**1978 - Vol. 16 - Historia Paraguaya** Carlos Peris, 2023-07-06 1978 Vol 16 Historia Paraguaya Vidas de los varones ilustres. Tercer volumen de la Historia de la Provincia de la Compañía de Jesús de Nueva España Francisco de Florencia, Jason Dyck, 2023-04-10 Este libro gan el premio Jos Toribio Medina 2024 que otorga el Seminar on the Acquisition of Latin American Library Materials SALALM por su

aportación al cuerpo de conocimientos y la novedosa aproximación histórica que ofrece la edición. Contiene la primera transcripción de Vidas de los varones ilustres de Francisco de Florencia peregrino transatlántico e historiador eclesiástico del mundo hispanico y cuenta de las labores evangelicas de 44 jesuitas y su contribución en el germen y desarrollo del patriotismo criollo. Los escritos de este cronista de la Compañía de Jesús en Nueva España fueron un medio para elogiar a los claros de su provincia, combatir las teorías sobre la degeneración americana y dar cuenta de las aspiraciones de un grupo social emergente en el orbe hispanico. De acuerdo con el autor de esta edición, Jason Dyck, los viajes de Francisco de Florencia por América y Europa influyeron en su perspectiva de la patria y en su manera de escribir la historia sagrada y de su tenacidad como autor para sobrepasar la censura colonial en la producción histórica novohispana y para mostrar la santidad y capacidad de sus correligionarios nacidos en este territorio.

**ITESO Universidad ITESO      El nervio de la República. El oficio de escribano en el Siglo de Oro** Enrique Villalba, Emilio Torné (eds.), 2014-01-01

Litterae ha promovido en los últimos años el estudio de la figura y el oficio del escribano en la España de la Edad Moderna a través de proyectos de investigación, la organización de seminarios y congresos y propiciando publicaciones sobre el tema. Fruto de estas iniciativas y gracias a la generosidad y el esfuerzo de numerosos especialistas, podemos ofrecer ahora este volumen que hemos organizado en tres partes, atendiendo a las perspectivas más relevantes e innovadoras. En primer término, lo relativo a las tipologías y jurisdicciones del oficio de escribano, así como a su normal desempeño y los conflictos que en él se generaban. Así aparece inevitablemente la transgresión que en el caso de los escribanos en el Siglo de Oro es un tópico literario sobradamente conocido, pero tras el tópico no dejan de asomar frecuentes realidades de abusos y corrupción. En segundo lugar, las relaciones políticas y sociales inherentes a los titulares de escribanías, sus vínculos con el poder y su integración social. Con esos trabajos nos aproximamos, en otro sentido, a lo que comenta Almansa que se pretendió en la Corte en 1621: nada menos que averiguar el modo de vivir de los escribanos. Por último, en la tercera parte, los usos y prácticas de cultura escrita y la actividad de los escribanos, generando depositos de memoria. Es tan claro el papel de los escribanos en estos momentos de imposición de la lógica de la escritura que se permutan los términos de referencia de la memoria. De ese modo, la comparación se invierte: así podemos leer a principios del siglo XVII que la Memoria es un escribano que vive dentro del hombre. Es decir, sólo puede concebirse la memoria a partir del registro escrito convertido en verdad. Y el escribano es percibido con total naturalidad como la representación por antonomasia de ese registro escrito.

The Vincentians: A General History of the Congregation of the Mission John E. Rybolt, THE SUBTITLE OF THIS SIXTH AND FINAL VOLUME of The Vincentians Internationalization and Aggiornamento 1919-1980 describes the growth and change of the Congregation of the Mission in the twentieth century. Formerly European in focus, the provinces of the Congregation gained their own voice. Membership in mission lands such as China, Brazil, and Ethiopia surged, as local vocations joined their European confreres. The same is true of maturing provinces elsewhere. St. Vincent de Paul's

congregation became internationalized in both outreach and membership The Vincentians in these recent decades also tasted the bitterness of persecution The Congregation was suppressed at various times in Europe Latin America Asia and Africa Its members often reacted by moving elsewhere thus furthering the internationalization of the Vincentian charism Under the Nazis and Communist regimes many suffered imprisonment torture and death The provinces of Central Europe Slovakia Hungary and Poland to say nothing of China were particularly hard hit Updating *aggiornamento* was the watchword toward the close of this period As society changed so did the Church and with it the Vincentians The process was difficult and painful but it moved the Congregation in directions originally laid down by the Founder Increasingly the members emphasized mutual cooperation with many Vincentian inspired lay organizations the Vincentian Family The inspiration shared among them all has been a further manifestation of the compelling insights of St Vincent de Paul

**Pastoral Themes and Forms in Cervantes's Fiction** Dominick L. Finello, 1994 Pastoral Themes and Forms in Cervantes s Fiction explores the various pastoral dimensions of Cervantes s art from his early Galatea which is a pastoral novel to his masterful Don Quijote de la Mancha Dominick Finello here focuses on the pastoral s impact on the composition of Don Quijote its rural backdrop of a rustic Spain the literary inheritance of its characters and style its dialogic structure which reflects that of the pastoral novel and the vital stimulus produced by Cervantes s direct observation of the effects of imaginative pastoral disguises and mimetic play on its characters including bucolic games the representation of eclogues and masques and other such diversions The blending of pastoral themes and forms into his fiction has led Cervantes to ring major changes on conventional patterns of the pastoral The pastoral s congenial interaction with the creativity of Don Quijote is apparent in the novel s settings and character conception With regard to the settings pastoral style in the Quijote focuses specifically on the geographical configuration and rural backdrop of Don Quijote s adventures and eventually places them in the context of the history of pastoral nomadism on the Iberian peninsula With regard to characters shepherds goatherds farmers and other rural people appear everywhere in the Quijote and Sancho Panza is the leading rustic personage from this group Sancho s felicitous projection of pastoral life reflects his fundamental optimism Don Quijote is linked to the literary shepherd through his discourse on the golden age his imitation of the lovelord shepherd in the Sierra Morena episode of part 1 and the Pastor Quijotiz scheme which signals his demise late in part 2 Dulcinea Don Quijote s beloved is conceived with both the rustic and literary dimensions of the pastoral heroine One of the essential features of the Quijote is its dialogic structure which reflects that of the Renaissance academic colloquium and that of the pastoral novel Another vital pastoral stimulus of Cervantes s art is his direct observation of the effects of imaginative pastoral disguises and mimetic play on his characters The documented social customs involving pastoral mimesis such as eclogues masques and games indicate that pastoral expression and values have been integrated to a significant degree into the fabric of the lives of Cervantes s characters Cervantes s attitude toward the pastoral may be established through direct statements he made about pastoral authors poems and books It may also be constituted through less direct means such as the abrupt conclusion and subsequent disappearance of pastoral stories from the main narrative of the Quijote
