*Legal Education in Asia* Stacey Steele, Kathryn Taylor, 2009-12-07 This book is a critique of the rapidly changing nature of legal education in major Asian jurisdictions as diverse as Afghanistan Australia Cambodia China Hong Kong Indonesia Japan Korea Singapore Taiwan and Vietnam It provides cross country comparative material including western legal

education systems and particularly detailed coverage of Japan     The Internationalisation of Legal Education Christophe Jamin, William van Caenegem, 2016-04-30 This volume provides an overview of the state of internationalisation of legal education IOLE in many civil law and common law countries It provides a picture of the status of the debate about the shape and degree of internationalisation in the curriculum in the different countries and the debates surrounding the adoption of a more international approach to legal education in the contemporary world It is a compilation of the National Reports submitted for the August 2014 Congress of the IACL held at Vienna and contains an introductory general report Together the reports examine such questions as Why is the topic of internationalization of legal education on the agenda now Why is it a relevant subject for examination today Does the topic generate the same level of interest everywhere in the world Is enthusiasm for IOLE mainly driven by the academic sector by government by multinational corporations Is the interest closely linked with the globalization of the practice of law Or is globalisation of law itself something of a myth or a reality reserved for only a very small percentage of practising lawyers around the world The general and national reports make clear that there is indeed widespread interest in IOLE and numerous disparate initiatives around the world Nonetheless some National Reporters state that the topic is simply not on the agenda at all All in all the volume shows that the approaches to internationalisation are many and varied but every jurisdiction recognises the importance of introducing aspiring lawyers to a more integrated global environment     **The Semiotics of Law in Legal Education** Jan M. Broekman, Francis J. Mootz III, 2011-07-06 This book offers educational experiences including reflections and the resulting essays from the Roberta Kevelson Seminar on Law and Semiotics held during 2008 2011 at Penn State University's Dickinson School of Law The texts address educational aspects of law that require attention and that also are issues in traditional jurisprudence and legal theory The book introduces education in legal semiotics as it evolves in a legal curriculum Specific semiotic concepts such as sign symbol or legal language demonstrate how a lawyer's professionally important tasks of name giving and meaning giving are seldom completely understood by lawyers or laypeople These concepts require analyses of considerable depth to understand the expressiveness of these legal names and meanings and to understand how lawyers can say the law or urge such a saying correctly and effectively in the context of a natural language that is understandable to all of us The book brings together the structure of the Seminar its foundational philosophical problems the specifics of legal history and the semiotics of the legal system with specific themes such as gender family law and business law     *Legal Education in a Changing World* International Legal Center. Committee on Legal Education in the Developing Countries, 1975     *Thinking About Clinical Legal Education* Omar Madhloom, Hugh McFaul, 2021-11-25 Thinking About Clinical Legal Education provides a range of philosophical and theoretical frameworks that can serve to enrich the teaching and practice of Clinical Legal Education CLE CLE has become an increasingly common feature of the curriculum in law schools across the globe However there has been relatively little attention paid to the theoretical and philosophical dimensions of this approach This edited

collection seeks to address this gap by bringing together contributions from the clinical community to analyse their CLE practice using the framework of a clearly articulated philosophical or theoretical approach Contributions include insights from a range of jurisdictions including Brazil Canada Croatia Ethiopia Israel Spain UK and the US This book will be of interest to CLE academics and clinic supervisors practitioners and students
