Edgar Cayce on Reincarnation and Family Karma Kevin J. Todeschi,2011-01-14 Life is a completely lawful experience because of the universal laws of reincarnation and karma that draw individuals together Rather than being some type of unavoidable destiny or a fate about which we can do very little the Edgar Cayce material instead sees karma as essentially an unconscious reservoir of information stored within the soul's memory Although this memory may draw certain events and individuals to one another personal free will and the way in which an individual responds to that memory determines her or his actual life experiences Drawing upon contemporary family relationships as well as family relationships for individuals who received guidance from Edgar Cayce this insightful volume examines the activities of reincarnation and karma especially as they play out in the dynamics of family relationships All individuals are brought together within their respective families as a means of learning specific lessons and having opportunities for personal soul growth In addition to examining the universal laws of reincarnation and karma this book illustrates the lawfulness of life the exacting nature of individual responsibility and the ever present hopefulness of personal free will In the end Edgar Cayce on Reincarnation and Family Karma makes an enormous contribution to demonstrating that life is a completely lawful experience that individuals can overcome whatever karmic lessons they seem to be faced with that free will is completely free and that God is truly as fair and as loving as we have always wished for our Creator to be Edgar Cayce and the Eternal Feminine Lynn Rogers,2004-05 Rogers explores the Eternal Feminine and Edgar Cayce From Creation Myths Twin Souls and Goddess practices Rogers offers insight into the causes of oppression of women in search of gender justice Rogers presents the Circle of Light Ritual and interviews engaged in The Work This book is a shining star Under Spells and Other Narratives Theodore Lyons,2013-10-29 In Under Spells a Buddhist author recounts his simultaneous influences after living out some of the experiences of various authors and their characters On the verge of homelessness in Sans Abri Without Shelter he decides not to stay in a shelter but rather outdoors like Siddhartha Gautama Buddha and his followers in the 5th century BC and painfully conquers the elements Having studied astronomy and astrology he finally charts his horoscope in Little Green Men and learns how and why his life turned out the way it did In Chez Moi he journeys again to Maine and eastern Canada while he has the chance **A Soul's Journey** Jeanne Avery,2004-03-01 The Holocaust of Nazi Germany created a karmic wound that still affects us today Regression therapist Jeanne Avery finds that many of her clients struggle with past life memories of this horrific time In A Soul's Journey Avery shares these stories and their impact on us individually and collectively *Edgar Cayce on Angels, Archangels and the Unseen Forces* Robert J. Grant,2005-06 The next step for those who want to discover angels in their lives this book goes beyond angelic appearances to a keen new awareness of how angels

influence world evolution and one's own personal psyche You will explore new research on angels roles in personal and planetary karma the angelic hierarchy the origin and destiny of Christ archangels and fallen angels and the meaning of angels in the Revelation *Two Occult Tales* Theodore Lyons,2008-03-28 TWO OCCULT TALES are now together in one volume Respect for the Dead set in Africa and the gripping sequel Sleight Return set in witchy New England

Reincarnation in America Lee Irwin,2017-07-31 Reincarnation in America An Esoteric History surveys the complex history of reincarnation theories across multiple fields of discourse in a pre American context ranging from early Greek traditions to Medieval Christian theories Renaissance esotericism and European Kabbalah all of which had adherents that brought those theories to America Rebirth theories are shown in all these groups to be highly complex and often disjunctive with mainstream religions even though members of conventional religions frequently affirm the possibility of rebirth As a history of an idea reincarnation theory is a current vital belief pattern that cuts across a wide spectrum of social cultural and scientific domains in a long complex history not reducible to any specific religious or theoretical explanation This book is cross disciplinary and multicultural linking religious studies perspectives with science based research it draws upon many distinct disciplines and avoids reduction of reincarnation to any specific theory The underlying thesis is to demonstrate the complexity of reincarnation theories what is unique is the historical overview and the gradual shift away from religious theories of rebirth to new theories that are therapeutic and trans traditional Beyond Heaven and Earth Steven H. Propp,2003-11-17 Have you ever wondered what happens to us when we die What if you really HAD to know When tragedy strikes the family of young Jobran Winter he is forced to confront these questions directly Undertaking a feverish Quest he explores various branches of Christianity Judaism Islam Hinduism Buddhism Sikhism as well as the religions of China and Japan His search encompasses the New Age Reincarnation Spiritism and Psychical Research Attending channeling sessions and s ances investigating haunted houses and Near Death Experiences he examines spiritual traditions ranging from Swedenborg to Scientology from Jodo Shinshu to the Jehovah's Witnesses Finally the Quest brings him into direct contact with Hospice work physical disability child abandonment abortion suicide euthanasia and even cold blooded murder Encounter the doctrines of Purgatory Predestination Universalism Annihilationism as you journey in a novel that will make you reexamine your ideas about religion skepticism love death and LIFE **Catalog of Copyright Entries. Edgar Cayce on Reincarnation and Family Karma Kevin Todeschi,2021-10-15 Drawing upon contemporary family relationships as well as family relationships for individuals who received guidance from Edgar Cayce this insightful volume examines the activities of reincarnation and karma especially as they play out in the dynamics of family relationships All individuals are brought together within their respective families as a means of learning specific lessons and having opportunities for personal soul growth In addition to examining the universal laws of reincarnation and karma this book illustrates the lawfulness of life the exacting nature of individual responsibility and the ever present hopefulness of personal free will In the end Edgar Cayce on Reincarnation and Family Karma makes an enormous contribution to demonstrating that life is a completely lawful experience that individuals can overcome whatever karmic lessons they seem to be faced with that free will is completely free and that God is truly as fair and as loving as we have always wished for our Creator to be

The Synchronicity Key David Wilcock,2014-07-29 Unlock the key to a universal life force in this astonishing book from the New York Times bestselling author of The Source Field Investigations and Awakening in the Dream The Source Field Investigations was a New York Times Wall Street Journal and USA Today bestseller that uncovered hidden science and lost prophecies to illuminate an entirely new understanding of our world today Now in The Synchronicity Key David Wilcock embarks on an astonishing investigation into what lies beyond finding proof that everything in our lives is not only connected but it also influences everything else Using history astrology and synchronicity theory among other concepts Wilcock shows that there is hidden architecture within time guiding individuals and nations through a system of enlightenment Joseph Campbell called the Hero's Journey Historical events occur in shockingly precise repeating cycles of time as a result Once we understand and identify the hidden laws of this seemingly random synchronicity we are left with a remarkable blueprint of how best to lead our lives in this uncertain and confusing world

The Unquiet Dead Edith Fiore, Ph.D.,1995-03-01 Noted psychologist Dr Edith Fiore explains how to detect spirit possession in yourself and others how to protect yourself from entities how to release your home from displaced spirits and how to perform a depossession Filled with shocking case histories

Reimagining the Soul Douglas M. Stokes,2013-12-07 This book explores conceptions of the soul and the afterlife that are consistent with the findings of modern science It approaches these subjects from many different angles religious philosophical scientific poetic humorous quasi scientific and even pseudoscientific just to be fair Many possible afterlives are examined including physical resurrection whether supernatural biological or cybernetic in form reincarnation participation in a dream like world or collective mind and the persistence of recycling centers of pure

consciousness Philosophical scientific and religious doctrines regarding the relationship between conscious minds and physical matter are reviewed Centers of consciousness likely exist at many different hierarchical levels from elementary particles single neurons and organisms all the way up to supra individual entities such as ant colonies or deities Empirical evidence bearing on the nature of the soul and the afterlife is also reviewed including that amassed by parapsychologists suggesting that some personality elements may survive death as in the case of children who report memories of previous lives The findings of modern neuroscience suggest that you cannot take it all or even much of it with you but you can at least take you with you Reincarnation Joel Bjorling,2013-08-21 First Published in 1996 You may have lived before As a matter of fact you may have experienced countless lifetimes This statement constitutes the basic premise of reincarnation which is also called transmigration and metempsychosis This volume explores the origins and development of the belief of reincarnation *We Are All One* Irie Glajar,2008 This is one of the most thought provoking books that I have ever had the pleasure of reading It weaves historical facts into a world fabric that backs up the beautiful theory of WE ARE ALL ONE We need a million of these books delivered to our world leaders so that we can all get on the same page It truly is an intelligent and enjoyable read David R H Walker Creative Director and Author This important book is concerned with the direction that modern societies have taken with the alienation of citizens of the world the division between and within all cultures that the inhabitants of this planet are experiencing War violence and aggression are a result Irie Glajar a teacher explains that we are all one and that until we perceive the unity and connectedness of our Universe we will not succeed as a species He ends with a letter to Presidents and terrorists proposing a World Unity Conference for Heads of States with the sole purpose of discussing the unity of all things Irie has captured the essence of the causes and a solution to the problems that the world currently faces Don Switlick Austin Community Group Coordinator Institute of Noetic Science **The Nature of Mind** Douglas M. Stokes,2024-10-18 Western science teaches that our beings are governed by the laws of physics and our minds play no part There are however flaws in this thinking most prominently unexplained paranormal phenomena that defy explanation by modern theories of physics Collected by parapsychologists these data include extrasensory perception ESP poltergeist occurrences and psychokinesis Much of the current data in parapsychology and their implications for understanding the true nature of the self are examined here Beginning with a consideration of several instances of spontaneous psi the book examines the theoretical explanations of paranormal phenomena It covers the hypothesis and evidence that minds contain the so called hidden variables that determine the outcomes of the quantum process thus interweaving parapsychology with modern physics The reader is also forced to consider in detail the relationship between the conscious mind and the physical brain and the evidence that minds survive the death of bodies
