On The Edge Of The Forest M. Desiree, 2011-02-25 After the death of her parents two and a half years ago Olivia Mayor moves to Pinecrossing Wyoming with her sister Christine Idaho has been the only state she knows and she feels like there's truly nothing left for her anymore after she's forced to move to Pinecrossing WY For two and a half years Olivia has submerged herself deeply into a numb state The death of her parents was tragic and she can't accept the fact that they are gone Rather than accept reality she pushes herself as far away from it as possible In denial she submerges herself deeper and deeper into this numb world that she's created for herself However after being in Pinecrossing for several weeks the numb state begins to leave her and she is forced to step back into the world what awaits her is nothing like she thought Many myths are going around the town about the forest According to the legends scary things monsters come out on the night of the full moon Olivia knows for a fact that there is nothing going on in the forest like everyone believes or is there Tempting fate Olivia goes out into the heart of the forest on a night of the full moon What she discovers while there will change her whole thinking She's determined to solve whatever it is that's going on in the forest Along the journey to discovering answers she falls deeply in love with the handsome and very mysterious Mark Walker It does not take Olivia long to realize that he is a part of this mystery too He knows what's going on in the forest on the nights of the full moon but like everyone else he pushes her away Finding comfort in a strange white wolf who always lingers around her home Olivia begins to open up to the wolf giving him her whole heart She doesn't understand what is going on but she promises that she will protect her wolf no matter what This wolf seems to be apart of her life sewed to her even Without him she is positive that she won't be able to breathe But after discovering the truth will she feel the same After Mark suddenly withdraws from her and her world seems like it's crashing down she discovers the truth She discovers what's really going on in her forest She also uncovers the truth of what Mark is On this long journey can Olivia accept the truth of her parents death and heal Can she open up and let someone love her giving her love in return Can she all in all continue on with life even with all the pain and grief that is a constant companion in her life
