## **Educated Persons For A Democratic Society:**

**Education for a Democratic Society** John Ryder, Gert Rüdiger Wegmarshaus, 2007 This book is the third volume of selected papers from the Central European Pragmatist Forum CEPF It deals with the general question of education and the papers are organized into sections on Education and Democracy Education and Values Education and Social Reconstruction and Education and the Self The authors are among the leading specialists in American philosophy from universities across the U S and in Central and Eastern Europe The series Studies in Pragmatism and Values promotes the study of pragmatism s traditions and figures and the explorations of pragmatic inquiries in all areas of philosophical thought The Educated Person D. G. Mulcahy, 2008-03-27 Liberal education has long been a fascination for scholars in a variety of disciplines and is closely associated with the idea of the educated person Seen at one time as a matter for colleges and universities over the years it has become central to the debate surrounding general education in high school and even the earlier grades Yet so many and varied are the uses of the term liberal education that the question arises of whether and how the idea is any longer a useful or helpful construct In what way might it speak helpfully to educational challenges we face today In what ways does it still speak helpfully to educational challenges we face today In what ways might it be a guide as we search for a better way forward These are the central questions that are addressed in this book In doing so the positions of three theorists John Henry Newman Mortimer J Adler and Jane Roland Martin who have written about liberal education in a compelling way and from different perspectives are selected for close analysis The analysis is built upon to fashion a new ideal of the educated person and a new theory of liberal education **Curriculum and Aims** Decker F. Walker, Jonas F. Soltis, 2004 The revised fourth edition provides a broad perspective on the basic curriculum questions educators face regarding the purposes content design and structure of educational programs The authors deal with fundamental contemporary issues of curriculum theory and instructional practice **New York School Journal** , 1901 **Whole Person Education in East Asian Universities** Benedict S. B. Chan, Victor C. M. Chan, 2021-09-08 This book provides much new thinking on the phenomenon of whole person education a phenomenon which features strongly in East Asian universities and which aims to develop students intellectually spiritually and ethically to master critical thinking skills to explore ethical challenges in the surrounding community and to acquire a broad based foundation of knowledge in humanities society and nature The book considers different approaches to whole person education including Confucian Buddhist and Chinese perspectives Western philosophy and religion and interdisciplinary approaches Overall the book provides a comprehensive overview of whole person education why it matters and how to implement it Moreover although the examples in the book are from East Asia the discussion and the values involved are universal important for the whole world The School Journal , 1901 **A Companion to the Philosophy of Education** Randall Curren, 2008-04-15 A Companion to the Philosophy of Education is a comprehensive guide to philosophical thinking about education Offers a state of the art account of current and controversial issues in education

including issues pertaining to multiculturalism special education sex education and academic freedom Written by an international team of leading experts who are directly engaged with these profound and complex educational problems Serves as an indispensable guide to the field of philosophy of education Journal of Education Culture and Society 2015 No 1 , Nic nie wpisano **Dewey's Democracy and Education Revisited** Patrick M. Jenlink,2009-04-16 Dewey s Democracy and Education Revisited focuses on democratic schools democratic education and the work of teacher and leader practitioners in the new millennium taking into consideration the complex and dynamic nature of preparing leaders for changing roles in schools amidst the challenges of standards and accountability the No Child Left Behind Act licensure certification issues increasing diversity issues of social justice shifting demographics and the myriad of social issues that make democratic leadership necessary The book presents a collection of contemporary discourses that reconsider the relationship of democracy as a political ideology and American ideal i e Dewey s progressivist ideas and education as the foundation of preparing democratic citizens in America Jenlink takes the reader into a reflective and critical examination of Dewey s ideas on democratic education set forth in the classic philosophy text Democracy and Education Each chapter draws the reader into a discussion of the salient and relevant points Dewey argued and juxtaposes Dewey s points with the issues challenging educators today in particular focusing on the challenge of fostering democratic education and leadership for America s schools **Sociology Of Education** S.S. Chandra,Rajendra Kumar Sharma,1996 The Present Book Is A Comprehensive Attempt To Critically Discuss Sociology Of Education It Covers The Syllabi Of Various Universities For M A Sociology B Ed And M Ed Examinations Part One Of The Book Provides An Introduction To The Subject Through A Discussion Of The Meaning Type And Functions Of Education Aims And Objectives Of Education Agencies Of Education Evaluation Of The Current Educational Pattern Curriculum Teaching Devices And Innovations In Teaching Part Two Starts With An Introduction To Educational Sociology And Proceeds To Discuss Socialization And Family Peer Group And Education The College Social Functions Of Education Education State And Community Impact Of Social Stratification In India Education And Modernization In India Social Change And Social Control Through Education Deschooling Society Teacher S Role In Society Education And Economic Order Values And Education Education And Culture Education For International Understanding Education For Democracy Education For Socialistic Pattern Of Society The Disturbed Campus And Materialism In Education And National Emotional Integration The Work Is Analytic In Presentation And Synthetic In Discussing The Subject Matter To Provide An Ideal Textbook On The Subject The Book Will Be Found Useful Not Only By The Students But Also By The Teachers Policy Makers And Common Readers Democracy, Intelligent Design, and Evolution Susan P. Liebell,2013-09-05 Should alternatives to evolution be taught in American public schools or rejected as an establishment of religion Democracy Intelligent Design and Evolution argues that accurate science education helps shape a democratic temperament Rather than defending against Intelligent Design as religion citizens should defend science

education as crucial to three aspects of the democratic person political citizenship economic fitness and moral choice Through an examination of Tammy Kitzmiller et al v Dover Area School District contemporary political theory and foundational American texts this volume provides an alternative jurisprudence and political vocabulary urging American liberalism to embrace science for citizenship
