

"[Dr. Vera Bodansky] has devoted most of her adult life to the study of sexual and sensual pleasure, and one of her specialties is teaching women and their partners how women can achieve orgasms of up to one hour in duration." — *Book Review*

Hours of pleasure — experience **orgasm** beyond your **wildest dreams...**

An extended female orgasm is much more achievable than ordinary orgasm, for this hands-on guide to doing it right. Steve Bodansky and his wife, Vera, describe how you can learn to give and receive amazing climactic pleasure.

Bolder written and beautifully illustrated, this book offers information previously known only to specialized researchers.

The Bodanskys explain:

- the capacity of the human nervous system to sustain extended orgasm
- detailed body and mind positions and working techniques
- how to create personal behavior to deep pleasure

Previous editions of this book have sold over 150,000 copies worldwide. Women who thought they were unable to experience orgasm at all have learned to become fully orgasmic through the techniques described here. This new and expanded edition gives even more in-depth information, including:

- methods for focusing and being fully present during sex
- more diagrams and drawings explaining the technique, etc.
- new working techniques for the clitoris
- more information on extending the male orgasm

This book will convince any couple that it is never too late — or too early — to become a better lover and make each other ecstatic in the bedroom.

"The Bodanskys are breaking new ground — and, who knows, maybe Guinness world records too — in orgasmic studies." — *Book Review*
