pilgrimage of healing through valleys of despair and vistas of resurrection Addiction and Recovery is not just Postlethwaite's story though She also draws on the wisdom of pilgrims who have walked other paths to explore themes such as surrender truth telling shame powerlessness grace forgiveness and resurrection Together these chronicles bring hope to people who struggle with the disease of addiction and to those who love them Each chapter ends with questions to reflect on with conversation partners or in a journal and a spiritual practice The spiritual practices are related to the chapter themes and serve as samplers but they can be woven into the reader's own pilgrimage Readers will recognize themselves in these stories and reflections learn that they are not alone and find reasons to hope as they make their own pilgrimage

[Help for Holiness](#) Paul F. Evans, 2018-10-30 At one time there was a great deal of interest in the topic of holiness but not so much anymore Theological wrangling and impossible legalism has left many in the church frustrated and confused with part of that confusion arising from idealism in the pulpit that rang hollow in the lives and experiences of ordinary believers But what if there was significant help from God in the enterprise of living a morally triumphant life where habitual sinning was not inevitable and where the development of godly character was possible and found through a maturing relationship with God and growth in the Christian life The apostle Paul certainly thought so In [Help for Holiness](#) author and senior pastor Paul F. Evans revisits the topic of holiness and explores Paul's admonition that believers shouldn't seek more rules legalism nor give in to moral pessimism that says we cannot help but sin every day in word thought and deed Instead through morally transformative justification and regeneration followed by a commitment to the crucifixion of the old life in the death of Christ we can be raised to new life which through ongoing surrender to the Spirit can in fact produce the conduct and character God is looking for In this postmodern world we do not need to abandon an emphasis on righteous and holy living God really has made a provision for us to succeed morally Holiness was started by grace and God will complete it in us by grace through the Spirit

[A Fellowship of Differents](#) Scot McKnight, 2015-02-24 In this compelling book about diversity and community McKnight shares his personal experiences and his study of the Apostle Paul to answer this significant question What is the church supposed to be Local churches matter far more than we often know because they determine what Christian life looks like for you The church McKnight grew up in was a fellowship of sames and likes Mostly white same beliefs about everything same tastes in music and worship and sermons and lifestyle But the church God designed says McKnight is meant to be a fellowship of difference and differents A mixture of people from all across the map and spectrum men and women rich and poor black and white and everything in between [A Fellowship of Differents](#) explores the church as God's world changing social experiment of bringing unlikes and differents to the table to share life with one another as a new kind of family showing the world what love justice peace reconciliation and life together is designed by God to be
