Mamone Capria, Marco Mamone Capria, 2005-04-22 It is now a century ago that one of the icons of modern physics published some of the most influential scientific papers of all times With his work on relativity and quantum theory Albert Einstein has altered the field of physics forever It should not come as a surprise that looking back at Einstein s work one needs to rethink the whole scope of physics before and after his time This books aims to provide a perspective on the history of modern physics spanning from the late 19th century up to today It is not an encyclopaedic work but it presents the groundbreaking and sometimes provocative main

contributions by Einstein as marking the line between old and new physics and expands on some of the developments and open issues to which they gave rise This presentation is not meant as a mere celebration of Einstein's work but as a critical appraisal which provides accurate historical and conceptual information The contributing authors all have a reputation for working on themes related to Einstein's work and its consequences Therefore the collection of papers gives a good representation of what happened in the 100 years after Einstein's landmark *Annalen der Physik* articles All people interested in the field of physics history of science and epistemology could benefit from this book An effort has been made to make the book attractive not only to scientists but also to people with a more basic knowledge of mathematics and physics

**Erik Erikson's Verbal Portraits** Donald Capps,2014-09-24 In his late teens and early twenties Erik H Erikson the widely acclaimed psychoanalyst and developmental theorist aspired to be an artist In Erik Erikson's Verbal Portraits Luther Gandhi Einstein Jesus Donald Capps contends that Erikson's portraits of respective historical figures not only reflect his artistic gifts but also make a highly creative contribution to psychoanalytic discourse Moreover his verbal portraits are vivid and compelling representations of his multifaceted conception of identity His emphasis on the formative role of the mutual recognition of mother and infant in human portraiture the importance he attaches to the Self and the sense of I and his use of psychoanalysis as a means to experience the living presence of noteworthy historical figures are especially noted In addition to his portraits of the four men his brief verbal portrait of Ruth Benedict is presented and his personal identification with a fifteenth century painting of Mary the mother of Jesus is also explored
