Either Is Love Homosexuality Ser

Bonnie Zimmerman, George Haggerty

Either Is Love Homosexuality Ser:

The Cumulative Book Index, 1976 A world list of books in the English language *Encyclopedia of Gay Histories and Cultures* George Haggerty, 2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Same-Sex Desire and Love in Greco-Roman Antiquity and in the Classical Tradition of the West Beerte C. Verstraete, Vernon L. Provencal, 2014-05-01 New and surprising insights into homoeroticism of times past In ancient times the Greek god Eros personified both heterosexual and homosexual attractions Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West explores the homosexual side of the vanished civilizations of Greece and Rome and the resulting influence on the Classical tradition of the West Respected scholars clearly present evidence that shows the extensive nature of homoeroticism and homosexuality in the Classical world Iconography such as vase decoration and carved gemstones is presented in photographs and the text includes an examination of a wide selection of literature of the times with an eye to opening new vistas for future study Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West lays to rest the myths generally accepted as truth about Greco Roman views on homosexuality and brings fresh insights to philological and historical scholarship This book provides nuanced humanistic discussions on the common phenomena of same sex desire Topics include Greek pederasty and its origins the Greek female homoeroticism of Sappho homosexuality in Greek and Roman art and literature and the emergence of the gay liberation movement with the influence of discussions of Greek and Roman homosexuality in the twentieth century The text is extensively referenced and includes helpful notation Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West provides a comprehensive table of abbreviations subject index and index of names and terms It discusses in detail the integral role athletic nudity played in athlete trainer pederasty the central role of pederasty in Greek history politics art literature and learning tracing the history of the Ganymede myth how the athletic culture of Sparta contributed to the spread of pederasty

in Greece homosexuality in Boeotia in contrast to the rest of Greece the homoeroticism of Sappho dispelling generally accepted myths prevalent about Roman sexuality Roman visual representations of homosexuality as evidence of prevailing attitudes homoerotic connotations in literature and philosophy of the Italian Renaissance the effect of German classical philology on gay scholarship English Romantic poets and the importance of male love in their lives the Uranians use of allusions and themes from ancient Greece the building of intellectual community through gay print culture through the use of Greece and Rome as models and more Same Sex Desire and Love in Greco Roman Antiquity and in Classical Tradition of the West is essential reading for Classicists specialists in gender sexuality studies humanists interested in the classical tradition in Western culture psychologists and other social scientists in human sexuality Historical Dictionary of Homosexuality Brent L. Pickett, 2022-04-04 The history of same sex attraction and love is relevant to many aspects of history including its social religious and political dimensions The Historical Dictionary of Homosexuality provides a comprehensive survey of same sex relations from ancient China and Greece to the contemporary world The book covers religious traditions that have tolerated or had a role for same sex relations to those that have condemned it and called for punishment The legal treatment of homosexuality and the development in the modern world of a gay rights movements are central areas of focus In addition there are a number of entries for specific countries and regions that provides concise summaries of how same sex relations have been understood and treated around the globe Court decisions and emerging norms in international law are also covered Historical Dictionary of Homosexuality Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 200 cross referenced entries on important historical figures philosophic artistic and literary treatments of same sex love historical terms and contemporary events This book is an excellent resource for students researchers and anyone wanting to know more about homosexuality

Masculinities and Literary Studies Josep M. Armengol, Marta Bosch Vilarrubias, Àngels Carabí, Teresa Requena, 2017-02-03 If much of the existing masculinity scholarship has traditionally been grounded in a specific discipline this project provides an innovative methodological approach to the subject of literary masculinities by proving the applicability of interdisciplinary masculinity scholarship namely sociology social work psychology economics political science ecology etc to the literary analysis bridging the traditional gap between the Social Sciences and the Humanities in radically new and profound ways

Gay and Lesbian Themes in Latin American Writing David William Foster, 2013-12-06 A taboo subject in many cultures homosexuality has been traditionally repressed in Latin America both as a way of life and as a subject for literature Yet numerous writers have attempted to break the cultural silence surrounding homosexuality using various strategies to overtly or covertly discuss lesbian and gay themes In this study David William Foster examines more than two dozen texts that deal with gay and lesbian topics drawing from them significant insights into the relationship between homosexuality and society in different Latin American countries and time periods Foster's study includes works both sympathetic and antagonistic to homosexuality

showing the range of opinion on this topic The preponderance of his examples come from Argentina Brazil and Mexico countries with historically active gay communities although he also includes material on other countries Noteworthy among the authors covered are Reinaldo Arenas Adolfo Caminha Isaac Chocr n Jos Donoso Sylvia Molloy Alejandra Pizarnik and Luis Zapata

The Welcoming Congregation Scott W. Alexander, This manual prepared by the UUA s Office of Lesbian and Gay Concerns is designed to help interested congregations become more welcoming places for the gay lesbian and bisexual people in their midst and in the wider community P 1

Subject Guide to Books in Print ,1996

Homosexuality in Greece and Rome Thomas K. Hubbard,2003-05-12 The most important primary texts on homosexuality in ancient Greece and Rome are translated into modern explicit English and collected together for the first time in this comprehensive sourcebook Covering an extensive period from the earliest Greek texts in the late seventh century b c e to Greco Roman texts of the third and fourth centuries c e the volume includes well known writings by Plato Sappho Aeschines Catullus and Juvenal as well as less well known but highly relevant and intriguing texts such as graffiti comic fragments magical papyri medical treatises and selected artistic evidence These fluently translated texts together with Thomas K Hubbard s valuable introductions clearly show that there was in fact no more consensus about homosexuality in ancient Greece and Rome than there is today The material is organized by period and by genre allowing readers to consider chronological developments in both Greece and Rome Individual texts each are presented with a short introduction contextualizing them by date and where necessary discussing their place within a larger work Chapter introductions discuss questions of genre and the ideological significance of the texts while Hubbard s general introduction to the volume addresses issues such as sexual orientation in antiquity moral judgments class and ideology and lesbianism With its broad unexpurgated and thoroughly informed presentation this unique anthology gives an essential perspective on homosexuality in classical antiquity

Mastering the Game of Thrones Jes Battis,Susan Johnston,2015-01-24 George R R Martin s A Song of Ice and Fire series is a worldwide phenomenon and the world of Westeros has seen multiple adaptations from HBO s acclaimed television series to graphic novels console games and orchestral soundtracks This collection of new essays investigates what makes this world so popular and why the novels and television series are being taught in university classrooms as genre defining works within the American fantasy tradition This volume represents the first sustained scholarly treatment of George R R Martin s groundbreaking work and includes writing by experts involved in the production of the HBO show The contributors investigate a number of compelling areas including the mystery of the shape shifting wargs the conflict between religions the origins of the Dothraki language and the sex lives of knights The significance of fan cultures and their adaptations is also discussed

Sex and the Sacred Daniel A Helminiak,2012-12-06 A down to earth look at the spiritual power of sex Sex and the Sacred examines the spiritual dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and belief in God Dr Daniel Helminiak author of the best selling What the Bible Really Says about

Homosexuality looks at the relationship between sexuality and spirituality first from a humanistic perspective and then a more familiar Christian point of view. In particular, he encourages LGBTI people to reclaim their spiritual heritage without apology. This unique book emphasizes spiritual commitment as an essential facet of LGBTI queer consciousness and addresses such burning themes as coming out, the importance of self-acceptance, gay marriage, gay bashing, and the ethics of gay sex. *Sex and the Sacred* combines a psychological approach to spirituality with common sense and compassion, inspiring a break from moralistic religion and an understanding of what true spirituality means. The book applies this understanding to Christian topics such as the Bible, Fundamentalism, and the future of Christianity, and shows how coming out was an issue for Jesus, how homosexual experience relates to the Christian Trinity, and how Western Civilization became so sex-negative. *Sex and the Sacred* presents, in the end, a radical vision of Christianity open to all people. Religious leaders of all denominations, educators, counselors, members of the gay, lesbian, bisexual, transgender community, non-religious spiritual seekers, and anyone interested in the relationship between spirituality and sexuality will find this book enlightening and uplifting. *Sex and the Sacred* examines the spiritual drive that is built into human sexuality, the standard religious arguments against gay marriage, a sustained argument that Biblical Fundamentalism is not Christian, spiritual lessons from the AIDS epidemic, the right and wrong of sex-queer, and otherwise homosexuality in Catholic teaching and practice, sexual ethics without religion, a vision for a renewed Christianity within a global community. *Books in Print*, 1991. *Roman Homosexuality* Craig A.

Williams, 2010-02-01. Ten years after its original publication, *Roman Homosexuality* remains the definitive statement of this interesting but often misunderstood aspect of Roman culture. Learned yet accessible, the book has reached both students and general readers with an interest in ancient sexuality. This second edition features a new foreword by Martha Nussbaum, a completely rewritten introduction that takes account of new developments in the field, a rewritten and expanded appendix on ancient images of sexuality, and an updated bibliography. *A Companion to Federico García Lorca* Federico Bonaddio, 2007. Lorca, icon and polymath in all his manifestations. **Coming Out, Moving Forward** R. Richard Wagner, 2020-05-22.

Coming Out, Moving Forward, the second volume in R. Richard Wagner's groundbreaking work on gay history in Wisconsin, outlines the challenges that LGBT Wisconsinites faced in their efforts to right past oppressions and secure equality in the post-Stonewall period between 1969 and 2000. During this era, Wisconsin made history as the first state to enact a gay rights law prohibiting discrimination in employment, housing, and public accommodations on the basis of sexual orientation. It also became the first state to elect three openly gay/lesbian persons to Congress. In this volume, R. Richard Wagner draws on historical research and materials from his extensive personal archive to not only chronicle an important movement but also to tell the stories of the state's LGBT pioneers: from legislators and elected officials to activists, businesspeople, and everyday citizens. *Coming Out, Moving Forward* documents the rich history of Wisconsin's LGBT individuals and communities as they pushed back against injustice and found ways to live openly and proudly as themselves. *Coming Out, Moving Forward* is a

continuation to the first volume in this series *We've Been Here All Along* **Queer Readings of the Centurion at Capernaum** Christopher B. Zeichmann, 2022-10-28 The first ever monograph on the history of queer biblical interpretation of a controversial biblical passage Since the 1950s homoerotic readings of the pericope in which Jesus heals a Roman centurion's slave have been built upon three of the account's features the specific Greek word *pais* which can refer to youth slave or the junior partner in a sexual relationship between two men Luke's characterization of the young man as *dear entimos* to the centurion and commonplace homoeroticism in the Roman army Rather than affirming or denying the historical reality of a sexual relationship between the centurion and the young man Christopher B Zeichmann instead traces the shifting patterns of queer readings of the text and the influences of the sexual political and theological discourses of late twentieth and early twenty first century Europe the United States and Australia Readers will see how distinct political contexts have led interpreters to find very different meanings about the sexual subtexts of this story **Embodying Pessoa** Anna Klobucka, Mark Sabine, 2007-01-01 The multifaceted and labyrinthine oeuvre of the Portuguese poet Fernando Pessoa 1888-1935 is distinguished by having been written and published under more than seventy different names These were not mere pseudonyms but what Pessoa termed heteronyms fully realized identities possessed not only of wildly divergent writing styles and opinions but also of detailed biographies In many cases their independent existences extended to their publication of letters and critical readings of each other's works and those of Pessoa himself Long acclaimed in continental Europe and Latin America as a towering presence in literary modernism Pessoa has more recently begun to receive the attention of an English speaking public *Embodying Pessoa* responds to this new growth of interest The collection's twelve essays preceded by a general introduction and grouped into four themed sections apply a range of current interpretative models both to the more familiar canon of Pessoa's output and to less familiar texts in many cases only recently published As a whole this work diverges from traditional Pessoa criticism by testifying to the importance of corporeal physicality in his heteronymous experiment and to the prominence of representations of gendered sexuality in his work **Queer Japan** Barbara Summerhawk, Cheiron McMahon, Darren McDonald, 1998 In this important contribution to international queer studies sixteen people spanning generations from pre war to newly out young activists tell their stories **Scandal** Marc E Vargo, 2013-11-12 Examine the cornerstone incidents of modern gay political history *Scandal Infamous Gay Controversies of the Twentieth Century* is a compelling and thorough examination of same sex controversies that range from accusations of obscenity and libel to espionage treason murder and political dissent with penalties that included censorship imprisonment deportation and death In each case scandal brought the subject of homosexuality into public view in an explosive sensational manner stalling and sometimes reversing any progress made by the gay and lesbian community in mainstream society Author Marc E Vargo details the dignity courage and wisdom displayed by the gay men and women under attack in the face of public judgment A unique blend of biography and gay political history *Scandal Infamous Gay Controversies of the Twentieth*

Century recounts seven international incidents that tally the cost of being homosexual in a heterosexual society. In each episode, gay men or lesbians are targeted for legal persecution, subjected to sensationalized media coverage and publicly condemned. The book examines the short and long term consequences of each controversy for those involved and the impact each scandal had on gay and mainstream society. Scandal: Infamous Gay Controversies of the Twentieth Century documents the stories of Italian filmmaker Pier Paolo Pasolini, his 1975 murder and its subsequent cover up; British diplomats Guy Burgess and Donald Maclean, their defection to Russia at the height of the Cold War; Cuban political dissident Reinaldo Arenas, his imprisonment in the 1960s that led to the exposure of the violent homophobia of the Castro regime; Irish consul Roger Casement, his execution on treason charges and the later accusation that crucial evidence had been forged; South African human rights activist Simon Nkoli, his persecution by his country's all-white pro-apartheid government; British writer Radclyffe Hall, the obscenity trial in the 1920s surrounding her novel *The Well of Loneliness*; German emperor Kaiser Wilhelm II, the exposé of his relationship with Prince Eulenburg. A scholarly work of historical significance, *Scandal: Infamous Gay Controversies of the Twentieth Century* is written in a straightforward tone that appeals to academics, students, and interested readers, gay or straight. The book stands alone as a record of the role played by public opinion in modern gay history.

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13. A rich heritage that needs to be documented. Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology, this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors. It covers a long history and a dynamic and ever-changing present while opening up the academic profession to new scholarship and new ways of thinking. A groundbreaking new approach. While gays and lesbians have shared many aspects of life, their histories and cultures developed in profoundly different ways. To reflect this crucial fact, the encyclopedia has been prepared in two separate volumes, assuring that both histories receive full, unbiased attention and that a broad range of human experience is covered. Written for and by a wide range of people, intended as a reference for students and scholars in all fields as well as for the general public, the encyclopedia is written in user-friendly language. At the same time, it maintains a high level of scholarship that incorporates both passion and objectivity. It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future.

Reviewing **Either Is Love Homosexuality Ser**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Either Is Love Homosexuality Ser**," an enthralling opus penned by a highly acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
