Edit! Revise! Rewrite! Exercises in the Writing Process Joan R. Markos, 2002 Includes NEW topics to intrigue and inspire Provides high interest writing editing and proofreading activities Models different types of writing Boosts writing success with handy checklists and guide sheets Edit! Revise! Rewrite! Joan R. Markos, 1987 Put Some Pants on That Kid (STUDENT BOOK) Crystal Crawford, Writing well is an outgrowth of thinking well Do you dread writing assignments Do research papers make you want to scream Does learning high school essay writing feel like a chore Welcome to the Put Some Pants on That Kid writing curriculum Put Some Pants on That Kid takes a big picture practical approach to writing addressing the why behind the typical expectations for essays and research papers and providing students the tools they need to understand those larger concepts master them and extrapolate them to future writing assignments The Put Some Pants on That Kid curriculum is recommended for students at the 9th 12th grade levels and covers Essay writing narrative and argumentative persuasive Research papers research techniques Practical writing business letters business emails resumes cover letters and writing in online spaces such as blogs or social media An introduction to citation requirements and formatting for MLA and APA and more Each topic is covered in depth addressing not only expectations and techniques for each style of writing but also the reasons behind them This curriculum teaches students how to think well about their ideas and the words which communicate them and provides the tools for students to confidently fulfill assignment expectations while still allowing room for creativity and individual expression in their writing The Put Some Pants on That Kid curriculum comes in two parts The Student Book which provides the core text for the curriculum and The Parent Teacher Guide which provides a 32 week schedule lesson plans and techniques for parents or teachers who wish to use this handbook as a curriculum for their high schoolers Parent Teacher Guide sold separately The curriculum also includes free access to printable rubrics handouts checklists and other resources for use with the curriculum These resources are available online and may be printed and copied for you or your students use as often as needed at no additional cost Want to know more Read more about this curriculum at <http://ccrawfordwriting.com/pantsonkid> , **How To Write Anything: The Format Of What You Write May Change But The Process Of Writing Anything Remains The Same** Paul Lima, 2020-07-06 How To Write Anything The Format Of What You Write May Change But The Process Of Writing Anything Remains The Same This book is called How To Write Anything and I confess there is some ego involved in the title But then I've been a professional writer for over 40 years As one of Canada's most successful writers and authors I have written hard news articles soft news and feature articles advertising and promotional copy media releases reports and proposals case studies research papers email messages website content tweets blog posts and other online content I have also written over 20 books on business promotional and online writing and other topics such as writing articles memoir writing and living with Multiple Sclerosis a disease that I have but one that has not prevented me from writing or training I've also written a collection of short stories

poetry and a couple of plays So while I haven't written everything I've written many things The fact is that you can't read this book and go forth and write anything if you are not familiar with the format or structure of the document that you want to write be it non-fiction or fiction For instance if you want to write a report you do so using the methods in this book However you have to know how to structure reports The same is applicable to email social media content articles promotional content case studies reports white papers PowerPoint presentations speeches website content short stories or novels So some of you reading this book might still have some learning to do However I suspect most of you know the structure of the documents you want to produce and you will be able to immediately apply the methods outlined in the book to writing any document that you need to write
