Mathis, 2022-05-11 The purpose of this study on charismatic and expository preaching is to find the common ground of the two preaching methods and solidify them into a sound biblical and theological preaching method that will edify the body of Christ and lead to growth for local churches To solidify charismatic and expository preaching it is necessary to explore the hermeneutical exegetical and homiletical issues that divide the two methods regarding the work of the Holy Spirit and the gifts the Spirit bestows to believers for ministry Charismatic interpretations concerning the gifts of the Spirit revolve around speaking in tongues as the primary identifier of being filled with the Spirit which most expository preachers and scholars view as an incorrect interpretation This study seeks to answer these problems in the quest of unifying both preaching methods *Encountering God through Expository Preaching* Ryan Fullerton, Jim Orrick, Brian Payne, 2017-06-15 Preaching occurs when a holy man of God opens the Word of God and says to the people of God Come and experience God with me in this text Encountering God through Expository Preaching ushers preachers of all levels of experience through the practical steps necessary to preach with power The authors not only cover the exegetical skills and homiletical techniques necessary for sound preaching but they also dive deeper to emphasize how a pastor's character and reliance upon the Holy Spirit are essential to preaching God's word effectively As the preacher encounters God in preaching he will preach with spiritual power and see lives transformed and churches strengthened *The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 6* Hughes Oliphant Old, 2007 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots
