Editors, Publishers and Newspaper Ethics Philip Meyer,1983 Newspaper Ethics in the New Century Philip Meyer,2006 As newspaper readership declines and journalistic resources are depleted new kinds of pressures on journalistic ethics are created But this 2005 replication of a 1982 study of newspaper ethics shows that editors and staff members are holding on to their values Editorial autonomy has improved publisher infringement on news coverage has declined and there is less influence from advertisers today As journalism slowly migrates to new electronic platforms this empirical study of current practices and values provides a benchmark against which future performance can be judged The Bulletin of the American Society of Newspaper Editors American Society of Newspaper Editors,1983 **Hearings, Reports and Prints of the House Committee on Banking, Currency, and Housing** United States. he invited the reporters to a private reception at the Cuban Embassy in Washington where he presented them with engraved gold medals While the medals revealed Castro s perception of the correspondents as like minded partisans the journalists themselves had no such intentions Some had journeyed to Cuba in pursuit of scoops that could rejuvenate or jump start their careers others sought to promote press freedom in Latin America still others were simply carrying out assignments from their editors Bringing to light the disparate motives and experiences of the thirteen journalists who reported on this crucial period in Cuba s history Reporting the Cuban Revolution is both a masterwork of narrative nonfiction and a deft analysis of the tension between propaganda and objectivity in the work of American foreign correspondents Communication Yearbook 26 William B.
