## **Eisenhower The Man And The Symbol:**

*Eisenhower. The Man and the Symbol. [With a Portrait.].* John GUNTHER (the Elder.), Dwight David EISENHOWER (President of the United States of America.), 1952      Eisenhower, the man and the symbol, by john gunther John Gunther,

**Eisenhower** John Gunther (Journalist), 1952      *Every Army Man Is with You* Nicolaus Mills, 2014-11-13 For Army's players their 1964 football game against a Navy team led by its Heisman Trophy winning quarterback Roger Staubach was a do or die battle Army had lost to Navy five years in a row This time a stunning victory by Army changed the Cadets fortunes and made headlines across the country With five of its starters playing offense and defense Army rallied to an 11-8 triumph The win was the beginning of an even greater challenge for West Point's players Soon they were in Vietnam fighting a war that did not end as they or America expected In *Every Army Man Is with You* Nicolaus Mills tells the story of that unforgettable Army team by focusing on the lives of seven of its players as they go from the football field to the Vietnam battlefield and back again to the States Mills sheds light not just on what that the players experiences meant to them personally but on what their experiences say about the ways the Vietnam era shaped our nation      **Eisenhower's Heart**

**Attack** Clarence G. Lasby, 1997 Previous Eisenhower biographers have touched on his heart condition but Clarence Lasby is the first to examine the impact of the president's health on the nation He offers a dramatic revisionist account of the events surrounding the president's 1955 heart attack and subsequent efforts by the president and his staff to minimize its political impact Drawing on newly opened medical records and personal papers of Eisenhower's physicians Lasby challenges virtually everything we have believed about the president's heart attack Most disturbingly he has discovered that the president's personal physician Dr Howard Snyder misdiagnosed the attack as a gastrointestinal problem and waited ten hours before sending Eisenhower to the hospital Lasby also sets the record straight on how the president and his aides managed the public's understanding of events and he offers evidence that Eisenhower Dr Snyder and press secretary James Hagerty withheld and recast information to serve the president's political priorities Equally important Lasby's book offers a touching portrait of a proud man faced with a debilitating disease It examines Ike's private struggle to lead a full life despite his condition and analyzes his decision to seek a second term even against the advice of cardiologist Paul Dudley White It also shows how a man who had always carefully joked after his health now became obsessed with it      **Eisenhower** John

Gunther, 1952 Here are the facts behind the human intimate story of a hard working soldier Here are the reasons for Eisenhower's refusal to enter politics in 1948 his reasons for becoming president of Columbia University and an appraisal of his qualifications for the presidency of this country The author describes the routine and personnel of SHAPE Eisenhower's headquarters      *Ike the Soldier* Merle Miller, 2018-04-24 From the bestselling author of *Plain Speaking* and *Lyndon* comes this vivid and consistently absorbing record of Dwight D Eisenhower's military career Kirkus Reviews Bringing together thousands of hours of interviews with the men and women who were closest to him Merle Miller has constructed a revealing

and personal biography of the man who would become the supreme commander From his childhood in Kansas to West Point World War I and Europe where he led the Allied Forces to a hard won victory in World War II Ike the Soldier goes behind the historic battles and into the heart and mind of Ike Eisenhower Miller has crafted the defining biography on the life of the thirty fourth president bringing more depth to the man many thought they knew His strained relationships with his father brothers and son are brought into focus as well as his love affair with his wife Mamie and his relationship with Kay Summersby his driver turned companion and confidante during WWII An informed and balanced tribute to a world class leader whose remarkable character gains greater luster with the passage of time Kirkus Reviews This is a highly enjoyable look at Ike s personal and official relationships with the people most important to him during the first 55 years of his life including family Army and Allied colleagues and heads of state Publishers Weekly No Equal In The World Joseph N. Crowley,1994-06-01 No Equal in the World is a comprehensive study of the literature on the American academic presidency from the middle of the nineteenth century when the first universities as distinct from colleges began to emerge to the present The book surveys widely divergent literature on the biographies of major presidents at crucial moments in the history of their institutions The book affords an overview of the development of both the role of the university president and the public s perception of that role and indicates where perception and reality diverge At a time when university presidents must find their way through a minefield of increasingly heated debates over issues such as free speech curriculum faculty diversity and the specter of political correctness Crowley s book provides a sense of history to those striving to understand the demands of the position It is an invaluable resource for scholars

**University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Subjects** University of California (System). Institute of Library Research,University of California, Berkeley,1972 Congressional Record United States. Congress,1990 Dwight D. Eisenhower, Hero and Politician Robert Fredrick Burk,1986 Traces Eisenhower s life from his rural Kansas childhood through his rise to power **Eisenhower** Stephen E. Ambrose,2014-03-18 Stephen E Ambrose draws upon extensive sources an unprecedented degree of scholarship and numerous interviews with Eisenhower himself to offer the fullest richest most objective rendering yet of the soldier who became president He gives us a masterly account of the European war theater and Eisenhower s magnificent leadership as Allied Supreme Commander Ambrose s recounting of Eisenhower s presidency the first of the Cold War brings to life a man and a country struggling with issues as diverse as civil rights atomic weapons communism and a new global role Along the way Ambrose follows the 34th President s relations with the people closest to him most of all Mamie his son John and Kay Summersby as well as Franklin D Roosevelt Winston Churchill Charles de Gaulle Harry Truman Nixon Dulles Khrushchev Joe McCarthy and indeed all the American and world leaders of his time This superb interpretation of Eisenhower s life confirms Stephen Ambrose s position as one of our finest historians
