Educating Faith An Approach To Christian Formation:

Educating Faith Joyce Edith Bellous, 2005-08-01 In *Educating Faith* Dr Joyce Bellous describes an education that encourages people to make authentic connections with scripture Christian culture and tradition so that they think critically at the same time they learn to follow God

Planning for Christian Education Formation Israel Galindo, Marty Canaday, 2010-03-01 This book was written to help congregational leaders clergy staff and laypersons plan and organize a Christian education ministry from the approach of Christian formation in a community of faith context This book provides a model for organizing the Christian education leadership committee or team of the church demonstrates how to use the church year as a framework for planning the Christian education ministry of the church and gives a model for assessing the effectiveness of the educational ministry of the church and a process to help congregations move toward the Christian Education Formation approach

Teaching for Spiritual Formation Kyle R. Hughes, 2022-01-06 In *Teaching for Spiritual Formation* church historian and experienced Christian educator Kyle R Hughes advances a fresh vision of Christian teaching and learning by drawing upon the riches of the Christian tradition synthesizing the wisdom of the early church fathers with contemporary efforts to cultivate a distinctively Christian approach to education Of interest to a wide range of Christian educators this book examines how the writings of five significant church fathers can illuminate our understanding of the vocation of teachers the nature of students the purpose of curriculum decisions about pedagogy and how spiritual formation works Besides reimagining these aspects of Christian education Hughes also offers habits and practices that can help bring this vision of Christian teaching and learning to life challenging Christian educators to sharpen their approach to the integration of faith and learning in practical and accessible ways

Christian Faith, Formation and Education Ros Stuart-Buttle, John Shortt, 2017-11-13 This book discusses the relationship between faith formation and education Rooted in a variety of discourses the book offers original insights into the education and formation of the human person both theoretical and practical Issues are considered within a context of contemporary tensions generated by an increasingly pluralist society with antipathy to religious faith and debated from interdenominational Christian perspectives Including chapters by an international team of experts the volume demonstrates how Christian faith holds significance for educational practice and human development It argues against the common assumption that there can be a neutral approach to education whilst at the same time advocating a critical dimension to faith education It brings fresh thinking about faith and formation which demands attention given the fast changing political educational and socio cultural forces of today It will appeal to students and researchers involved in Christian educational practice

Learning in the Way Jeff Astley, 2000 Adult Christian learning is central to the life of the Christian church and is essential for its health outreach and very survival Leading Christian educators here apply the principles of Christian education to adult learning in the churches and present the results and methods of empirical research relevant to the church s ministry of adult Christian education This book will be of interest

to all who are concerned for the ways in which adults learn to be Christian The editor Jeff Astley is Director of the North of England Institute for Christian Education and Honorary Professorial Fellow in Practical Theology and Christian Education in the University of Durham *Christian Education Teaching Methods - From Modern to Postmodern* Carlos C. Roberts,2009-11 This book provides pastors professional teachers students of religious education or Christian education theological students and Sunday school teachers with methods of teaching the faith today and opportunities to reflect critically on the methods and approaches they use in the classroom in the changed cultural context of our postmodern world The book is the result of years of practical experience in the field of Christian education as a Director of Religious Education and head of a team involved in providing religious education training and producing teaching materials and textbooks for Sunday school and professional teachers of Christian education This book proposes the Herald model of church and model of Christian education as a very helpful model for postmodern culture *Reimagining Christian Education* Johannes M. Luetz,Tony Dowden,Beverley Norsworthy,2018-07-04 This book is an arresting interdisciplinary publication on Christian education comprising works by leading scholars professionals and practitioners from around the globe It focuses on the integrated approaches to Christian education that are both theoretically sound and practically beneficial and identifies innovative pedagogical methods and tools that have been field tested and practice approved It discusses topics such as exploring programmes and courses through different lenses learning challenges and opportunities within organisational management theology of business Christian models of teaching in different contexts job preparedness developing different interpretive or meaning making frameworks for working with social justice people with disability non profit community organisations and in developing country contexts It offers graduate students teachers school administrators organisational leaders theologians researchers and education practitioners a fresh and inspiring reimagining of Christian education perspectives and practices and the ramifications of their application to life long learning **Encyclopedia of Christian Education** George Thomas Kurian,Mark A. Lamport,2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women s education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors TheEncyclopedia of Christian Education contains more than

1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church s founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian educationBiblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education Basics of Christian Education Karen Tye,2000-01-01 Congregations are always struggling with what quality Christian education is and how to build and maintain it In this concise and easy to use guide Karen Tye offers practical help addressing the vital areas that need attention when planning for and building a Christian education program Questions and exercises at the end of each chapter help pastors Christian educators seminary students and laity apply the information to their own unique setting building on the basics to renew and transform Christian education Practicing Christian Education Mark A. Maddix,James Riley Jr. Estep,2017-07-18 This accessible introduction to the broad scope of Christian education focuses on its practice in the local church Two leading experts argue that Christian education encompasses all of the intentional practices of the local church including worship mission sacraments and teaching They explore Christian education not only as a field of study but as a vital congregational ministry showing how congregations can engage in discipleship and formation for spiritual growth The book features exercises and other pedagogical devices and includes reflection questions and suggestions for further reading The Educational Ministry of a Church, Second Edition J.
