The Great Recreation Daniel Bryant, 2008 The poetry of the Ming dynasty has been relatively neglected in scholarship of the past century and the Archaist poets of the middle Ming especially so This book attempts to redress this neglect by presenting by far the most detailed treatment available in any language of the life milieu and work of Ho Ching ming 1483 1521 While Ho s participation in the Archaist circle of Li Meng yang in his youth is confirmed the later development of his ideas is shown to move toward a stance usually thought more representative of the following century The book also argues that May Fourth accounts of the pre modern literary tradition are seriously flawed and require replacement **The Cult of St Swithun** Michael Lapidge, 2025-04-03 Following the translation of his relics from a conspicuous tomb into the Old Minster Winchester the massive rebuilding of the cathedral and a vigorous publicity campaign by Bishop Aethelwold 963 84 St Swithun became one of the most popular and important English saints whose cult was widespread in England Ireland Scandinavia and France **Medicine in China** Paul Ulrich Unschuld, 1986 Unschuld provides a description and analysis of the contents and structure of traditional Chinese pharmaceutical literature Unschuld has selected some one hundred titles in this far reaching study **Chinese Legal Tradition Under the Mongols** Paul Heng-chao Ch'en, 2015-03-08 The evolution of China s legal tradition was one of the most striking aspects of the transformation of Chinese civilization under Mongolian domination Paul Ch en s exploration of the legal system of the Yuan dynasty 1271 1368 and its first substantial legal code the Chih yuan hsin ko or Chih yiian New Code provides a key to our understanding of the impact of the Mongols on traditional Chinese law and society Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Grand Scribe's Records* Qian Sima, 1994 This project will result in the first complete translation of the Shih chi The Grand Scribe s Records one of the most important narratives in traditional China Ssu ma Ch ien 145 c 86 B C who compiled the work is known as the Herodotus of China Publisher **Chinese Women in the Imperial Past** Harriet Zurndorfer, 2022-08-22 The present volume is the result of a Leiden University workshop on women in imperial China by a group of international scholars In recent years Chinese women and gender studies have attracted more and more attention and this book is one of the first efforts to focus on major aspects of this subject It covers a wide range of topics and disciplines including bibliography demography history legal studies literature history of medicine and philosophy Chinese Women in the Imperial Past can rightly be seen as connected with the new Brill journal NAN N Men Women and Gender in Early and Imperial China which was founded to provide the scholarly community with a lasting forum in which the subject of

Plaks, 2025-03-11 A reinterpretation of some of the great works of Chinese fiction of the late Ming dynasty In this book Andrew Plaks reinterprets the great texts of Chinese fiction known as the Four Masterworks of the Ming Novel *ssu ta ch' i shu* Arguing that these are far more than collections of popular narratives Plaks shows that their fullest critical revisions represent a sophisticated new genre of Chinese prose fiction arising in the late Ming dynasty especially in the sixteenth
