Young Woman on the Shore, 1896 (detail)
© Museum of Art, Toronto/Artforum Images
"The sea - it is an incomprehensible existence..."
A heartbreakingly beautiful image, and one that brings home how absolutely alone we are in the universe.
What is this mysterious maiden, and why does she stand there so forlorn? We may come to this picture in search of a love story but we stay for the wider significance of what is actually just one in a series of paintings called The Lonely Ones.
