Angela Hodge, 2010-04 God's gentle temperament, genuine concern for all life, and compassion are rarely if ever discussed. In fact, most conversations about Him focus on His wrath, judgment, and invincible power. As a result, many are left with the impression that the Lord is an angry being who holds grudges and keeps a long record of every sin ever committed. This misconception has prevented most from grasping the truth that God is nice, gracious, patient, slow to anger, and forgiving. From the dawn of time until now, the Lord has shown kindness to all. In *God is Nice*, His characteristics are revealed through careful study of the relationship He has with mankind. When you read this book, you will see an eye-opening depiction of the Lord's character. *God is Nice* uses biblical accounts of the Lord's encounters with humanity to reveal who He is as a person. In *God is Nice*, Rev. Dr. Hodge guides you through the scriptures to help you comprehend the essence of the Lord's character. Realize that God, your greatest supporter, has always wanted good things for you. Understand the role wrongdoing plays in concealing the truth about the Lord's nature. Decide that God is a gracious person abounding in love and forgiveness. Run to the Lord, not away from Him. ANGELA HODGE is Assistant Pastor of I AM THE LIVING WORD IATLW Ministries. This non-profit ministry is focused on winning lost souls to Jesus Christ through sharing God's word and being actively involved in community service. IATLW hosts Christian retreats designed to help people develop their relationship with the Lord. [The Happily Ever After Bundle](#) MJ Fredrick, A collection of three full-length contemporary romance novels. *Where There's Smoke* Lauren Stokes put a lid on her attraction toward her best friend Seth Escamilla years ago. She'd never be his type of woman, so why torture herself? When sexual awareness strikes during a friendly football game, she's stunned. He's guilty for injuring her and looks after her, but Lauren resorts to wisecracking to distance herself from him. Seth's confused by the new emotions swamping him. This is Lauren, his best friend, someone he has fun with, not someone he has fun with. He doesn't plan to settle down, and he won't risk their friendship when they have no future. They resist the new attraction and the efforts of their families to push them together. When a wedding loosens their inhibitions, keeping the new aspect of their relationship a secret is harder than they would have thought. *Something to Talk About* When you're trying to stay below the radar in a small town that thrives on gossip, you probably don't want to break up with your football coach boyfriend and fall in love with your best friend's widower within the same month. And heaven help you if you befriend the psychic who's just moved nearby and your AWOL mother returns after a fourteen-year absence. *Ellie Morgan* Ellie Morgan is tired of playing second string to the football team coached by her boyfriend of three years. She ends their relationship much to the dismay of the town's citizens, who worry a heartbroken coach will ruin their chance for a championship team. Rumors of a romance with Noah Weston, her best friend's widower, buzz when an accident on the beach causes him to bring her to the local clinic in his arms. The rumors disturb her, but also make her think about Noah in a way she hasn't before. Even comments that she's trying to slide into the void left by her best friend's death can't kill her fantasies now as rampant as the rumor mill. Noah Weston is emerging from his grief a year and a half after his wife's death. Ellie Morgan draws him with her energy and positive attitude. As their friendship

Yalta Nikolai Tolstoy, 2013-08-06 A harrowing true story of World War II: the forced repatriation of two million Russian POWs to certain doom. The Times London: At the end of the Second World War, a secret Moscow agreement that was confirmed at the 1945 Yalta Conference ordered the forcible repatriation of millions of Soviet citizens that had fallen into German hands, including prisoners of war, refugees, and forced laborers. For many, the order was a death sentence, as citizens returned to find themselves executed or placed back in forced labor camps. Tolstoy condemns the complicity of the British, who ardently followed the repatriation orders. *Breaking Daylight* MJ Fredrick, 2017-03-14 Britain's Final Defence Dale

Clarke, 2016-11-07 Known affectionately as Dad's Army, the Home Guard was Britain's very serious attempt to protect our shores from invasion by Nazi Germany in the Second World War. In the Spitfire summer of 1940, all that the 1 million unpaid, untrained part-timers of the Local Defence Volunteers, as the organisation was originally called, wanted was a service rifle for each man, but even that was too much for a country threatened by defeat. To provide Britain's Final Defence is the first book to explore the efforts made to arm the home defence force between 1940 and 1944 and describe the full range of weaponry available for Britain's last stand against invading Axis forces.
