**Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

**Expository Nuggets from 1 Peter** Patrick Mead, 2008-03-27 26 expository sermon outlines on triumphant living from 1 Peter Great for preachers teachers and Bible students      [Nuggets of Gold from the Ash Pit](#) Michael

Howard, 2018-02-26 We all experience adversity in our lives but how we deal with the trouble that inevitably shows up is a part of the Christian experience The book of Job is generally not a popular book due to the subject matter but if we want to be prepared for the complete Christian journey we must nevertheless commit ourselves to understanding its value In [Nuggets of Gold from the Ash Pit](#) author Michael Howard explains how the book of Job known for its harrowing and difficult story of Job's fall at the hands of the devil is in fact filled with golden nuggets of encouragement right from the throne of God if only we are willing to dig for them In the face of the death destruction lamentation and accusation in the book of Job we can also find hopeful loving lessons from God that speak to his compassion for all of his children regardless of the circumstances And it is also a lesson for us one meant to lift us up into God's presence and bring us into communion with him Job was a man who had it all and then he had it all taken away But from him we can learn how to deal with adversity when it comes choosing to bless God and persevere When it comes to the book of Job we have to dig a little deeper in the ash pit to find encouragement It is there though and we can find it
