El Gringo The Yankee Image In Latin Amer:

El Gringo Don H. Radler, 1962 Anti-americanism in Latin America and the Caribbean Alan McPherson, 2006-03

Whether rising up from fiery leaders such as Venezuela's Hugo Chavez and Cuba's Fidel Castro or from angry masses of Brazilian workers and Mexican peasants anti U S sentiment in Latin America and the Caribbean today is arguably stronger than ever It is also a threat to U S leadership in the hemisphere and the world Where has this resentment come from Has it arisen naturally from imperialism and globalization from economic and social frustrations Has it served opportunistic politicians Does Latin America have its own style of anti Americanism What about national variations How does cultural anti Americanism affect politics and vice versa What roles have religion literature or cartoons played in whipping up sentiment against el yanqui Finally how has the United States reacted to all this This book brings leaders in the field of U S Latin American relations together with the most promising young scholars to shed historical light on the present implications of hostility to the United States in Latin America and the Caribbean In essays that carry the reader from Revolutionary Mexico to Peronist Argentina from Panama in the nineteenth century to the West Indies mid century independence movement and from Colombian drug runners to liberation theologians the authors unearth little known campaigns of resistance and probe deeper into episodes we thought we knew well They argue that for well over a century identifying the United States as the enemy has rung true to Latin Americans and has translated into compelling political strategies Combining history with political and cultural analysis this collection breaks the mold of traditional diplomatic history by seeing anti Americanism through the eyes of those who expressed it It makes clear that anti Americanism far from being a post 9 11 buzzword is rather a real force that casts a long shadow over U S Latin American relations **The Crosswinds of Freedom,**

1932-1988 James MacGregor Burns, 2012-04-10 A Pulitzer Prize winner's immensely readable history of the United States from FDR's election to the final days of the Cold War Publishers Weekly The Crosswinds of Freedom is an articulate and incisive examination of the United States during its rise to become the world's sole superpower Here is a young democracy transformed by the Great Depression the Second World War the Cold War the rapid pace of technological change and the distinct visions of nine presidents Spanning fifty six years and touching on many corners of the nation's complex cultural tapestry Burns's work is a remarkable look at the forces that gave rise to the American Century Latin America: The Latin American area , 1968 *Latin America: Hemispheric Partner* United States. Department of the Army, 1964 **Yankee No!**

Alan McPherson, 2009-07-01 Examining the roots of anti Americanism in Latin America McPherson focuses on three major crises the Cuban Revolution the 1964 Panama riots and U S intervention in the Dominican Republic He demonstrates the shifting and complex nature of anti Americanism in each country and the love hate ambivalence of most Latin Americans toward the U S **Latin America, a Selected Functional and Country Bibliography: The Latin American area** , 1968

A Selected Bibliography on the United States Army in Latin America US Army Military History Institute, Claude C.

Sturgill,1986 *Latin America, a Selected Functional and Country Bibliography* ,1968 *Department of the Army Pamphlet* ,1964 *The Art of Diplomacy* Thomas Andrew Bailey,1968 Formulates and evaluates maxims for the conduct of American diplomacy **The Seduction of Brazil** Antonio Pedro Tota,2010-05-20 Following completion of the U S air base in Natal Brazil in 1942 U S airmen departing for North Africa during World War II communicated with Brazilian mechanics with a thumbs up before starting their engines This sign soon replaced the Brazilian tradition of touching the earlobe to indicate agreement friendship and all that was positive and good yet another indication of the Americanization of Brazil under way during this period In this translation of O Imperialismo Sedutor Antonio Pedro Tota considers both the Good Neighbor Policy and broader cultural influences to argue against simplistic theories of U S cultural imperialism and exploitation He shows that Brazilians actively interpreted negotiated and reconfigured U S culture in a process of cultural recombination The market he argues was far more important in determining the nature of this cultural exchange than state directed propaganda efforts because Brazil already was primed to adopt and disseminate American culture within the framework of its own rapidly expanding market for mass culture By examining the motives and strategies behind rising U S influence and its relationship to a simultaneous process of cultural and political centralization in Brazil Tota shows that these processes were not contradictory but rather mutually reinforcing The Seduction of Brazil brings greater sophistication to both Brazilian and American understanding of the forces at play during this period and should appeal to historians as well as students of Latin America culture and communications *Recent Books on International Relations* ,1961 **Foreign Affairs** Archibald Cary Coolidge,Hamilton Fish Armstrong,1962 No 3 of each year 1979 has distinctive title America and the world **Guide to the Hispanic American Historical Review, 1956-1975** Wilber A. Chaffee,Beecher C. Ellison,1980 *Alliance for Progress* ,1962 Catalog of the Latin American Collection University of Texas at Austin. Library. Latin American Collection,1969 *A Banker's Guide to Financing Exports* American Bankers Association. Credit Policy Committee,1966 **Encyclopedia of Latin American History and Culture** Barbara A.
