Edith Kermit Roosevelt Portrait Of A First Lady

Vincent J. Cirillo

Edith Kermit Roosevelt Portrait Of A First Lady:

Edith Kermit Roosevelt Sylvia Morris, 2009-02-19 Edith Kermit Carow grew up in New York City in the same circles as did Theodore Roosevelt But only after TR's first wife died at age twenty two did the childhood friends forge one of the most successful romantic and political partnerships in American history Sylvia Jukes Morris's access to previously unpublished letters and diaries brings to full life her portrait of the Roosevelts and their times During her years as First Lady 1901-09 Edith Kermit Roosevelt dazzled social and political Washington as hostess confidante and mother of six leading her husband to remark Mrs Roosevelt comes a good deal nearer my ideal than I do myself Real Life at the White House John Whitcomb, Claire Whitcomb, 2002 An irresistible chronological overview of daily life in the presidential residence Divided into 42 chapters representing each succeeding administration this survey is brimming with fun facts tantalizing tidbits and memorable anecdotes detailing two centuries of domestic bliss and strife in the White House From George Washington who chose the sight and initiated work on the presidential mansion to Bill Clinton whose well documented White House escapades titillated and scandalized the nation each individual president has contributed to the mystique of the most readily recognized home in the U S Together with scores of drawings portraits and photographs the breezy text chronicles the significant physical social and emotional changes wrought by each First Family as they sought to personalize daily life in the White House The Loves of Theodore Roosevelt Edward F. O'Keefe, 2025-05-06 An elegant and illuminating Jon Meacham family love story revealing how an icon of rugged American masculinity was profoundly shaped by the women in his life especially his mother sisters and wives Theodore Roosevelt wrote in his senior thesis for Harvard in 1880 that women ought to be paid equal to men and have the option of keeping their maiden names upon marriage It's little surprise he'd be a feminist given the women he grew up with His mother Mittie was witty and decisive a Southern belle raising four young children in New York while her husband spent long stretches away with the Union Army Theodore's college sweetheart and first wife Alice so vivacious she was known as Sunshine steered her beau away from science he'd roam campus with taxidermy specimens in his pockets and towards politics Older sister Bamie would soon become her brother's key political strategist and advisor journalists called her Washington DC home the Little White House Younger sister Conie served as her brother's press secretary before the role existed slipping stories of his heroics in Cuba and his rambunctious home life to reporters to create the legend of the Rough Rider we remember today And Edith Theodore's childhood playmate and second wife would elevate the role of presidential spouse to an American institution curating both the White House and her husband's legacy A graceful and powerful book Candice Millard filled with meticulous research and perceptive insights The New York Times The Loves of Theodore Roosevelt celebrates these five extraordinary yet unsung women who opened the door to the American Century and pushed Theodore Roosevelt through it **America's First Ladies** Nancy Hendricks, 2015-10-13 Meet the First Ladies of the United States sometimes inspiring sometimes tragic always fascinating women who though often unsung helped hold the

nation together in its infancy and advance it as a world power More than simply serving as America s hostesses many of the nation s First Ladies played vital roles in shaping their husband s presidency and serving as political activists in their own right From Martha Washington to Michelle Obama their inspiring stories come alive in this handsomely illustrated encyclopedia Within its pages the First Ladies are revealed as human beings who one day awoke to find the eyes of the world upon them The book differs from others by showcasing America s First Ladies in their own words as flesh and blood individuals Readers will discover which First Lady held off Napoleon s army with a toy sword why women had to be pale frail and ailing and which First Lady was called Sunshine and which was Hellcat Each entry includes a biographical essay that details the life of the woman and places her within the political social and cultural context of her time Each also offers a related primary document that helps define the First Lady s legacy as well as a short bibliography for further information Written in a lively compelling style this highly readable volume is perfect for junior high high school and college students as well as the general public

Women in Long Island's Past Natalie A. Naylor, 2012-10-23 Women have been part of Long Island s past for thousands of years but are nearly invisible in the records and history books From pioneering doctors to dazzling aviatrixes author Natalie A Naylor brings these larger than life but little known heroines out of the lost pages of island history Anna Symmes Harrison Julia Gardiner Tyler Edith Kermit Roosevelt and Eleanor Roosevelt all served as first lady of the United States and all had Long Island roots Beloved children s author Frances Hodgson Burnett wrote *The Secret Garden* here and hundreds of local suffragists fought for their right to vote in the early twentieth century Discover these and other stories of the remarkable women of Long Island

[Media Relations and the Modern First Lady](#) Lisa M. Burns, 2020-02-06 Media Relations and the Modern First Lady From Jacqueline Kennedy to Melania Trump examines the communication strategies first ladies and their teams have used to manage press and public interest in their private lives to promote causes close to their hearts and to shape their public image Starting with Jacqueline Kennedy who was the first to have a staffer with the title press secretary each chapter explores the relationship between a first lady and the media the role played by her press secretary and communication staff in cultivating this relationship and the first lady s media coverage Contributors exploring the following questions How effective were the media relations and communication strategies of this first lady and her team What worked and what did not Was the first lady a communication asset to her husband s administration And what can we learn from their media relations strategies Along with contributing to the scholarship on presidential spouses the contributions to this volume also highlight the important role media relations plays in strategic political communication Scholars of communication media studies gender and women s studies political science and public relations will find this book particularly useful

Modern First Ladies Nancy Kegan Smith, Mary C. Ryan, 1989

[A Companion to First Ladies](#) Katherine A.S. Sibley, 2016-03-02 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama providing the first historiographical overview of these

important women in U S history Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century Explores the impact of these women not only on White House responsibilities but on elections presidential policies social causes and in shaping their husbands legacies Brings the First Ladies into crisp historiographical focus assessing how these women and their contributions have been perceived both in popular literature and scholarly debate Provides concise biographical treatments for each First Lady *The Roosevelt Women* Betty Boyd Caroli, 2018-02-27 The Roosevelt name conjures up images of powerful Presidents and dashing men of high society But few people know much about the extraordinary network of women that held the Roosevelt clan together through war scandal and disease In *The Roosevelt Women* Betty Boyd Caroli weaves together stories culled from a rich store of letters memoirs and interviews to chronicle nine extraordinary Roosevelt women across a century and a half of turbulent history She examines the Roosevelt women as mothers daughters wives and beyond that as world travelers authors campaigners and socialites in short as themselves She reveals how they demonstrated the energy and intellectual curiosity that defined their famous family as well as the roles they played in the intrigues scandals and accomplishments that were hallmarks of the Roosevelt clan From the much maligned Sara Delano who sired Franklin and by turns terrified and supported Eleanor to Theodore s irrepressible daughter Alice I can either rule the country or control Alice Teddy once said to the beloved Bamie who was the only mother Alice ever knew and the model of everything she never was in life to the exceptionally beautiful but ultimately overwhelmed Mittie Theodore s mother *The Roosevelt Women* is an intricate portrait of bold and talented women a grand tale of both unbearable tragedies and triumphant achievements *Bullets and Bacilli* Vincent J. Cirillo, 2004 This work focuses primarily on military medicine during this conflict Historian Vincent J Cirillo argues that there is a universal element of military culture that stifles medical progress This war gave army medical officers an opportunity to introduce to the battlefield new medical technology including the X ray aseptic surgery and sanitary systems derived from the germ theory With few exceptions however their recommendations were ignored almost completely **The Health of the First Ladies** Ludwig M. Deppisch, M.D., 2015-01-28 This first comprehensive study of the medical histories of America s first ladies from Martha Washington to Michelle Obama discusses their illnesses their treatments and their physicians in the context of their times As the categories of illness afflicting Americans have changed through history so have the kinds of maladies affecting the first ladies Infectious diseases and the consequences of poorly supervised pregnancies have been replaced by cerebrovascular accidents and malignancies The secrecy with which the White House has traditionally handled inquiries about the health of the president s wife is explored in detail however several first ladies notably Betty Ford have been transparent about their illnesses in order to educate the public The effects of a first lady s responsibilities on her health is examined This book also seeks to discern how the well being of the first lady influences presidential performance **The President Is Dead!** Louis L. Picone, 2020-02-04 Updated Edition A fun anecdote filled encyclopedic look at the circumstances surrounding the deaths of

every president and a few almost presidents such as Jefferson Davis Packed with fun facts and presidential trivia The President Is Dead tells you everything you could possibly want to know about how our presidents from George Washington to George H W Bush who was the most recent president to die met their ends the circumstances of their deaths the pomp of their funerals and their public afterlives including stories of attempted grave robberies reinterments vandalism conspiracy theories surrounding their deaths and much more The President Is Dead is filled with never before told stories including a suggestion by one prominent physician to resurrect George Washington from death by transfusing his body with lamb s blood You may have heard of a plot to rob Abraham Lincoln s body from its grave site but did you know that there was also attempts to steal Benjamin Harrison s and Andrew Jackson s remains The book also includes Critical Death Information which prefaces each chapter and a complete visitor s guide to each grave site and death related historical landmark An Almost Presidents section includes chapters on John Hanson first president under the Articles of Confederation Sam Houston former president of the Republic of Texas David Rice Atchison president for a day and Jefferson Davis Exhaustively researched The President Is Dead is richly layered with colorful facts and entertaining stories about how the presidents have passed Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Nature's**

Noblemen Monica Rico,2013-07-16 DIV In this fascinating book Monica Rico explores the myth of the American West in the nineteenth century as a place for men to assert their masculinity by roughing it in the wilderness and reveals how this myth played out in a transatlantic context Rico uncovers the networks of elite men British and American who circulated between the West and the metropolises of London and New York Each chapter tells the story of an individual who by traveling these transatlantic paths sought to resolve anxieties about class gender and empire in an era of profound economic and social transformation All of the men Rico discusses from the well known including Theodore Roosevelt and Buffalo Bill Cody to the comparatively obscure such as English cattle rancher Moreton Frewen envisioned the American West as a global space into which redemptive narratives of heroic upper class masculinity could be written div *Never Call Retreat* J.

Thompson,2014-01-15 The first modern account of Theodore Roosevelt and the First World War this is a tale of war and politics as well as the private story of true love and family devotion a story as multi faceted as TR s own personality **The Games Presidents Play** John Sayle Watterson,2021-04-27 This look at the connections between sportsmanship and statesmanship introduces an intriguing way of evaluating presidential fitness for office Richmond Times Dispatch Whether throwing out the first pitch of the baseball season fishing for trout or cheating at golf American presidents through history

have had connections to the world of sports in many ways This book explores how various commanders in chief worked and played and how their athletic activities reflected their political identities The author considers George Washington whose athleticism contributed to his success on the battlefield and perhaps to the birth of the republic He moves into the nineteenth century when frontier sports were part of the formative years of Jackson Lincoln and Cleveland With twentieth century presidents most notably the hyperactive headline grabbing Teddy Roosevelt he shows how the growth of mass media and transportation transformed presidential sports into both a form of recreation and a means of establishing a positive image Exploring everything from FDR s fight to restore his polio ravaged body to Eisenhower s obsessive love affair with golf to Nixon s enthusiasm for football this book uses sports to open a window onto the presidency and the nation s culture as well as the strengths weaknesses and personalities of America s leaders Watterson s history rises above trivia in its attention to the political ramifications of presidents sports while also being a consistently entertaining trove of lore and as the author puts it just weird stuff such as John Q Adams granting an interview while skinny dipping A wry and perceptive work Booklist An enjoyable study of politics and culture Publishers Weekly Will appeal to history buffs and sports fans alike Library Journal

In Gatsby's Shadow Larry Haeg, 2004-10-01 In the closing decades of the nineteenth century Minnesota produced three young men of great talent who each went east to become writers Two of them became famous F Scott Fitzgerald and Sinclair Lewis This is the story of the third man Charles Macomb Flandrau Flandrau a model of style and worldly sophistication and destined almost everyone agreed for greatness was among the most talented young writers of his generation His short stories about Harvard in the 1890s were called the first realistic description of undergraduate life in American colleges and sold out of the first printing in a few weeks From 1899 to 1902 Flandrau was among the most popular contributors to the Saturday Evening Post Alexander Woollcott rated him the best essayist in America And Viva Mexico Flandrau s account of life on a Mexican coffee plantation is a classic perhaps the best travel book ever written by an American Yet Flandrau turned his back on it all Financially independent he chose a solitary epicurean life in St Paul Mexico Majorca Paris and Normandy In later years he confined his writing to local newspaper pieces and letters to his small circle of family and friends Using excerpts from these newspaper columns and unpublished letters Larry Haeg has painstakingly recreated the story of this urbane talented witty lazy enigmatic supremely private man who never reached the peak of literary success to which his talent might have taken him This very readable biography provides a detailed and honest portrayal of Flandrau and his times It will fascinate readers interested in writers life stories and scholars of American literature as well as general readers interested in midwestern literary history **Theodore Rex** Edmund Morris, 2010-11-24 NEW YORK TIMES BESTSELLER A shining portrait of a presciently modern political genius maneuvering in a gilded age of wealth optimism excess and American global ascension San Francisco Chronicle WINNER OF THE LOS ANGELES TIMES BOOK PRIZE FOR BIOGRAPHY Theodore Rex is one of the great histories of the American presidency worthy of being on a shelf alongside Henry Adams s

volumes on Jefferson and Madison Times Literary Supplement Theodore Rex is the story never fully told before of Theodore Roosevelt's two world changing terms as President of the United States A hundred years before the catastrophe of September 11 2001 TR succeeded to power in the aftermath of an act of terrorism Youngest of all our chief executives he rallied a stricken nation with his superhuman energy charm and political skills He proceeded to combat the problems of race and labor relations and trust control while making the Panama Canal possible and winning the Nobel Peace Prize But his most historic achievement remains his creation of a national conservation policy and his monument millions of acres of protected parks and forest Theodore Rex ends with TR leaving office still only fifty years old his future reputation secure as one of our greatest presidents

The Senator and the Sharecropper's Son John Downing Weaver,1997 Weaver's narrative explores these tangled lives against the background of the color line which W E B Du Bois defined in 1903 as the problem of the twentieth century

The Rough Rider and the Professor Laurence Jurdem,2023-07-04 Evoking the political intrigue of the Gilded Age The Rough Rider and the Professor chronicles the extraordinary thirty five year friendship between President Theodore Roosevelt and Senator Henry Cabot Lodge of Massachusetts Theodore Roosevelt was a uniquely gifted figure A man of great intellect and physicality the New York patrician captured the imagination of the American people with his engaging personality and determination to give all citizens regardless of race color or creed the opportunity to achieve the American dream While Roosevelt employed his abilities to rise from unknown New York legislator to become the youngest man ever to assume the presidency in 1901 that rapid success would not have occurred without the assistance of the powerful New Englander Henry Cabot Lodge Eight years older than Roosevelt from a prominent Massachusetts family Lodge was one of the most calculating combative politicians of his age From 1884 to 1919 Lodge and Roosevelt encouraged one another to mine the greatness that lay within each of them As both men climbed the ladders of power Lodge focused on dominating the political landscape of Massachusetts served as the future president's confidant and mentor advising him on political strategy while helping him obtain positions in government that would eventually lead to the White House Despite the love and respect that existed between the two men their relationship eventually came under strain Following Roosevelt's ascension to the presidency T R's desire to expand the social safety net while attempting to broaden the appeal of the Republican Party clashed with his older friend's more conservative partisan point of view Those tensions finally culminated in 1912 Lodge's refusal to support the former president's independent bid for a third presidential term led to a political break up that was only repaired by each man's hatred for the policies of Woodrow Wilson Despite their political disagreements Theodore Roosevelt and Henry Cabot Lodge remained devoted friends until the Rough Rider took his final breath on January 6 1919

The River of Doubt Candice Millard,2009-12-16 NATIONAL BESTSELLER At once an incredible adventure narrative and a penetrating biographical portrait the bestselling author of River of the Gods brings us the true story of Theodore Roosevelt's harrowing exploration of one of the most dangerous rivers on earth A rich dramatic tale that ranges

from the personal to the literally earth shaking The New York Times The River of Doubt it is a black uncharted tributary of the Amazon that snakes through one of the most treacherous jungles in the world Indians armed with poison tipped arrows haunt its shadows piranhas glide through its waters boulder strewn rapids turn the river into a roiling cauldron After his humiliating election defeat in 1912 Roosevelt set his sights on the most punishing physical challenge he could find the first descent of an unmapped rapids choked tributary of the Amazon Together with his son Kermit and Brazil's most famous explorer Cândido Mariano da Silva Rondon Roosevelt accomplished a feat so great that many at the time refused to believe it In the process he changed the map of the western hemisphere forever Along the way Roosevelt and his men faced an unbelievable series of hardships losing their canoes and supplies to punishing whitewater rapids and enduring starvation Indian attack disease drowning and a murder within their own ranks Three men died and Roosevelt was brought to the brink of suicide The River of Doubt brings alive these extraordinary events in a powerful nonfiction narrative thriller that happens to feature one of the most famous Americans who ever lived From the soaring beauty of the Amazon rain forest to the darkest night of Theodore Roosevelt's life here is Candice Millard's dazzling debut Look for Candice Millard's latest book River of the Gods
