## Edge Of Nowhere:

**Words From This Life** Jason Crowley,2024-10-23 Words from This Life is a collection of poems and lyrics They are thoughts and feelings on creativity and self expression reaching for authenticity while trying to keep the words from suffering to rhyme inner struggles and perseverance the daily fight to survive the battle with depression and a deep dark look into the loss of hope and the journey to find it again It is a call a striving to be who you are to embrace your voice despite the judgment of others It is a consideration of the passage of time and the desire to not die quiet to leave something that lets the future know you were here and to contribute a verse This is Jason s first published piece of fiction and his latest contribution to the powerful play     **The Edge of Perfection** Laura Bratcher Goins,2023-04-24 I prayed for the orphans every day almost every waking moment I envisioned their sweet faces After two long years Anna s dream to start an orphanage in Lazy Spring finally came true The wide white porch was meticulously swept and gray pots overflowing with red and white flowers graced each side of the red front door The sign above the door simply read Home Everything seemed perfect until the unthinkable happened which forced Anna to come to grips with something she couldn t change Anna Mrs McAfee and the Monroe family return in this third and final book following The Edge of Nowhere and The Edge of Despair where Luke and Anna make decisions that not only impact their future but also of everyone in Lazy Spring and Finley Valley Lazy Spring elects their first mayor who not only wears a big black cowboy hat but also has an attitude just as big while Mrs McAfee welcomes a visit from her niece Tori who has experienced a life changing tragedy And along the way Tori and Anna discover they have something very special in common and together they search for relief from situations that can t change But when Emily Lane shows up in Lazy Spring with two orphan children and Luke Monroe finally steals Anna s heart Anna sets aside her difficulties and focuses on helping not only these orphans but also many more Love hope and restoration abound when faith and commitment overcome the unchangeable     **Living Life Fully** Bill Karelis,2013-01-08 The title refers to a remark Ch gyam Trungpa once made to a too busy student At least you re living life fully This ability to reframe our experience is central to Karelis s carefully structured introduction to the path of awakening aimed at those struggling to free themselves from circumstances that imprison them Meditation Karelis explains doesn t necessarily eliminate those circumstances instead it transforms them into tools for a fully awakened life     *The Edge of Dawn* Melinda Snodgrass,2015-08-04 What do you do when the Earth is under assault from monstrous creatures by alternate dimensions and you re the only person who can wield the weapon that can destroy them That s the situation facing Richard Oort hero of the Melinda Snodgrass s Edge of Dawn Lonely and overwhelmed after a series of terrifying catastrophic global and personal events Richard is still determined to save the world from the horrific Old Ones He goes undercover in a Christian fundamentalist compound playing house with an attractive FBI agent At first this only serves to increase his loneliness missing his real family but against all odds discovers another unique human who can use the paladin s weapon one who

might be able to join him and lighten the burden of responsibility There s only one problem Mosi is a nine year old Navajo girl Their enemies are trying to kill both Richard and Mosi and have already killed Mosi s family To keep her safe Richard becomes her guardian but an error in judgement leads to disaster and betrayal and now the odd pair will need to summon all their strength to survive the coming battle From the American southwest to a secret society in Turkey the paladin and his ward try to stay in front of their enemies but the world is at stake and time is running short *The Edge of Sanity* Chris Thomas,2018-08-20 A new drug will give you your best and last high in this amazing follow up to Enter the Dark Fast paced gruesome and very dark The Book Magnet In a derelict squat the Smart Man watches as the new narcotic developed by his shadowy organisation wreaks havoc on its unsuspecting victims The drug is now ready for sale on their exclusive darknet marketplace Meanwhile former detective Pete Harris had started a new life away from the Cyber Crimes Unit with his daughter and begins to rekindle his relationship with a former colleague Unknown to Pete the retired head of the unit has sought out crime boss Curtis Slater and offered him information for a price With his life seemingly complete Pete s world comes crashing down as he is drawn into Slater s game with fatal consequences He must join forces with his old enemies in a race against time But can Pete save his loved ones from the clutches of Slater the Smart Man and a sinister ringmaster An action packed story Interesting plot threads cleverly woven together with plenty to keep the reader turning the pages Bibliophile Book Club *War at the Edge of the World* Ian James Ross,2022-09-01 A Roman centurion sent to the empire s distant northern edge encounters treachery beyond Hadrian s Wall in this historical epic series debut Roman Britain Fourth Century AD Once a soldier in an elite legion from the Danube newly promoted centurion Aurelius Castus now finds himself stuck in the provincial backwater of Britannia Just beyond Hadrian s Wall are a savage people allied with Rome known as the Picts When their king dies under mysterious circumstances an envoy must be sent to negotiate with their new leader And Castus is selected to command the envoy s bodyguard What starts as a simple diplomatic mission ends in bloody tragedy As Castus and his men fight for their lives the legionnaire discovers that nothing about his doomed mission was ever what it seemed The first book in Ian James Ross s Twilight of Empire series War at the Edge of the World is an exciting debut from an author as gifted at telling a story as he is at bringing the Late Roman Empire to life **Edge of Ruin** Shannon McKenna,2025-09-16 One step ahead of mayhem Ever since my foster mom Lucia s senseless murder my sisters and I are scrambling to solve this deadly mystery before it kills us But Lucia s killer is still after us and with both my sisters now blissfully paired up with their protective new boyfriends I m the obvious soft target So they re sending me off to hide on a flower farm in a primeval Oregon forest I ve been instructed to lay low take it easy work on my sculptures while I am babysat by an old army buddy of my sister Nell s new lover Some guy named Jack who has a large barn studio to rent and who is evidently not going to bug me or interfere with me at all but is also a real badass who can protect me from a killer Right Jack is an Army guy and I famously don t take orders well What could possibly go wrong They should have warned me that Jack

Thompson Jr., 2007-11-19 Most congregations today exist in what George Thompson calls the middle of anywhere They live comfortably with their surrounding culture focusing their energies on serving the needs of their current members These congregations have many strengths and gifts that they can exercise without changing a thing But Thompson envisions a deeper more prophetic call for congregations to explore the meaning of being in the world but not of it a church on the edge of somewhere Thompson sees a church that is deeply

engaged in ministering to the community while calling on others to commit to doing the same By analyzing the interaction between a congregation's focus of identity and their stance with the world Thompson has created a helpful grid for congregations to place themselves on today's cultural map A congregation that sees itself as existing on the margins of society will look different than one that sees itself as embedded in society A congregation that hears a call to serve the surrounding community will look different from one that focuses on its internal needs Knowing where they stand now is the key for congregations to discover where they must go in the future to fully live out their call to be God's people in the world

This Woman in Particular Stephanie Kirkwood Walker, 2010-01-27 What happens when an individual becomes the subject of many and divergent portraits Biography says Stephanie Kirkwood Walker is a deceptive genre Positioned between fact and fiction and elusive in its purposes biography displays an individual life an existence patterned by conventions that have also shaped the reader's experience In This Woman in Particular Walker explores versions of Emily Carr's life that have appeared over the last half century Walker contends that the biographical image of Emily Carr that emerges from an accumulation of biographies films plays and poetry as well as her own autobiographical writing establishes an elaborated cultural artefact an image that is bound by its very nature to remain forever incomplete and always elusive She demonstrates how changes in Carr's biographical image parallel the maturing of Canadian biographical writing reflecting attitudes toward women artists and the shifting balance between religion secular attitudes and contemporary spirituality And she concludes that biography plays a crucial role in all our lives in initiating and sustaining debate on vital personal and collective concerns
