## **Eisenhower As Military Commander:**

Eisenhower As Military Commander E. K. G. Sixsmith, 1989-08-21      *Eisenhower As Military Commander* E. K. G. Sixsmith, 1973-10-01 Because he did not actually command troops in battle General Dwight D Eisenhower has been underestimated by military writers This book clearly demonstrates that his organization of the Allied effort in Europe represented a decisive breakthrough in the conduct of war particularly in coalition warfare Eisenhower was a military manager without equal who also had the ability to inspire confidence and loyalty among his subordinates He is most closely associated with the mil principle of Unity of Command and his doctrines are more relevant today than ever in the world of coalition armies and high tech battlefields Eisenhower s WW2 actions makes for interesting comparisons with the lessons forgotten in Vietnam and re applied in the Persian Gulf Maps      *Eisenhower* Eric Keir Gilborne Sixsmith, 1973      **General Eisenhower on the Military Churchill** Alistair Cooke, Dwight David Eisenhower, 1970 What man could better have evaluated the military mind of Winston Churchill than the man who shared with him the momentous decisions of war Dwight D Eisenhower In this conversational reminiscence General Eisenhower fondly recalls his phenomenal friend and irascible fighting companion The result is a unique segment of living history revealing the Prime Minister in the role he particularly cherished the military one Book Jacket      **Eisenhower** Steven J. Zaloga, 2011-08-20 Dwight Eisenhower represented a fundamentally new type of modern military commander Eisenhower was a manager commander whose grasp of the politics and large scale tactics of battle were uniquely suited to leading the huge coalition of forces that fought in Europe during the Second World War Educated at West Point Eisenhower rose to his position as Supreme Commander of the Allied Expeditionary Force through a series of powerful contacts and his natural aptitude for leadership and large scale tactical planning This book analyses how Eisenhower s tactics and political astuteness helped him successfully lead the invasion of Europe how he coaxed contradictory parties into supporting his policies and how he triumphed in his now infamous clash with Montgomery Uniquely the author goes on to describe how Eisenhower s military influence continued when he became President as his leadership and vision were tested by the outbreak of the Cold War      **The Supreme Commander** Stephen E. Ambrose, 2012-01-17 In this classic portrait of Dwight D Eisenhower the soldier bestselling historian Stephen E Ambrose examines the Allied commander s leadership during World War II Ambrose brings Eisenhower s experience of the Second World War to life showing in vivid detail how the general s skill as a diplomat and a military strategist contributed to Allied successes in North Africa and in Europe and established him as one of the greatest military leaders in the world Ambrose then the Associate Editor of the General s official papers analyzes Eisenhower s difficult military decisions and his often complicated relationships with powerful personalities like Churchill de Gaulle Roosevelt and Patton This is the definitive account of Eisenhower s evolution as a military leader from its dramatic beginnings through his time at the top post of Allied command      *Partners in Command* Mark Perry, 2007-05-10 A unique look at the complex relationship between two of

America's foremost World War II leaders The first book ever to explore the relationship between George Marshall and Dwight Eisenhower *Partners in Command* eloquently tackles a subject that has eluded historians for years As Mark Perry charts the crucial impact of this duo on victory in World War II and later as they lay the foundation for triumph in the Cold War he shows us an unlikely complex collaboration at the heart of decades of successful American foreign policy and shatters many of the myths that have evolved about these two great men and the issues that tested their alliance As exciting to read as it is vitally informative this work is a signal accomplishment

**Dwight D. Eisenhower, 34th President of the United States**

Rafaela Ellis, 1989 Presents a biography of the West Point graduate who served as Supreme Military Commander during World War II and as the thirty-fourth President of the United States

**Great Military Commanders - Dwight D. Eisenhower**, 2018-09-17 Dwight David was an American army general and statesman who served as the 34th President of the United States from 1953 to 1961 During World War II he was a five-star general in the United States Army and served as Supreme Commander of the Allied Expeditionary Forces in Europe He was responsible for planning and supervising the invasion of North Africa in Operation Torch in 1942-43 and the successful invasion of France and Germany in 1944-45 from the Western Front A biography that every student of military history should read This book gives out the life military career and military leadership of this great Military Commander This book is a compilation of high quality articles from the Internet

**Eisenhower in Command at Columbia** Douglas E. Clark, 2013-03-08 Dwight D Eisenhower's presidency of Columbia University 1948-1953 is among the least written about periods of his career It is all but dismissed by historians as a mere interlude between his service as World War II's most celebrated general and his two terms as president of the United States His Columbia tenure was marked by extended absences from campus and ongoing political speculation regarding a run for the White House in 1952 *Eisenhower in Command at Columbia* disputes the conventional wisdom that Eisenhower's Columbia presidency was unsuccessful In fact under his leadership Columbia moved forward in several important areas Eisenhower's tenure at Columbia was nevertheless difficult at times His lack of both academic experience and a full understanding of academic culture diminished his capacity to lead and damaged his credibility with faculty While the book brings historical perspective to Eisenhower's presidency of Columbia its primary purpose is to analyze Eisenhower's tenure in the context of higher education leadership His experience at Columbia is relevant today because it demonstrates the importance of understanding institutional culture when leading a college or university His selection as the university's president reveals flaws in the process that still plague boards today in what is arguably their most important job selecting an institution's leader This book will appeal to scholars in higher education history and university administration among others

*The Unlikely Commander* Robert Johnson, 2024-12-13 This book is not just a military history it is a story about overcoming adversity mastering strategy and becoming an effective leader under the weight of responsibility At the end of reading this book you will walk away with a deeper appreciation for Eisenhower's role in history and fresh perspectives on leadership By

blending vivid storytelling with rich historical analysis this book offers a front row seat to the most decisive moments of Eisenhower's life See how an unlikely leader became one of the most consequential figures of the 20th century Key Takeaways Eye Opening Leadership Lessons Discover how Eisenhower united forces managed crises and earned the trust of world leaders Historical Insight with Modern Relevance Understand how D Day shaped Eisenhower's legacy and why his philosophy on leadership continues to resonate Masterful Storytelling Feel the weight of Eisenhower's decisions as he navigates the perils of war builds alliances and cements his place in history If you want to be inspired informed and equipped with lessons in leadership diplomacy and strategy this is the book for you

*Supreme Allied Commanders of World War II*  
Charles River Charles River Editors, 2018-02 Weaves the lives and careers of both generals into one entertaining and educational narrative Includes MacArthur's most colorful and inspiring quotes including his famous Victory Broadcast and Farewell Address to Congress Includes pictures of Eisenhower MacArthur and other important people places and events Discusses the careers and relationship between both generals Explains their roles in the Atlantic and Pacific particularly the Philippines and D Day Includes a Bibliography for further reading There is no substitute for victory Douglas MacArthur Dwight Eisenhower and Douglas MacArthur were the two most famous generals in the United States during World War II Having risen the ranks via mostly administrative jobs between the two World Wars the two men worked together in the Philippines during the 1930s only to go their separate ways and earn eternal fame as Supreme Allied Commanders in the Atlantic and Pacific Theaters A career military man Ike was too young to serve in combat during World War I but he began a long and productive career collaborating with future military legends George Patton and Douglas MacArthur while serving some of the nation's other famous generals including George Marshall and John J Pershing Amazingly he had never served in anything but administrative positions before World War II By 1942 Eisenhower was given the role of appointed Supreme Commander Allied Expeditionary Force in North Africa and after his success there Eisenhower oversaw the invasion of Sicily in 1943 which at the time had been the largest amphibious invasion in history In both campaigns he had the fortune of commanding George Patton With those successes President Roosevelt picked Eisenhower to be the Supreme Allied Commander of the Allied Expeditionary Force leaving him in charge of Operation Overlord and the defining moment of his military career D Day By the time he died in 1969 President Nixon aptly described Eisenhower as the world's most admired and respected man truly the first citizen of the world Of all the military men America produced during the 19th and 20th centuries it's hard to find one as important successful and controversial as General Douglas MacArthur The son of a Civil War veteran MacArthur rose to become the most instrumental commander in the Pacific Theater during World War II His legendary return to the Philippines in 1944 made good on one of the war's most famous vows and it was MacArthur who fittingly who oversaw the occupation and reconstruction of Japan following the war Given his long and celebrated career MacArthur was the obvious choice to lead the newly created United Nations troops during the Korean War but his arguments

over war strategy and policy eventually led to his controversial firing by President Harry Truman in 1951. After that, in his own words, he faded away, living out his remaining days on the top floor of the Waldorf Hotel until his death in 1964. For many, with a conservative disposition, he remains a hero who had he been listened to, would have prevented the current impasse with the rogue state that is modern North Korea. For some liberal thinkers, he was dangerously obsessive while wholly ignorant of geopolitics, and he has been branded as a general who would have used atomic weapons and potentially triggered the third world war.

Supreme Allied Commanders of World War II profiles the lives, careers, relationship, and legacies of the two legendary generals along with pictures and a bibliography. **Military Commanders** Nigel Cawthorne, 2004. From ancient Greece to Desert Storm, *Military Commanders* presents a chronological history of great battles and the men who won them. Beginning with Leonidas of Sparta who died at Thermopylae and ending with Colin Powell, this book includes such world famous leaders as Alexander the Great, Napoleon, Grant, and Lee, Patton, and Rommel. In addition, it includes the military theorist Sun Tzu who wrote *The Art of War*, as well as lesser known but important figures such as Red Cloud, Shaka Zulu, and General Giap. *Military Commanders*, containing pertinent quotations, anecdotes, and detailed facts, is a highly readable combination of history and biography.

Eisenhower E.k.g. Sixsmith, 1998-04-22. In the making of Allied Force Headquarters into a truly single Allied inter service headquarters, Eisenhower started on a task that was to continue throughout the war and beyond. Its fulfillment was perhaps more than any other, his special contribution to the practice of war. Because he did not actually command troops in battle, Eisenhower has occasionally been underestimated by military writers. The Eisenhower volume in the classic *Military Commanders* series clearly demonstrates that his organization of the Allied effort in Europe owed nothing to the practices followed in World War I and represented a decisive breakthrough in the conduct of war, particularly in coalition warfare. Ike was a military manager without equal who also had the ability to inspire confidence and loyalty among his subordinates of all nationalities. Eisenhower is most closely associated with the military principle of Unity of Command, and his doctrines are more relevant today than ever in the world of coalition armies and high tech battlefields. General Sixsmith's comprehensive description of Eisenhower's World War II actions makes for particularly interesting comparisons with the lessons forgotten in Vietnam and re-applied in the Persian Gulf.

**Eisenhower As Strategist** Steven Metz, 2004-10-01. The facts of Dwight D. Eisenhower's military career are well known. This does not mean, however, that there is nothing to be gained from a careful examination of his experience. Few, if any, American officers performed a wider array of strategic functions: he was a staff planner in the War Department, wartime commander of a massive coalition force, peacetime Chief of Staff, and Supreme Allied Commander in Europe. Eisenhower was directly involved in a number of major transitions, including the building of the wartime American Army, its demobilization following the war, and the resuscitation of American military strength during the initial years of the cold war. This means that Eisenhower's career can provide important lessons on how a coherent strategy should and should not be built during times of strategic transition. That is what this monograph

begins to do It is not intended to be a biography in the usual sense and thus offers no new facts or insights into Eisenhower s life Instead it uses that life as a backdrop for exploring the broader essence of strategic coherence and draws lessons from Eisenhower s career that can help guide the strategic transition which the U S military now faces WILLIAM A STOFFT Major General U S Army Commandant

**Supreme Allied Commanders of World War II: the Lives and Legacies of Dwight D. Eisenhower and Douglas MacArthur** Charles River Charles River Editors,2013-10-15 Weaves the lives and careers of both generals into one entertaining and educational narrative Includes MacArthur s most colorful and inspiring quotes including his famous Victory Broadcast and Farewell Address to Congress Includes pictures of Eisenhower MacArthur and other important people places and events Discusses the careers and relationship between both generals Explains their roles in the Atlantic and Pacific particularly the Philippines and D Day Includes a Bibliography for further reading There is no substitute for victory Douglas MacArthur Dwight Eisenhower and Douglas MacArthur were the two most famous generals in the United States during World War II Having risen the ranks via mostly administrative jobs between the two World Wars the two men worked together in the Philippines during the 1930s only to go their separate ways and earn eternal fame as Supreme Allied Commanders in the Atlantic and Pacific Theaters A career military man Ike was too young to serve in combat during World War I but he began a long and productive career collaborating with future military legends George Patton and Douglas MacArthur while serving some of the nation s other famous generals including George Marshall and John J Pershing Amazingly he had never served in anything but administrative positions before World War II By 1942 Eisenhower was given the role of appointed Supreme Commander Allied Expeditionary Force in North Africa and after his success there Eisenhower oversaw the invasion of Sicily in 1943 which at the time had been the largest amphibious invasion in history In both campaigns he had the fortune of commanding George Patton With those successes President Roosevelt picked Eisenhower to be the Supreme Allied Commander of the Allied Expeditionary Force leaving him in charge of Operation Overlord and the defining moment of his military career D Day By the time he died in 1969 President Nixon aptly described Eisenhower as the world s most admired and respected man truly the first citizen of the world Of all the military men America produced during the 19th and 20th centuries it s hard to find one as important successful and controversial as General Douglas MacArthur The son of a Civil War veteran MacArthur rose to become the most instrumental commander in the Pacific Theater during World War II His legendary return to the Philippines in 1944 made good on one of the war s most famous vows and it was MacArthur who fittingly who oversaw the occupation and reconstruction of Japan following the war Given his long and celebrated career MacArthur was the obvious choice to lead the newly created United Nations troops during the Korean War but his arguments over war strategy and policy eventually led to his controversial firing by President Harry Truman in 1951 After that in his own words he faded away living out his remaining days on the top floor of the Waldorf Hotel until his death in 1964 For many with a conservative disposition he remains a hero who had he been listened to would

have prevented the current impasse with the rogue state that is modern North Korea For some liberal thinkers he was dangerously obsessive while wholly ignorant of geopolitics and he has been branded as a general who would have used atomic weapons and potentially triggered the third world war Supreme Allied Commanders of World War II profiles the lives careers relationship and legacies of the two legendary generals along with pictures a bibliography and a Table of Contents

**Eisenhower's Gettysburg Farm** Michael J. Birkner,2017-03-06 The Eisenhower farm was the first and only home that Dwight Eisenhower and his wife Mamie called their own During Eisenhower s military career he and Mamie lived around the world but he always hoped to own a piece of property and leave it better than he found it That wish led to the purchase of the Allen Redding farm in 1950 and the Eisenhowers thorough renovation of its dwelling During Eisenhower s presidency the farm served as a retreat from the Washington pressure cooker When his presidential term ended the Eisenhowers embraced a new chapter in their lives together Eisenhower maintained an active schedule of writing speechmaking correspondence and meetings with a wide range of national and world leaders as well as supervision of an active farm operation Mamie and Dwight shared a busy social life in retirement taking special pleasure in spending time with their son John daughter in law Barbara and four grandchildren This book tells the Eisenhowers Gettysburg story *Military Review* ,1996

**Eisenhower's Guerrillas** Benjamin F. Jones,2016-01-06 The story of the Jedburghs WWII era reconnaissance and intelligence teams consisting of OSS British Special Operations and Free French operatives that worked behind enemy lines to strengthen the Allies position in Northern France before during and after the Normandy Invasion Eisenhower Carlo D'Este,2003-05-15 Casting new light on Dwight David Eisenhower s profound life Eisenhower chronicles the unlikely dramatic rise of the supreme Allied commander 16 page insert 5 maps
