Educating Waverley:

Educating Waverley Laura Kalpakian, 2009-10-13 In 1939 young Waverley Scott arrives on remote Isadora Island in the Puget Sound She is to be a student at Temple School banished because her features too closely resemble those of her mother's married employer The headmistress of this all girl school Sophia Westervelt has a mysterious past and a passion for education She instills achievement into her students confident that one day they will have dinner with the King of Sweden because they will win the Nobel Prize Under Sophia's direction Waverley grows as her own abilities and vision expand But far away in Europe nations clash and even isolated Isadora Island feels the impact Sophia struggles to keep Temple School going though formidable forces combine against her And in the midst of this turmoil Waverley experiences love for the first time a love so fierce that like her education it will shape the rest of her life

Education and the UN Sustainable Development Goals Kim Beasy, Caroline Smith, Jane Watson, 2023-11-02 This book focuses on the complex relationship between education and the Sustainable Development Goals SDGs and highlights how important context is for both critiquing and achieving the Goals though education given the critical role teachers schools and curriculum play in young people's lives Readers will find examples of thinking and practice across the spectrum of education and training sectors both formal and informal The book adds to the increasing body of literature that recognises that education is and must be in its praxis at the heart of all the SDGs As we enter the third decade of the 21st century we have a clear understanding of the wicked and complex crises regarding the health of life on our planet and we cannot ignore the high levels of anxiety our young people are experiencing about their future Continuing in the direction of unsustainable exploitation of people and nature is no longer an option if life is to have a flourishing future The book illustrates how SDGs are supported in and by education and training showcasing the conditions necessary to ensure SDGs are fore fronted in policy reform It includes real world examples of SDGs in education and training contexts as well as novel critiques of the SDGs in regard to their privileging of anthropocentrism and neoliberalism This book is beneficial to academics researchers post graduate and tertiary students from all fields relating to education and training It is also of interest to policy developers from across disciplines and government agencies who are interested in how the SDGs relate to education
