Economics Of The Public Sector:

Economics of the Public Sector Donata Irena Trotman-Dickenson,1996 This work offers an introduction to the economics of the public sector It examines the economic framework public expenditure and finance budgets and borrowing industry and public investment and management of the economy Both theory and practice are covered as are all recent developments in relation to the European Community privatization deregulation and local government finance Each chapter concludes with exercises and suggestions for further reading and is designed to facilitate self study

The Economics of the Public Sector Robert H. Haveman,1976

Public Sector Economics for Developing Countries Michael Howard,2001 A discussion of the impact of government revenues and expenditures on economic activity with special reference to developing countries Michael Howard raises theoretical and empirical issues relating to the role of the public sector in economic development

Economics of the Public Sector Joseph E. Stiglitz,Jay K. Rosengard,2015-02-19 Thoroughly revised and updated to reflect the public finance landscape of today Economics of the Public Sector Fourth Edition focuses on the heavily changed post global recession world This new modern approach includes a discussion on global public goods in Chapter 5 which addresses the difficulty of coping with public health and security threats when they transcend government coping mechanisms while Chapter 8 examines corporatization and the transition from government enterprise to private enterprise An easily accessible book that teaches conceptual mastery instead of technical detail Stiglitz and Rosengard write with the student in mind Not only do they use accessible language but also the graphs throughout the text are simple and easy to understand Case studies and references to real world programs and policies such as Welfare Programs and the Redistribution of Income in Chapter 15 are found in the body of the text ensuring that students are introduced to policy applications while they read The text s international coverage reflects a global economy The authors introduce students to a global perspective by sharing their first hand experiences working with foreign governments

Government Finance John Fitzgerald Due,Ann Fetter Friedlaender,1981

Public Sector Economics Robin W. Boadway,1979

Economics of the Public Sector Stiglitz, Joseph E,Rosengard, Jay K,2015-02-25 What should be the role of government in society How should it design its programmes How should tax systems be designed to promote both efficiency and fairness Nobel Laureate Joseph Stiglitz and new co author Jay Rosengard bring an unparalleled level of expertise to address these key issues of public sector economics No other text is as modern as accessible or incorporates as much first hand policy advising experience by its authors as Stiglitz Rosengard
