## **Educating Hearts And Minds Reflections On Japanese Preschool And Elementary Education:**

**Educating Hearts and Minds** Catherine C. Lewis,1994 *Educating Hearts and Minds* Catherine C. Lewis,1995-01-27 How do children become eager motivated learners and caring responsible citizens Educating Hearts and Minds first published in 1995 is a portrait of Japanese preschool and early elementary education which examines these questions Its thesis which will surprise many Americans is that Japanese schools are successful because they meet children s needs for friendship belonging and contribution This book brings to life what actually happens inside Japanese classrooms What do children learn How do they learn What values are emphasised and how are they taught In a sharp departure from most previous accounts this book suggests that Japanese education succeeds because all children not just the brightest or best behaved somehow come to feel like valued members of the school community Ironically Japanese teachers credit John Dewey and other progressive Western educators for many of the techniques that make Japanese schools both caring and challenging This book brings to a wider readership the voices of Japanese classroom teachers voices that are at once deeply consonant with Western aspirations and deeply provocative

Pickering,Geoffrey Walford,2002-09-11 This volume explores Durkheim s place in modern educational thought at three different levels Durkheim s ideas on education are analyzed and placed in the context of modern society current educational issues are explored using a Durkheimian framework Durkheim s thought is related to that of modern educational theorists to reveal his enduring influence In discussing Durkheim s modern relevance the contributors stress his desire to integrate the practical and theoretical aspects of education They identify particular pertinence in his focus upon the moral base of education and his insistence upon the importance of the social and society      Education in Contemporary Japan Kaori Okano,Motonori Tsuchiya,1999-04-08 A balanced introduction to and examination of contemporary Japanese education While the postwar system of schooling has provided valuable ingredients for economic success it has been accompanied by unfavourable developments such as excessively competitive exams stifling uniformity bullying and an undervaluing of non Japanese ethnicity This book offers up to date information and new perspectives on schooling in contemporary Japanese society and uses detailed ethnographic studies and interviews with students and teachers It examines the main developments of modern schooling in Japan from the beginning of the Meiji era up to the present and includes analysis of the most recent reforms It develops a new picture of the role that schooling plays for individuals and the wider society Essential reading for students and educators alike      Globalization and Japanese Exceptionalism in Education Ryoko Tsuneyoshi,2017-09-18

Globalization is the most common overriding characteristic of our time with societies all over the world struggling to change their educational systems to meet what are perceived to be the needs of globalization This book provides an insider s account of how the Japanese educational system is trying to meet that challenge while placing the developments in a larger international context Distinguishing itself from other books in the same genre this volume 1 brings in the diversity of insiders reactions concerning globalization reform in education while placing such actions in the larger international context and 2

covers a wide span of education elementary to higher education and shows how the globalization reforms as a whole are affecting Japanese education With a focus on insiders accounts this book brings in information that is little known outside of Japan It also links globalization processes in Japanese society school education and higher education accounting for similarities and differences across educational levels providing insight into the multifaceted processes affecting the Japanese education system Chapters include From High School Abroad to College in Japan The Difficulties of the Japanese Returnee Experience The University of Tokyo PEAK Program Venues into the Challenges Faced by Japanese Universities Why Does Cultural Diversity Matter Korean Higher Education in Comparative Perspective **Historicizing Emotions: Practices and Objects in India, China, and Japan** ,2017-09-11 In Historicizing Emotions Practices and Objects in India China and Japan nine Asian Studies scholars offer intriguing case studies of moments of change in community or group based emotion practices including emotionally coded objects Posing the questions by whom when where what by and how the changes occurred these studies offer not only new geographical scope to the history of emotions but also new voices from cultures and subcultures as yet unexplored in that field This volume spans from the pre common era to modern times with an emphasis on the pre modern period and includes analyses of picturebooks monks writings letters ethnographies theoretic treatises poems hagiographies stone inscriptions and copperplates Covering both religious and non religious spheres the essays will attract readers from historical religious and area studies and anthropology Contributors are Heather Blair G rard Colas Katrin Einicke Irina Glushkova Padma D Maitland Beverley McGuire Anne E Monius Kiyokazu Okita Barbara Schuler

*Strategic Help Seeking* Stuart A. Karabenick,2012-12-06 There is considerable agreement that more successful learners are active engaged and self regulating learners who understand and are motivated to apply learning strategies under appropriate conditions One important strategic activity is seeking help when necessary rather than giving up or engaging in fruitless persistence Research on strategic help seeking has matured significantly in recent years This volume captures the current state of knowledge research and theory on help seeking as a strategic learning resource It is international in scope with contributors from the U S the Netherlands Japan and Israel As a whole the book suggests that strategic adaptive help seeking is a critical school readiness skill that is facilitated by mastery oriented classroom achievement and social goals by teachers who invite questions rather than those who ask them and by cultural characteristics that support student inquiry A conceptual overview is followed by three chapters that examine help seeking from complementary theoretical perspectives and make important distinctions between forms of help seeking two chapters that focus on how learners achievement and social goals affect classroom help seeking one chapter specifically devoted to cross cultural comparisons of help seeking in Western cultures and in Japan two chapters that examine the most frequent manifestation of help seeking that of question asking and one chapter that explores help seeking in the information age the library reference process information technology and computer mediated communication All chapters include attention to the implications of research and theory

for help seeking in instructional settings Strategic Help Seeking is an excellent resource for educational researchers and practitioners including teachers school administrators instructional designers reference librarians      **Sharing Jesus in the Buddhist World** Steve Spaulding,2003 This book on Christian missions to the Buddhist world not only provides understanding of many Buddhist cultures but provides culturally relevant ideas on sharing Jesus with Buddhists around the world It lives up to the editors goal to provide the global church with knowledge and understanding of the Buddhist world and how to reach it for Christ      *Language and Education in Japan* Y. Kanno,2015-12-26 The first critical ethnography of bilingual education in Japan Based on fieldwork at five different schools this examines the role of schools in the unequal distribution of bilingualism as cultural capital It argues that schooling gives children unequal access to bilingualism thus socializing them into different futures      **The Japanese Family** Diana Adis Tahhan,2014-06-27 This book explores how the relationship between child and parent develops in Japan from the earliest point in a child s life through the transition from family to the wider world first to playschools and then schools It shows how touch and physical contact are important for engendering intimacy and feeling and how intimacy and feeling continue even when physical contact lessens It relates the position in Japan to theoretical writing in both Japan and the West on body mind intimacy and feeling and compares the position in Japan to practices elsewhere Overall the book makes a significant contribution to the study of and theories on body practices and to debates on the processes of socialisation in Japan
