a. Fowler, 2011-02-24 Sometime after Paul had departed from the cities of Galatia some other teachers arrived with a modified belief system that inculcated adherence to the Judaic Law of the old covenant It is difficult to reconstruct the precise identity of these interlopers but it is obvious that they were advocating the necessity of religious observances 4 10 as well as male circumcision 5 2 6 12 and attempting to seduce these new Christians into legalistic old covenant concepts 3 2 4 21 The author believes that Galatianism is pervasive and prevalent in the churches today as religious legalists have duped Christians with the didactic declarations of how to Christian religion in prescribed procedures formulas techniques and duties which allegedly determine the distinguishing marks of a true disciple The Church today is in dire need of the message of grace and liberty Expounding the Gospel and Law of God--Exegesis and Sermonic Development George J.

Gatgounis,2022-06-03 Exegesis and Sermonic Development The Path from Text to Sermon by the Rev Dr George Gatgounis Esq provides in depth guidance to producing sermons that are true to the biblical text so as to bring nourishment to our failing and feeble Church It s one of the few exegetical works that starts with the spiritual consecration of the preacher since the exegetical process must first begin with communion with the Holy Spirit This work is an encyclopedia of sermonic development

COLOSSIANS: "Presenting you Holy" Dr Ken Baker,2019-06-19 I guess every believer is conscious of wanting to go further with God to dig deeper and to climb higher Paul himself said Not that I have already arrived but I press on But the New Testament whilst stating that qualification also provides an astonishing optimism of grace a marvellous confidence that God can do all things in and through us The little book of Colossians expresses that confidence to a high degree The writer is not daunted by the poor quality of the believers neither by the sins of their past nor the distractions of their present In simple powerful prose he outlines a challenge which is worth taking up It is the challenge of Christian holiness Jesus Christ has done a work the past tense is exhilarating so that he might offer us to God holy and blameless and irreproachable It is God s design that is that we are presented holy It is the purpose of this book to explore how Colossians enables that undertaking

Paul's Letter to the Philippians in the Light of Disunity in the Church Davorin Peterlin,2014-04-09 This volume discusses the development of

disunity in the Philippian church as the occasion for Paul's response in his letter. The first part of the book examines references and allusions to strife among the Philippians and tension between them and Paul. It demonstrates the pervasiveness of the theme of disunity in most sections of the letter. The second part correlates these findings with sections of the letter dealing with the Philippians' financial support for Paul. It treats such topics as Paul's attitude to money and the sociological composition of the church. The book's aim is to draw attention to social and non-theological aspects of the Philippian situation and make a contribution to a more theological study of Philippians. **Scripture Commentary**

Sampler Dave Martin, 2019-07-29 This book provides a brief introduction to the literature of Bible commentaries. Its purpose is to present some of the best thoughts from Bible scholars and inspire readers to further explore this rich genre. Interpreting and applying the Bible in the light of African culture and realities, it furnishes powerful and relevant insights into the biblical text that transcend Africa in their significance. The Africa Bible Commentary gives a section-by-section interpretation that provides a contextual, readable, affordable, and immensely useful guide to the entire Bible. Readers around the world will benefit from and appreciate the commentary's fresh insights and direct style that engage both heart and mind. Key features: Produced by African biblical scholars in Africa for Africa and for the world. Section-by-section interpretive commentary and application. More than 70 special articles dealing with topics of key importance in to ministry in Africa today but that have global implications. 70 African contributors from both English and French-speaking countries. Transcends the African context with insights into the biblical text and the Christian faith for readers worldwide. Perseverance and Apostasy in the New Testament Dongsu Kim, 2022-05-27 Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and/or whether an apostate can be restored. The primary contribution of the book lies in the in-depth exegesis of the relevant New Testament Greek texts against the socio-historical circumstances of each faith community in the New Testament. The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus' words that bear upon the subject described in the Gospels. It also illuminates questions of the relationship between God's sovereignty and human responsibility, the role of the Holy Spirit for the believer's perseverance, and the role of Satan for the apostates falling away. The book is a needed addition to earlier works on

perseverance and apostasy

ENDORSEMENTS

The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ. Many despair of ever coming to a definitive conclusion, often contending that the biblical evidence is inconsistent and beyond resolution. Don Kim's near exhaustive analysis of the relevant NT texts proves otherwise. He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue. Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book.

Dr Sam Storms, Lead Pastor of Bridgeway Church, Oklahoma City, *Enjoying God Ministries*: Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament. Scholars disagree on how to interpret these difficult passages, but Kim defends well his own understanding, and his important study will have to be reckoned with in future work on this controversial topic.

Dr Thomas R Schreiner, James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology, The Southern Baptist Theological Seminary: *Perseverance and Apostasy in the New Testament* is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer can apostatize. The author neither avoids difficult questions nor skirts challenging texts. Rather, he carefully works his way through each relevant New Testament text's central exegetical questions, offering judicious insights and integrating those insights into a collective explanation. I found some of my own assumptions challenged while reading this book. I am happy to recommend it as a helpful addition to, and sometimes needed correction of, earlier works on perseverance.

Dr Kenneth Berding, Professor of New Testament, Talbot School of Theology at Biola University: *Perseverance and Apostasy in the New Testament* concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament, beginning with the Synoptics and John's Gospel, walking through Acts and the letters, and completing with the book of Revelation. One's theological presuppositions will, of course, affect how he/she receives and responds to Kim's case. It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude. Yet, undoubtedly, *Perseverance and Apostasy in the New Testament* proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions. This well written book will serve its readers effectively by sharpening or challenging their views, if not both.

Dr John Lee, Associate Professor of New Testament, Midwestern Baptist Theological Seminary: This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints, taught and defended by the Reformed tradition. *Perseverance and Apostasy in the New Testament* provides a thoroughly biblical and hermeneutically and canonically sensitive study. Kim's exposition is scholarly, rigorous, and articulate. He argues persuasively that the various biblical writers' engagements with apostasy are consonant with the Scriptures' declarations of divine sovereign grace in

salvation Perseverance and apostasy in the New Testament is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike Dr Peter A Lillback president Westminster Theological Seminary Philadelphia The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted For example the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification In response to these criticisms challenges and distortions this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts Dr Kim did an excellent job in presenting a powerful and persuasive case for God's gracious and faithful preservation of true believers in Christ This is a masterpiece and must read for anyone interested in Scripture's teachings about the ideas of perseverance and apostasy Dr Sung Wook Chung Professor of Christian Theology Denver Seminary Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy Kim's book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee
