when you will reach the end of the race and receive the heavenly prize Philippians 3 14 nlt God has told you what to expect not to scare you but to prepare you He is like a pilot on the intercom telling the passengers about impending turbulence A good pilot keeps his travelers informed Your good Father does the same God wants you to have a deep seated confidence that he is firmly on his throne and the future is in his hands He has given prophecy to empower his saints with the reassurance that whatever happens in this life he is ultimately sovereign *Coopers International Journal* , 1910 Vols 27 no 5 May 1918 include a section in German the section from Feb 1903 May 1918 has title Die Internationale K fer Zeitung **The Magazine of Poetry and Literary Review** Charles Wells Moulton, 1889 **Century Path** , 1908 **The Goddess Revival** Aida Besancon Spencer, Donna F.G. Goddess Revival is a Christianity Today Book Award Winner 1996 All of the authors are clearly sympathetic to the problems women have faced in the church throughout its history They empathize with women who shun the patriarchal oppression of their churches to turn to goddess spirituality They are also solidly grounded in the Scriptures Christian theology and church history They recognize the bondage imposed by goddess worship This book presents a scholarly and clear consideration of the issues involved and builds a strong case for Christianity as the most woman friendly alternative While providing a comprehensive study of goddess spirituality and examining the roots of the movement the authors focus primarily on God and the way people have understood God through the centuries in both paganism and the Judeo Christian tradition as both male and female They demonstrate how the uniqueness of God contrasts with the multiplicity of gods and goddesses in pagan spiritualities while comparing the values in both traditions that are similar that is a search for what is good inner empowerment unity positive social change In the process of building a clear Christian theology they gently counter the arguments of their pagan opponents In the end the reader is left with a glorious picture of the one true God and a clear apologetic for those in nursing who insist that the Christian God is too oppressive and patriarchal to merit our allegiance The appendixes provide a powerful case study of a young woman drawn into witchcraft She explains why it appealed to her then how it enslaved her and destroyed her marriage and other relationships The two final appendixes offer some excellent biblical studies on the issues raised in the book The total package provides an outstanding resource Journal of Christian Nursing

Victorian Visions of Suburban Utopia Nathaniel Robert Walker, 2020-11-17 The rise of suburbs and disinvestment from cities have been defining features of life in many countries over the course of the twentieth century In Victorian Visions of Suburban Utopia Nathaniel Walker asks why did we abandon our dense complex urban places and seek to find the best of the city and the country in the flowery suburbs While looking back at the architecture and urban design of the 1800s offers some answers Walker argues that a great missing piece of the story can be found in Victorian utopian literature The replacement of cities with high tech suburbs was repeatedly imagined and breathlessly described in the socialist dreams and science fiction fantasies of dozens of British and American authors Some of these visionaries such as Robert Owen Edward Bulwer Lytton Edward Bellamy William Morris Ebenezer Howard and H G Wells are enduringly famous while others were street vendors or amateur chemists who have been all but forgotten Together they fashioned strange and beautiful imaginary worlds built of synthetic gemstones lacy metal colonnades and unbreakable glass staffed by robotic servants and teeming with flying carriages As varied as their futuristic visions could be Walker reveals how most of them were unified by a single desperate plea for humanity to have a future worth living we must abandon our smoky poor chaotic Babylonian cities for a life in shimmering gardens

Talbert brings to mainline Christians a fresh reading of the book of Revelation demonstrating that it is not only accessible but relevant for the modern day Christian According to Talbert the primary causes of the marginalized status of the book of Revelation by mainline Christians are threefold the apparent inaccessibility of its meaning the seeming impossibility of its pastoral application and its demonstrated susceptibility to abuse Talbert ably demonstrates that the book of Revelation was written to help the early Christians avoid assimilation into the larger pagan culture Talbert also gives full attention to the literature of the Greco Roman early Christian and early Jewish worlds as he examines the more mystical components of the narrative
