Ten years ago Robin Greenfield awoke to the destruction of the industrial food system Since then he has been deeply exploring the food we eat often through immersive activism which led to one of his most burning questions could he step outside of the food system completely and grow and forage 100% of his food In Food Freedom he shares his adventures of living without grocery stores or restaurants Nothing packaged processed or shipped not even multivitamins supplements or spices Within the city of Orlando Florida he turned lawns into abundant gardens with a biodiversity of over 100 plant species He foraged 200 species of plants and mushrooms from nature experimenting with food as his medicine Follow Robin on an emotional journey as he explores Growing and foraging to deepen his connection to local food and establish a relationship of reciprocity with the land The industrial food system that likely brought you today s meal How communities are taking back control of their food and creating food sovereignty How you too can grow your own and forage to gain food freedom The good food revolution is not a lonely path Millions have embarked on the journey and are waiting for you to join them Question your food Uncover the truth Liberate yourself through relationships with our plant community 100% of profits after book distribution are donated to Gardens of Liberation supporting Indigenous and Black led food sovereignty initiatives

Foraging in 2021 Joseph Erickson,2020-11-03 Have you ever wondered if you could eat the mushrooms you see on your hike Do you ever wish you could live off the land a bit more Have you ever wondered what it would be like to forage for your own food If you answered yes to any of these questions then keep reading Our ancestors didn t have Costco or Walmart to shop at when they wanted something to eat They had to forage and hunt for the foods they consumed Contrary to what many people may believe foraging is still a popular thing for some There are some people who live off of the land completely and others simply forage to supplement the food they eat The one thing all foragers have done is learn about wild plants and know how to spot poisonous ones That s what this book is here to do Throughout this book you will learn What it means to

forage How to safely and ethically forage for foods Lists of medicinal and edible plants and where to find them Lists of poisonous plants Recipes for using the plants The best times to forage How to identify plants And much more Foraging is a rewarding and delicious process You ll be amazed to find out how many plants around you can be eaten Dandelions chickweed and purslane are all easily found in most people s yards yet nobody realizes that they could have been eating them all along If you are serious about improving your health and living a more sustaining life then SCROLL UP AND CLICK ADD TO CART
