Stephen Bernard

Edmond Malone Shakespearean Scholar A Literary Biography:

Edmond Malone, Shakespearean Scholar Peter Martin, 1995-04-13 First modern full length biography of scholar and member of late eighteenth century intellectual elite

Edmond Malone, Shakespearean Scholar Peter Martin, 1995

The Encyclopedia of British Literature, 3 Volume Set Gary Day, Jack Lynch, 2015-03-09 Provides a comprehensive overview of all aspects of the poetry drama fiction and literary and cultural criticism produced from the Restoration of the English monarchy to the onset of the French Revolution Comprises over 340 entries arranged in A Z format across three fully indexed and cross referenced volumes Written by an international team of leading and emerging scholars Features an impressive scope and range of subjects from courtship and circulating libraries to the works of Samuel Johnson and Sarah Scott Includes coverage of both canonical and lesser known authors as well as entries addressing gender sexuality and other topics that have previously been underrepresented in traditional scholarship Represents the most comprehensive resource available on this period and an indispensable guide to the rich diversity of British writing that ushered in the modern literary era 3 Volumes www.literatureencyclopedia.com

Sexual Shakespeare Michael Keevak, 2001 Shakespeare's sexuality has always been an ambiguous concept despite the pleasant fictions of Shakespeare in Love Now Michael Keevak examines such sources as anecdotes imitations forgeries spurious works and portraits to show that this ambiguity has a long and twisted history

Double Falsehood William Shakespeare, Mr. Theobald (Lewis), 2010-03-01 Plays playscripts

Shakespeare Without a Life Margreta de Grazia, 2023-03-28 A fascinating account of how Shakespeare's works were understood and valued by readers and writers from the seventeenth to the nineteenth century before Shakespeare's biography came to dominate readings of his plays and poetry For almost two centuries after his death Shakespeare had no biography The makings of one were not available No chronology had been devised by which to coordinate the events in his life with the writing of his works Nor was there an archive of primary materials on which to base a life And the only work by Shakespeare written in the first person the Sonnets had yet to be critically edited and incorporated into the canon Without a biography how could Shakespeare have been valued and understood In *Shakespeare without a Life* Margreta de Grazia looks at aspects of Shakespeare's reception between 1600 and 1800 that have been all but lost to the now still prevailing biographical impulse It recovers the anecdote as a form of literary criticism retrieves the ancient category of genre as the canon's organizing rubric demonstrates how the quest for authentic documents invalidated other forms of literary record and reveals how the desire to forge connections between Shakespeare's life and the Sonnets occluded his self presentation as the deceased I of a posthumous poet

Shakespeare Survey Stanley Wells, Jonathan Bate, Michael Dobson, 2002-11-28 *Shakespeare Survey* is a yearbook of Shakespeare studies and production Since 1948 *Survey* has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of the previous year's textual and critical studies and

of major British performances The books are illustrated with a variety of Shakespearean images and production photographs The current editor of *Survey* is Peter Holland The first eighteen volumes were edited by Allardyce Nicoll numbers 19-33 by Kenneth Muir and numbers 34-52 by Stanley Wells The virtues of accessible scholarship and a keen interest in performance from Shakespeare's time to our own have characterised the journal from the start For the first time numbers 1-50 are being reissued in paperback available separately and as a set

Books and Their Readers in 18th Century England Isabel Rivers, 2003-06-01 This collection of eight new essays investigates ways in which significant kinds of 18th century writings were designed and received by different audiences Rivers explores the answers to certain crucial questions about the contemporary use of books This new edition contains the results of important new research by well known specialists in the field of book and publishing history over the last two decades

Historical Dictionaries in their Paratextual Context Roderick McConchie, Jukka Tyrkkö, 2018-09-24 Both dictionary and paratext research have emerged recently as widely recognised research areas of intrinsic interest This collection represents an attempt to place dictionaries within the paratextual context for the first time This volume covers paratextual concerns including dictionary production and use questions concerning compilers publishers patrons and subscribers and their cultural embedding generally This book raises questions such as who compiled dictionaries and what cultural linguistic and scientific notions drove this process What influence did the professional interests life experience and social connexions of the lexicographer have Who published dictionaries and why and what do the forematter backmatter and supplements tell us Lexicographers edited adapted and improved earlier works leaving copies with marginalia which illuminate working methods Individual copies offer a history of ownership through marginalia signatures dates places and library stamps Further questions concern how dictionaries were sold who patronised them subscribed to them and how they came to various libraries

Great Shakespeareans Set II Adrian Poole, Peter Holland, 2011-03-24 The second set of volumes in the eighteen volume series *Great Shakespeareans* covering the work of nineteen key figures who influenced the global understanding of Shakespeare

Shakespeare and the Eighteenth Century Michael Caines, 2013-10 This book considers the impact of the eighteenth century on Shakespeare and vice versa It describes how actors critics painters and Enlightenment philosophers read and responded to Shakespeare's plays and poems and how those plays and poems changed their lives

Writing the History of the British Stage Richard Schoch, 2016-09-12 This is the first book on British theatre historiography It traces the practice of theatre history from its origins in the Restoration to its emergence as an academic discipline in the early twentieth century In this compelling revisionist study Richard Schoch reclaims the deep history of British theatre history valorizing the usually overlooked scholarship undertaken by antiquarians booksellers bibliographers journalists and theatrical insiders none of whom considered themselves to be professional historians Drawing together deep archival research close readings of historical texts from the seventeenth eighteenth and nineteenth centuries and an awareness of contemporary debates about disciplinary practice Schoch overturns

received interpretations of British theatre historiography and shows that the practice and the diverse practitioners of theatre history were far more complicated and far more sophisticated than we had realised His book is a landmark contribution to how theatre historians today can understand their own history

Fuseli's Milton Gallery Luisa Cale, 2006-12-21 Fuseli's Milton Gallery challenges the antipictorial theories and canons of Romantic period culture Between 1791 and 1799 Swiss painter Henry Fuseli turned Milton's Paradise Lost into a series of 40 pictures Fuseli's project and other literary galleries developed within an expanding market for illustrated books and a culture of anthologization used to reading British and other classics in terms of the visualization of key moments in the text Thus transformed into repositories of virtual pictures literary texts became ideal sources of subjects for painters Illustrating British literature was a way of inventing a national grand style to fit the needs of a consumer society Cale calls into question the separation of reading and viewing as autonomous aesthetic practices To turn readers into spectators meant to place readers and reading within the dizzying world of associations offered by an emerging culture of exhibitions Attending to the energized reading effects developed by Fuseli's Gallery we rediscover a new side of the Romantic imagination which is not the solitary mentalist experience preferred by Wordsworth and Coleridge nor divorced from the senses let alone a refuge from the crowded public spaces of the Revolutionary period Rather Fuseli's embodied aesthetic exemplifies the associationist psychology espoused by the radical circle convening around the publisher Joseph Johnson including Joseph Priestley and Mary Wollstonecraft This book analyses exhibitions as important sites of Romantic sociability and one of many interrelated mediums for the literature debates and controversies of the Revolutionary period

Reading and Not Reading The Faerie Queene Catherine Nicholson, 2020-05-26 Despite its canonical prestige Edmund Spenser's epic six part poem The Faerie Queene 1590-96 has never been easy or altogether pleasurable to read As this book describes the poem's first known reader Spenser's friend Gabriel Harvey did so under duress and returned the manuscript with a plea that Spenser write something else instead Virginia Woolf's tongue in cheek advice to twentieth century readers eager to cultivate a taste for The Faerie Queene The first essential is of course not to read The Faerie Queene sums up a tradition of readerly resistance to the poem As a consequence of its difficulty the poem has an extraordinary capacity to induce doubt in readers about Spenser about themselves and about the enterprise of reading itself Each of the six chapters in Nicholson's book considers the poem through the lens of a different readership scholars schoolchildren compilers of commonplace books who value specific elements about the poem Queen Elizabeth the ostensible subject of the poem and readers who across the centuries ultimately failed to understand the poem Rather than tell us how to read Spenser's work Nicholson describes how these individual readers from learned scholars to precocious schoolboys jealous queens to algorithmic search engines have generated meaning and pleasure from an unusual and difficult text Throughout the author argues that that The Faerie Queene can be read not simply as literature but as literary theory a reflection on what reading does to texts readers and the worlds they live in

Imagining Shakespeare's Wife Katherine

West Scheil, 2018-06-28 Examines representations of Anne Hathaway from the eighteenth century to contemporary portrayals in theatre biographies and novels *The Shakespearean World* Jill L Levenson, Robert Ormsby, 2017-03-27 The Shakespearean World takes a global view of Shakespeare and his works especially their afterlives Constantly changing the Shakespeare central to this volume has acquired an array of meanings over the past four centuries Shakespeare signifies the historical person as well as the plays and verse attributed to him It also signifies the attitudes towards both author and works determined by their receptions Throughout the book specialists aim to situate Shakespeare's world and what the world is because of him In adopting a global perspective the volume arranges thirty six chapters in five parts Shakespeare on stage internationally since the late seventeenth century Shakespeare on film throughout the world Shakespeare in the arts beyond drama and performance Shakespeare in everyday life Shakespeare and critical practice Through its coverage The Shakespearean World offers a comprehensive transhistorical and international view of the ways this Shakespeare has not only influenced but has also been influenced by diverse cultures during 400 years of performance adaptation criticism and citation While each chapter is a freshly conceived introduction to a significant topic all of the chapters move beyond the level of survey suggesting new directions in Shakespeare studies such as ecology tourism and new media and making substantial contributions to the field This volume is an essential resource for all those studying Shakespeare from beginners to advanced specialists *The correspondence of John Dryden* Stephen Bernard, 2022-10-11 The correspondence of John Dryden is the definitive edition of the letters of the most important playwright and poet of the late seventeenth century He defined an age and his newly transcribed disparate correspondence is placed in the context of contemporaneous and current debates about literature politics and religion It is also the most important account of the relationship between an author and his bookseller of the time The illustrated correspondence contains a full biographical textual introduction and calendar of letters It is transcribed diplomatically and structured chronologically with contextualising sections about particular correspondences The readership will be undergraduate graduate and postgraduate students and academics with an interest in seventeenth century literature politics religion and culture The editor won the MLA Morton N Cohen Award for a Distinguished Edition of Letters

Rimualdo William Henry Ireland, 2005 William Henry Ireland's *Rimualdo* or *The Castle of Badajos* was first published in 1800 at the apex of the genre's popularity Like Ann Radcliffe before him Ireland skillfully weaves the familiar Gothic conventions with Shakespearean characteristics Set in medieval Spain the novel is nothing less than a register of Gothic paraphernalia unnatural parents persecuted lovers murders haunted apartments winding sheets and winding staircases subterranean passages lamps that are dim and perverse and that always go out when they should not monasteries caves monks tall thin and withered with lank abstemious cheeks dreams groans and spectres *Rimualdo* chronicles the perversely sensitive Condon Don *Rimualdo*'s discovery an enigmatic female under the protection of the nefarious monk Sebastiano In his attempt to unlock the mystery of the virtuous Constanza *Rimualdo* is drawn into a labyrinth of depravity villainy and

nightmares where nothing is as it first appears *Literary Forgery in Early Modern Europe, 1450-1800* Walter Stevens, Earle A Havens, 2019-01-15 The essays gathered in this volume demonstrate that studying early modern European literary forgeries is a fascinating cultural adventure Lina Bolzoni author of *The Gallery of Memory* This comprehensive study of literary and historiographical forgery goes well beyond questions of authorship It spotlights the imaginative vitality of forgery and its sinister impact on genuine scholarship This volume demonstrates that early modern forgery was a literary tradition in its own right with distinctive connections to politics Greek and Roman classics religion philosophy and modern literature The early modern explosion in forgery of all kinds particularly in the fields of literary and archaeological falsification demonstrates a dramatic shift in attitudes toward historical evidence and in the relation of texts to contemporary society The authors capture the impact of this evolution within many cultural transformations including the rise of print changing tastes and fortunes of the literary marketplace and the Protestant and Catholic Reformations The thirteen essays draw on Johns Hopkins University's Bibliotheca Fictiva the world's premier research collection dedicated exclusively to the subject of literary forgery It consists of several thousand rare books and unique manuscript materials from the early modern period and beyond Contributors Frederic Clark James Coleman Richard Cooper Arthur Freeman Anthony Grafton A Katie Harris Earle A Havens Jack Lynch Shana D O Connell Ingrid Rowland Walter Stephens Elly Truitt Kate Tunstall **The Correspondence of James Boswell and Sir William Forbes of Pitsligo** James Boswell, William Forbes, 2022-01-01 This volume tenth in the Research Correspondence Series of the Yale Editions of the Private Papers of James Boswell documents the long friendship between Boswell and Sir William Forbes This volume tenth in the Research Correspondence Series of the Yale Editions of the Private Papers of James Boswell collects the letters exchanged between lawyer diarist and biographer James Boswell and Sir William Forbes of Pitsligo eminent Scottish banker civic improver philanthropist literary and cultural patron and lay leader of Edinburgh's English Episcopal community Forbes served as Boswell's most valued Scottish advisor to whom he would often turn for personal financial moral and religious guidance and whom he would name executor of his estate and co guardian of his children The volume includes a total of 111 comprehensively annotated letters few of which have appeared previously in print between Forbes and Boswell and other correspondents It illuminates in particular the period in which Boswell moved from Edinburgh to London and wrote his major books *The Journal of a Tour to the Hebrides* with Samuel Johnson and *The Life of Samuel Johnson*
