Edward And The Horse:

Edward and the Horse Ann Rand, 2023-01-10 First published in 1961 this winning tale follows a small boy named Edward who lives in a soaring New York City apartment building and yearns for a pet to keep him company Edward lives on the twenty first floor of a large apartment building in New York City In the lobby a sign reads No dogs or cats allowed This isn't much fun for someone like Edward who would have loved a dog or cat to keep him company But the sign doesn't say anything about horses Edward sets out in search of a horse who likes the city and who won't cost a lot of money to keep Along the way he meets a friendly fireman who offers him a helping hand Edward discovers Smitty whom he unhitches from a vegetable cart and takes home immediately Before Edward and Smitty can get anywhere near the freight elevator they are stopped by Smitty's owner and his reaction surprises all of them This charming journey benefits from bold mid century illustrations and will appeal to both design loving parents and pet crazy children at story time **Madeline. Symmetry I. Woodward, 2005-09 We have been herded like cattle into stockades and await transport west I say transport what I mean is I fear forced march A young lieutenant seems destined to cross my path Twice now we have startled each other while bathing I should describe him for you but I can hear you now complaining of my lack of taste and discretion Rifle McCormack writes to his beloved friend John Francis In Woodward's historical fiction *Symmetry* the story of Rifle McCormack a half Cherokee half Irish man whose family is being moved west to the new Indian Territory brings tenderness romance and love to a tumultuous time Rifle's community is torn apart in the Trail of Tears the Cherokee Nation relocation in the early 1800s The journey was full of strife loss bloodshed and hardship Families were destroyed spiritually and physically from the changes in climate lack of food dangerous terrain and new illnesses In this book Rifle lives in two worlds In one he is Cherokee sharing the heritage traditions and ways of his people In another he is white or yoneg as the Cherokee say where he reads Shakespeare and poetry serves as a diplomat to all and falls in love with another white man During the relocation of Rifle's group he finds solace and friendship with Lieutenant Edward Hatcher Hatcher is intrigued by the Cherokee and unlike most other soldiers he fights to move his group quickly to the new territory with as few deaths as possible He also finds

himself falling in love with Rifle He sat for a long time before turning to look directly into Rifle s face Edward Hatcher knew then that he was in love He admired Rifle s chiseled features the smooth gentle grace of the dark eyes and classic bones He burned to touch the lips again Although Woodward s book is fictional his ability to bring in a historical era makes this story moving and intriguing Instead of reading as a simple romance novel the book presents complexity of characters and plot Woodward s book paints a portrait of a time when all were divided into factions He writes about the various terrains the Cherokee traveled as well as the land they soon inhabited Woodward himself grew up in eastern Oklahoma among the descendants of those who traveled the Trail of Tears and he spent his childhood in Tahlequah Park Hill and Fort Gibson all parts of the new territory which lend credibility to the historical nature of the book Symmetry is a genuinely moving romance that brings a different perspective to historical times As the title suggests it is a story about the balance of two worlds It is about two men who fall in love who are not always accepted do not belong fully to any group and who bring life sweetness and genuine hearts to an otherwise challenging and painful time Christina Claassen Copyright c2005 ForeWordreviews com All Rights Reserved
