Wolfgang Elfe, James N. Hardin, 1988 Contains alphabetically arranged essays that provide biographical and critical information about significant contemporary German fiction writers each with a list of principal works and a bibliography

**Hermeneutics in Romans** Timo Laato, Bror Erickson, Kristina Odom, Leslie Odom, 2021-06-08 And behold a lawyer stood up to put him to the test saying Teacher what shall I do to inherit eternal life He said to him What is written in the Law How do you read it Luke 10 25 26 Eternal life is found within the pages of Holy Scripture both in the Old Testament Torah referred to as the Law in this exchange between Jesus and the lawyer and in the New Testament written in the wake of Christ's resurrection But as Jesus points out it matters how you read Holy Scripture and this is where the art of hermeneutics the study of interpretation makes its entrance In Hermeneutics in Romans Dr Timo Laato returns to the old Lutheran maxim that scripture interprets scripture Usually this maxim meant that portions of scripture that were clear should be used to shed light on portions of scripture that are unclear Dr Laato takes it even one step further He turns to Romans to study the hermeneutical principles that Paul used to interpret the Old Testament in that epistle This results in a dynamic view of the Bible rescuing hermeneutics from the dead atheistic presumptions that have governed academic hermeneutical research since Kant Not only does Dr Laato's approach make immanent sense on the face of it it breathes life into the study of scripture and delivers eternal life to the reader in Jesus Christ who proves to be the ultimate hermeneutical key

**Journal of Polish Entomological Society** ,1980 **Dining Posture in Ancient Rome** Matthew B. Roller,2017-11-21 What was really going on at Roman banquets In this lively new book veteran Romanist Matthew Roller looks at a little explored feature of Roman culture dining posture In ancient Rome where dining was an indicator of social position as well as an extended social occasion dining posture offered a telling window into the day to day lives of the city s inhabitants This book investigates the meaning and importance of the three principal dining postures reclining sitting and standing in the period 200 B C 200 A D It explores the social values and distinctions associated with each of the postures and with the diners who assumed them Roller shows that dining posture was entangled with a variety of pressing social issues such as gender roles and relations sexual values rites of passage and distinctions among the slave freed and freeborn conditions Timely in light of the recent upsurge of interest in Roman dining this book is equally concerned with the history of the body and of bodily practices in social contexts Roller gathers evidence for these practices and their associated values not only from elite literary texts but also from subelite visual representations specifically funerary monuments from the city of Rome and wall paintings of dining scenes from Pompeii Engagingly written Dining Posture in Ancient Rome will appeal not only to the

classics scholar but also to anyone interested in how life was lived in the Eternal City     [Der Goldschatz der Azoren](#)
