Gardens of Deprivation Amnon Levy, 2023-07-21 The first four decades of my life were spent in a small country that was nested in a hostile and unstable old region Israel I strongly felt enjoyed and participated in the revival of that country and experienced the uneasy reintegration of the returning descendants of Abraham Issac and Jacob from the four corners of the world I have felt the pain of the less happy residents of that reviving country In particular I

have felt the hardship of the Mizrahi Israelis the Jewish returnees and refugees from Arab countries I have wished to live in a world that is not divided by religion ethnicity and skin colour As there is no such world I embraced the second best the remote sparsely populated southern continent that has provided a home to convicts and refugees from the old world I arrived in that continent Australia at almost forty years of age with an already developed strong sensitivity to ethnic based social injustices My tales from my land of origin and from my land of choice record interwoven personal and national memoirs of ethnically based inequalities and injustices I wrote those tales with a hope that they will make a contribution to the moderation of the intensity of such social problems The colour of my tales is brown the typical colour of the skin of the Mizrahi Israelis and the colour of many members of the minority ethnic groups that live in Australia *The Routledge Handbook of Poverty in the Global South* Rajendra Baikady, John Gal, Varoshini Nadesan, Sajid S.M., Gao Jianguo, 2023-12-01 This handbook initiates fresh debates on poverty and its impact in a constantly changing Global South society It studies the concept theories and causes of poverty as well as the design and delivery of social welfare policies related to specific groups such as women children and the elderly The chapters are theoretical evidence based and empirical in nature and bring together a holistic understanding of social problems and issues in developing countries The volume brings together researchers educators and practitioners from across the globe to develop a hands on reference work that will be requisite for several social science disciplines concerned with poverty and the welfare of poor people The first of its kind the handbook will be indispensable for scholars and researchers of development studies economics social work political studies poverty studies population and demographic studies sociology social anthropology public policy and political economy especially those concerned with the Global South *AI and IoT: Driving Business Success and Sustainability in the Digital Age* Bahaa Awwad, 2025-09-26 This book embarks on a transformative journey that explores the powerful convergence of artificial intelligence AI Internet of Things IoT and business management With the advent of these cutting edge technologies businesses have unprecedented opportunities to revolutionize their operations drive innovation and achieve remarkable success in today s digital landscape Indian Migration to the Gulf Anisur Rahman, Sameer Babu M, Ansari PA, 2023-03-31 This book explores issues of rights issues and challenges faced by Indian migrant workers in the GCC countries It focuses on the struggle of migrants in the state of origin and destination states and how the process of migration shapes the identity and existence of migrant workers The essays in the volume focus on policy rights issues and challenges faced by migrants as well as the long term challenges posed by the COVID 19 pandemic With contributions from academics and policymakers this book will be of interest to scholars and researchers of migration and diaspora studies public policy and South Asian Studies

International Migration, Remittances, and Poverty in Developing Countries Richard H. Adams, John Page, 2003

Blaming Immigrants Neeraj Kaushal, 2019-01-08 Immigration is shaking up electoral politics around the world Anti immigration and ultranationalistic politics are rising in Europe the United States and countries across Asia and Africa What is causing this nativist fervor Are immigrants the cause or merely a common scapegoat In *Blaming Immigrants* economist Neeraj Kaushal investigates the rising anxiety in host countries and tests common complaints against immigration Do immigrants replace host country workers or create new jobs Are they a net gain or a net drag on host countries She finds that immigration on balance is beneficial to host countries It is neither the volume nor pace of immigration but the willingness of nations to accept absorb and manage new flows of immigration that is fueling this disaffection Kaushal delves into the demographics of immigrants worldwide the economic tides that carry them and the policies that shape where they make their new homes She demystifies common misconceptions about immigration showing that today's global mobility is historically typical that most immigration occurs through legal frameworks that the U S system far from being broken works quite well most of the time and its features are replicated by many countries and that proposed anti immigrant measures are likely to cause suffering without deterring potential migrants Featuring accessible and in depth analysis of the economics of immigration in worldwide perspective *Blaming Immigrants* is an informative and timely introduction to a critical global issue

The Age of Migration Hein de Haas, Stephen Castles, Mark J. Miller, 2019-11-21 Long established as the leading textbook on migration and used by students and scholars alike all over the world this fully revised and updated sixth edition continues to offer an authoritative and cutting edge account of migration flows why they occur and their consequences for both origin and destination societies International migration is one of the most emotive issues of our times reforging societies around the world and shaping debates on security national identity and sovereignty in profound ways The expert authors of this book provide a truly global and interdisciplinary introduction to this perennially important topic with chapters covering all of the world's regions and spanning the nineteenth century to the present day Exploring the significance of migration in relation to recent events and emerging trends from the policies of the European Union to the Great Recession this text helps to shed light on the often large gap between the rhetoric and realities of migration For students of migration studies in disciplines as wide ranging as politics sociology geography area studies
