Basis of Preaching Biblical Message: Preach the Word Rev Dr Koningthung Ngoru Moyon,2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is

both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book Life in Christ Mark A. Garcia,2008-04-01 In three wide ranging case studies Mark A Garcia offers a comprehensive yet focused analysis of the centrality of union with Christ in Calvin s thought It explains not only the distinctive nature of Calvin s response to Rome on justification but why this response must be carefully distinguished from that of his Lutheran counterparts The fruit of these investigations is the first extensive demonstration that Calvin s exposition of union with Christ in relating justification and sanctification points to an emerging Reformed theology of justification that diverges from the Lutheran tradition Calvin s exegetical and theological model of union with Christ accents the importance in the early Reformed tradition of the relationship between Christology and salvation **The Homiletic Review** ,1889 **1 Corinthians (Baker Exegetical Commentary on the New Testament)** David E. Garland,2003-11-01 Paul s first letter to the Corinthians is one of the most important epistles in the New Testament David Garland s thoughtful new commentary draws on extensive research and engages the best of contemporary scholarship while providing a readable study that will be accessible to thoughtful readers as well as students pastors and scholars After considering the context of the letter and the social and cultural setting of Corinth Garland turns to his exegetical work An introduction to each major unit of thought is followed by the author s own translation of the Greek text In the course of his verse by verse commentary he incorporates references to other ancient writings that help explain particular aspects of Paul s meaning or provide information on the social and cultural context He also refers to the work of other commentators and provides extensive notes for further reading and research *Metropolitan Pulpit and Homiletic Monthly* ,1889 Preacher and Homiletic Monthly ,1891 *The Johannine Exegesis of God* Daniel Rathnakara Sadananda,2014-12-02 Johannine Exegesis of God is a stimulating study of the explicit and implicit theological language of the Johannine community It exegetically explores crucial questions concerning the Fourth Evangelist s language used to characterize God It makes a sojourn into the relationship between Johannine Christology and Theology It examines the dialogue dynamics of a theological conversation between those who do not share the same theological affirmations and enumerates how the Johannine community derives benefit becomes enriched and learns inclusiveness through its dialogue conflict with its pluralistic environment In approaching and interpreting the Gospel narrative the implications of Theology in the Johannine community s struggle for legitimacy identity and existence become clear The Theology of the Johannine community shows a creative dialect with its sociological context and its experiential theologising makes its theological language authentic clear and precise **The Hermeneutical Spiral** Grant R. Osborne,2010-01-25 In this revised and expanded edition Grant Osborne provides seminary students and working pastors with the full set of tools they need to travel

the hermeneutical spiral moving from sound exegesis to the development of biblical and systematic theologies and to the preparation of sound biblical sermons *Philo of Alexandria - An Exegete for His Time* Peder Borgen, 2014-04-09 Philo's writings are a comprehensive and important source of late Second Temple Judaism. This volume gives important insights into his exegetical works. The structure of the books and their exegetical ideas are seen here as being closely connected and his writings are analysed against the background of the history, variety and outlook of Alexandrian Jewry. Philo's exegesis is a meeting place between Jewish and Greek notions and ideas; tensions are reflected such as those between particularism and universalism between specific biblical and historical earthly events and general macro and micro cosmic principles and between heavenly ascents and interpreted history and eschatology. In addition, glimpses are gained of community life in a Hellenistic Jewish community especially of issues on the borderline between Jews and their non-Jewish surroundings. New Testament material illuminates Philo's broader Jewish context and in turn Philo throws light on New Testament backgrounds.

Patristic Exegesis in Context Miriam De Cock, Elizabeth Klein, 2023-10-16 [The Incarnate Christ and His Critics](#) Robert M. Bowman Jr., J. Ed Komoszewski, 2024-11-12 A current comprehensive and clear defense of the deity of Christ. The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet, angel or guru to adherents of progressive Christianity and non-Christian religions and philosophies. Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ. Authors Robert M. Bowman Jr. and J. Ed Komoszewski follow the approach of their landmark 2007 study on the same topic, *Putting Jesus in His Place*. They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized: namely that Jesus shares in the Honors that are due God. Attributes of God, Names of God, Deeds that God does, Seat of God's eternal throne. *The Incarnate Christ and His Critics* engages objections to the divine identity of Jesus from Jehovah's Witnesses, Mormons, progressive Christians, Muslims, Unitarians and others. Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring, wide-ranging and positive case for the deity of Christ.

Jerusalem and Athens Exegesis Jacob Neusner, 1997 *The Talmud: the Mishnah* a philosophical law code and the *Gemara* a dialectical commentary upon the *Mishnah* works by translating principal modes of Western philosophy and science into the analysis of the rules of rationality governing the rules of humble everyday reality. Science, in particular, the method of hierarchical classification characteristic of natural history supplies the method of making connections and drawing conclusions to the *Mishnah*, the law code that forms the foundation document of the Talmud. As Neusner demonstrated in his *Judaism as Philosophy: The Method and Message of the Mishnah*. Here he proceeds to show how philosophy, specifically dialectical analysis, defines the logic of the *Gemara* and guides the writers of the *Gemara*'s compositions and the compilers of its composites in their analysis and amplification of some of the topical presentations or tractates of the *Mishnah*. Kitto,1862 **How Not to Study Judaism: Parables, rabbinic narratives, rabbis' biographies, rabbis' disputes** Jacob Neusner,2004 In *How Not to Study Judaism Examples and Counter Examples* Jacob Neusner presents a collection of essays and book reviews that identify the wrong way of conducting the academic study of Judaism Pointing readers toward the right way to pursue the academic study of Judaism Neusner's focus is on the study of the literature of Judaism and the culture of the Jewish community *Greek Is Great Gain* William J. Larkin,2008-03-01 *Greek Is Great Gain* presents to students and pastors an exegetical method with a rigor worthy of Scripture and a practicality suitable for weekly use It has additional features that enable the expositor to see holistically the role of Greek in ministry The introductory chapters give the rationale basic definitions and presuppositions for a Greek based exegetical method After describing ways to maintain Greek reading proficiency and ways to prepare the text in translation and visually in mechanical layout *Greek Is Great Gain* devotes the bulk of its pages to a step by step exegetical method From surveying the text to viewing the text in its historical and literary context and genre from engaging in analysis of grammatical and rhetorical features to addressing lexical and theological matters the method guides expositors to unlock the meaning of the text Then having analyzed the text closely the method directs expositors to view the text whole through exegetical outline and the relation of its message to its book and to Scripture as a whole Finally after interpreting and applying the text's message in and for today's culture the method instructs the expositor in appropriating the fruit of exegesis for the sermon or Bible lesson A final chapter describes possibilities for periodic in depth study As *Greek Is Great Gain* presents each part of the method it gives a purpose or rationale for the step and any necessary background a list of resources to use a procedure to follow and a sample exegesis A Grammar Guide appendix gives in outline form features of form and function for intermediate grammar And there are charts to aid in analysis *Greek Is Great Gain* clearly lives up to its subtitle in providing a method that successfully moves preachers or teachers of the Word from Exegesis to Exposition
