El Fantasmathe Ghost:

El fantasma de Canterville Oscar Wilde, 1997 Bilingual book to learn Spanish In bilibook editions the text is displayed alternately sentence by sentence in both languages In addition some words are marked to find them quickly in the translation text This system helps you to maintain a comfortable reading flow You do not have to read the entire translation to find a word translation The story El fantasma de Canterville is trying to frighten the new American house owner and his family out of his castle They don't seem to be very impressed by his performances But he's in this business for a long time and doesn't give up that quickly

Selected Poems of Gabriela Mistral Gabriela Mistral, 2003 The first Nobel Prize in literature to be awarded to a Latin American writer went to the Chilean poet Gabriela Mistral Famous and beloved during her lifetime all over Latin America and in Europe Mistral has never been known in North America as she deserves to be The reputation of her more flamboyant and accessible friend and countryman Pablo Neruda has overshadowed hers and she has been officially sentimentalized into a poetess of children and motherhood Translations and even selections of her work in Spanish have tended to underplay the darkness the strangeness and the raging intensity of her poems of grief and pain the yearning power of her evocations of the Chilean landscape the stark music of her Round Dances the visionary splendor of her Hymns of America During her lifetime Mistral published four books Desolation Tenderness Clearcut and Winepress These are included in the Complete Nobel edition published in Madrid the Poem of Chile her last book was printed years after her death Le Guin includes poems from all five books in this volume with particular emphasis on the later work The intelligence and passion of Le Guin's selection and translation will finally allow people in the North to hear the originality power purity and intransigence of this great American voice Le Guin has published five volumes of her own poetry an English version of Lao Tzu's Tao Te Ching and a volume of mutual translation with the Argentine poet Diana Bellessi The Twins the Dream Las Gemelas El Sueño Strongly drawn to Mistral's work as soon as she discovered it Le Guin has been working on this translation for five years

Espectros Alberto Ribas-Casasayas, Amanda L. Petersen, 2015-12-24 Espectros is a compilation of original scholarly studies that presents the first volume length exploration of the spectral in literature film and photography of Latin America Spain and the Latino diaspora In recent decades scholarship in deconstructionist hauntology trauma studies affect in image theory and a renewed interest in the Gothic genre has given rise to a Spectral Studies approach to the study of narrative Haunting the spectral and the effects of the unseen carry a special weight in contemporary Latin American and Spanish cultures referred to in the book as Transhispanic cultures due to the ominous legacy of authoritarian governments and civil wars as well as the imposition of the unseen yet tangible effects of global economics and neoliberal policies Ribas and Petersen's detailed introductory analysis grounds haunting as a theoretical tool for literary and cultural criticism in the Transhispanic world with an emphasis on the contemporary period from the end of the Cold War to the present The chapters in this volume explore haunting from a diversity of perspectives in particular engaging haunting as a manifestation of trauma

absence and mourning The editors carefully distinguish the collective cultural dimension of historical trauma from the individual psychological experience of the aftermath of a violent history always taking into account unresolved social justice issues The volume also addresses the association of the spectral photographic image with the concept of haunting because of the photograph's ability to reveal a presence that is traditionally absent or has been excluded from hegemonic representations of society The volume concludes with a series of studies that address the unseen effects and progressive deterioration of the social fabric as a result of a globalized economy and neoliberal policies from the modernization of the nation state to present

Javier Marías's Debt to Translation Gareth J. Wood, 2012-05-03 This is a book about translation and literary influence It takes as its subject Spain's most important contemporary novelist Javier Marías 1951 who worked as a literary translator for a significant portion of his early career Since then he has maintained that translation had a crucial impact on the development of his writing style and his literary frame of reference It examines his claims to the influence of three writers whose works he translated Laurence Sterne Sir Thomas Browne and Vladimir Nabokov It does so by engaging in close reading of his translations examining how he meets the linguistic syntactic and cultural challenges they present His prolonged engagement with their prose is then set alongside his own novels and short stories the better to discern precisely how and in what ways his works have been shaped by their influence and through translation Hence this study begins by asking why Marías should have turned to translation in the cultural landscape of Spain in the 1970s and how the ideological standpoints that animated his decision affect the way he translates His translation of Sterne's *Life and Opinions of Tristram Shandy Gentleman* is set alongside his pseudo autobiographical novel *Negra espalda del tiempo* *Dark Back of Time* while his translation of Sir Thomas Browne's *Urn Burial* is then analysed in tandem with that produced by Jorge Luis Borges and Adolfo Bioy Casares Subsequent chapters examine how Browne's prose has shaped Marías's thinking on oblivion posterity and time The final chapters offer an analysis of the partial translation and palimpsest of *Lolita* he undertook in the early 1990s and of his most

ambitious novel to date *Tu rostro ma ana Your Face Tomorrow* as a work in which characterization is underpinned by both literary allusion and the hybridization of works Mar as has translated Contemporary Spanish Gothic Ann Davies, 2016-10-27 Examines Spain's contribution to international interest in Gothic culture film and literature With the success of novels such as *The Shadow of the Wind* and films like *The Others* contemporary Spanish culture has contributed a great deal to the imagery and experience of the Gothic although such contributions are not always recognised as being specifically Spanish in origin *Contemporary Spanish Gothic* is the first book to study how the Gothic mode intersects with cultural production in Spain today considering some of the ways in which such production feeds off and simultaneously feeds into Gothic production more widely Examining the works of writers and filmmakers like Carlos Ruiz Zafar An Arturo PA c rez Reverte Pedro Almodavar and Alejandro Amenabar as well as the further reaches of Spanish Gothic influence in the *Twilight* film series the book considers images and themes like the mad surgeon and the vulnerable body the role of the haunted house and the heritage biopics of Francisco de Goya **Staging Shakespeare** Lena Cowen Orlin, Miranda Johnson-Haddad, 2007 Features twelve essays that explore the relationships between Shakespearean pedagogy performance and scholarship This volume consists of four sections entitled Acts of Recovery Performing the Moment Recordings and Extensions and Explorations Barrio Libre Gilberto Rosas, 2012-06-19 In this book Gilberto Rosas draws on his in depth ethnographic research among the members of Barrio Libre to understand why they have embraced criminality and how neoliberalism and security policies on both sides of the border have affected the youths descent into Barrio Libre

Iberian Crime Fiction Nancy Vosburg, 2011-02-15 *Iberian Crime Fiction* is the first volume in English to provide an extensive overview of crime fiction in Spain and Portugal While the origins of peninsular crime fiction are traced in Nancy Vosburg's introductory chapter to the volume the essays focus on specific topics that provide readers with a sense of the development of the genre in the second half of the 20th century and current trends in the 21st century Patty Hart whose *The Spanish Sleuth* introduced English speaking readers to early crime fiction in Spain provides a summary account of the development of the crime novel from the 1950s through the 1980s highlighting the major authors and works that set the stage for the boom that followed the establishment of the *novela negra* tradition in the 1970s This tradition spearheaded by Manuel Vazquez Montalban is the subject of a separate essay by Maria Balibrea that analyzes the socio political conditions that gave rise to the *novela negra* Nancy Vosburg studies the emergence of a feminine feminist crime novel in the 1980s and 1990s and the subversion of masculine codes associated with crime fiction while Stewart King analyzes crime fiction from the Catalan Basque and Galician autonomous regions of Spain focusing on the political realities that resulted in a different use of

the genre as a vehicle of regional nationalism David Knutson traces contemporary trends in Spanish crime fiction beginning in the 1990s and up to the present Paul Castro's essay documents the emergence of crime fiction in Portugal and the major works authors through to the present

The Ambivalent State Javier Auyero, Katherine Sobering, 2019-10-21 Over the last few decades debates about policing in poor urban areas have turned from analyzing the state's neglect and abandonment into documenting its harsh interventions and punishing presence Yet we know very little about the covert world of state action that is hidden from public view In *The Ambivalent State* Javier Auyero and Katherine Sobering offer an unprecedented look into the clandestine relationships between police agents and drug dealers in Argentina Drawing on a unique combination of ethnographic fieldwork and documentary evidence including hundreds of pages of wiretapped phone conversations they analyze the inner workings of police criminal collusion its connections to drug markets and how it promotes cynicism and powerlessness in daily life They argue that an up close examination of covert state action exposes the workings of an ambivalent state one that both enforces the rule of law and functions as a partner in criminal behavior *The Ambivalent State* develops a political sociology of violence that focuses not only on what takes place in police stations courts and poor neighborhoods but also the clandestine actions and interactions of police judges and politicians that structure daily life at the urban margins
