Lincoln the melancholy function his Inaugural Ball But most of all Adams book is a brilliant account of how his own sensibility came to be A literary landmark from the moment it first appeared the autobiography confers upon its author precisely that prize he felt had always eluded him success This Pulitzer Prize winner is considered by many to be one of the three greatest autoboigraphies ever written the other two being Benjamin Franklin s and Jean Jacques Rosseau s Published shortly after the author s death in 1918 The Education of Henry Adams is a brilliant idiosyncratic blend of autobiography and history that charts the great transformation in American life during the 19th and early 20th centuries **The Education of Henry**

The Book of Esther and the Typology of Female Transfiguration in American Literature Ariel Clark Silver, 2017-11-30 The enduring search for female salvation in American literature is first expressed through typology an interpretive framework that pairs type with antitype historical scriptural promise with future spiritual fulfillment When Cotton Mather invokes the typos of Esther in *Ornaments of the Daughters of Zion* a Puritan conduct book he offers a female type of divine wisdom authority and force In the biblical Book of Esther Esther acts as a female type of wisdom and redemption but her story also engages the larger history of Hebrew salvation In nineteenth century America Margaret Fuller seeks to extend the spiritual claims once made by Mather and establish the role of the divine female in the salvation of American culture and society Fuller supplants the type of male sacrifice with a type of female transfiguration in works such as *Woman in the Nineteenth Century* Nathaniel Hawthorne then transforms these iconoclastic ideals into literary life by engaging the multi faceted figure of Esther as a typos of female redemption and salvation in *Legends of the Province House* *The Scarlet Letter* *The Blithedale Romance* and *The Marble Faun* Through his female characters Esther Dudley Hester Prynne Zenobia and Miriam he seeks to fulfill the divine destiny of the American woman Hawthorne discovers however that female redemption is followed by revenge as Esther turns from saving her people to ensuring an end to their oppression When Henry Adams later revives Esther Dudley in his novel *Esther* he rejects male redemption for the American woman In *Democracy* *Esther* Mont Saint Michel and *The Education of Henry Adams* Adams envisions an independent eternal woman who can rival the political scientific artistic and theological power of men The movement from male to female salvation is achieved when the terms of female redemption are transformed and the American woman is established as her own source of divine wisdom power retribution and force The typology of female transfiguration in America is fulfilled by Fuller Hawthorne and Adams through the promise extended by the type of Esther
