COMPARATIVE POLITICS

Extreme Right Parties In Western Europe

Herbert Kitschelt, Anthony J. McGann

Extreme Right Parties In Western Europe:

Extreme Right Parties in Western Europe Piero Ignazi, 2003-05-29 This book has three aims Firstly it explores the extreme right in order to assess its ideological meaning and its political expression Beginning with a discussion of the meaning and usefulness of the Left Right distinction it deals with the varying significance of the term right and discusses the appropriateness of the competing terms radical new populist and extreme right The book argues that the traditional neo fascist party has been supplanted by a new type of extreme right party unrelated to fascist ideology but nevertheless opposed to the fundamental values of the democratic political system The book s second aim is to carry out an in depth analysis of the post war evolution of the extreme right of each country in Western Europe The analysis highlights their lineage from pre war fascist regimes or movements their different partisan expressions in the post war period their ideological profile their party s relationship with other actors in the party system the socio demographic and attitudinal profile of their voter base and finally the conditions which have favoured or inhibited their development Finally the book discusses in detail more recent trends within the West European extreme right and outlines a conceptual framework for explaining the success or failure of each political party The volume extensively revised expanded and updated from its original widely acclaimed Italian edition will be essential reading for all those working on parties and movements in Western Europe

The Radical Right in Western Europe Herbert Kitschelt, Anthony J. McGann, 1997 An in depth analysis of radical right parties in seven countries

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman, Sarah de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen s National Front or Nigel Farage s UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally

Extreme Right Parties in Scandinavia Anders Widfeldt, 2014-08-27 This book fills a gap in the extreme right literature currently available as there is no book length study of Scandinavia With the election of many right wing parties across Europe this book is very timely

The Impact of Radical Right-Wing Parties in West European Democracies M. Williams, 2006-09-02 This book

contends that far right parties play pivotal roles in setting the tone of political debates shaping the political party system and structuring government policy Increasingly as national governments attempt to cope with new realities of greater global migration strained welfare states and threats of foreign terror opportunities have opened for parties of the far right to position themselves strategically Radical Right Parties in Central and Eastern Europe Bartek Pytlas,2015-10-16 In Central and Eastern Europe radical right actors significantly impact public debates and mainstream policy agenda But despite this high discursive influence the electoral fortune of radical right parties in the region is much less stable It has been suggested that this may be due to the fact that mainstream competitors increasingly co opt issues which are fundamental for the radical right However the extent to which such tactics play a role in radical right electoral success and failure is still a subject for debate This book is the first to provide a systematic theoretical framework and in depth empirical research on the interaction between discursive influence party competition and the electoral fortune of radical right parties in Central and Eastern Europe It argues that in order to fully explain the impact of mainstream party strategies in this regard it is vital to widen the analysis beyond competition over issues themselves and towards their various legitimizing narratives and frame ownership Up to date debates over policies of collective identity minority morality and nationalizing politics in Hungary Poland and Slovakia serve as best cases to observe these under researched phenomena The analytical model is evaluated comparatively using original primary data combined with election studies and expert surveys Advancing an innovative fine grained approach on the mechanisms and effects of party competition between radical right and mainstream parties this book will be of interest to students and scholars researching the far right and European party politics as well as political contestation and framing *New Challenger Parties in Western Europe* Airo Hino,2012-06-12 This book provides a systematic and comparative account of the rise of new challenger parties across Western Europe It analyses how parties that challenge the conventional party system by addressing issues neglected by existing parties can succeed and fail Systematically comparing 229 elections since 1950 across 15 European democracies including the United Kingdom France Germany Italy the Benelux and Scandinavian countries this book questions why new challenger parties are more successful in some countries than others and analyses the conditions that determine their emergence and subsequent success or failure As one of the first systematic and comparative examinations of new challenger parties this book looks at both new politics parties and extreme right parties and the structures to aid their emergence at the time of an election Identifying two distinctive stages of party development the author adopts a double hurdle model involving first the chances of emergence and second sustained success This framework in combination with a wide range of empirical data provides for an innovative and insightful analysis of a neglected topic *New Challenger Parties in Western Europe* will be of interest to students and scholars of government comparative politics and political parties **Party Families in Western Europe** Peter Egge Langsæther,2023-07-21 This comprehensive and comparative book makes clear what party families are and in doing so helps

categorise and make sense of parties in different countries It describes the ideology of the families in Western Europe as well as classifying political parties accordingly Furthermore the book examines who the party families supporters are in terms of their social background and political values What role do class education and religion play in the 21st century Finally the book provides a discussion of the degree to which the concept of party families is still meaningful in the 21st century and how it needs to be studied comparatively and comprehensively Is party family still valid as a conceptual device to classify and compare parties across countries in Western Europe This text will be of key interest to scholars students and practitioners working in the field of political behaviour political parties and party politics policy studies and more broadly comparative and European politics

Transformations of Populism in Europe and the Americas John Abromeit, York Norman, Gary Marotta, Bridget Maria Chesterton, 2015-11-19 The recent resurgence of populist movements and parties has led to a revival of scholarly interest in populism This volume brings together well established and new scholars to reassess the subject and combine historical and theoretical perspectives to shed new light on the history of the subject as well as enriching contemporary discussions In three parts the contributors explore the history of populism in different regions theories of populism and recent populist movements Taken together the contributions included in this book represent the most comprehensive and wide ranging study of the topic to date Questions addressed include What are the essential characteristics of populism Is it important to distinguish between left and right wing populism How can the transformation of populist movements be explained This is the most thorough and up to date comparative historical study of populism available As such it will be of great value to anyone researching or studying the topic

The Structure of Political Competition in Western Europe Zsolt Enyedi, Kevin Deegan-Krause, 2013-09-13 Is European party politics hovering above society Why do voters pick one party over others Is it a question of class Of religion Of attitudes about taxes or immigration or global warming Or is it something else entirely The Structure of Political Competition in Western Europe takes a detailed look at the ways in which Western Europe's party systems are anchored in social and ideological structures The book's first section focuses on the role of social structures particularly education class and religion and analyzes the complex interplay among these factors The second section addresses the ways that the sociological structures such as class and religion interact with voters values The third section examines the way that these structures and values shape the space of political competition among parties The conclusion integrates the findings of the empirical articles putting them into broader comparative perspective discussing whether relatively predictable structures have been overwhelmed by media driven spectacles political personalities and focus on short term economic performance This volume will appeal to scholars and graduate students in Europe and those from North America Asia and other regions who study European politics political parties cleavages and political behaviour This book was published as a special issue of West European Politics

The Re-invention of the European Radical Right Andrej Zaslove, 2011-08-04 Combining an in depth case study of the Italian Northern League with

a comparative focus on other parties Andrej Zaslove employs a socio economic institutional and ideological analysis to argue that the new wave of right wing parties in Western Europe converged into a radical right populist party family in the 1990s He examines the transformation of the Northern League from its regionalist roots while focusing on the party's nationalism authoritarianism support for a market economy opposition to globalization and scepticism regarding Italian integration into the European Union He also scrutinizes the Northern League's participation in political power between 2001 and 2006 and its influence on federalism immigration economic policy and European integration A thorough and thought provoking work The Re invention of the European Radical Right offers remarkable insight into the ongoing effects of radical right populism on politics and public policy in Europe

Contemporary British Fascism N. Copsey, 2016-02-02 For the first time since the 1970s when the National Front became Britain's fourth largest political party the recent electoral success of the British National Party has put Britain's extreme right back on the political map Nigel Copsey provides a clear and comprehensive analysis of the history of the British National Party and its struggle for political legitimacy With far right parties enjoying unprecedented success across Europe this book also locates its subject in the broader international context

The Populist Radical Right in Central and Eastern Europe Andrea Pirro, 2015-06-05 Often neglected in the study of far right organisations post communist Europe recently witnessed the rise and fall of a number of populist radical right parties The Populist Radical Right in Central and Eastern Europe is the first comparative study to focus on the ideology impact and electoral performance of this party family in the region The book advances a series of arguments concerning the context and text of these parties and systematically analyses the supply side and demand side of populist radical right politics Whilst populist radical right parties in Central and Eastern Europe maintain broad similarities with their West European counterparts they come across as a distinct phenomenon worthy of study in their own right Parties like Ataka Bulgaria Jobbik Hungary and the SNS Slovakia resort to historical legacies and contextual idiosyncrasies to frame their ideology interact with other parties over a number of policy areas and ultimately compete for public office on the basis of their nativist agenda The book provides a novel framework for the analysis of different aspects of populist radical right politics notably enhancing the understanding of this phenomenon by means of primary data such as personal interviews with party leaders and original expert surveys Using the ideological features of these parties as an overarching analytical tool this book is essential reading for students and scholars researching the far right post communist issues and European politics in general

Radical Left Voters in Western Europe Raul Gomez, Luis Ramiro, 2022-10-07 Radical Left Voters in Western Europe explores who votes for Radical Left Parties in contemporary Western Europe and why Once considered a relic of the past which was doomed to disappear in affluent societies Radical Left Parties were able to survive unprecedented electoral crises in the 1980s and 1990s to become a stable and significant feature of contemporary West European politics Despite this our knowledge of the electorate of contemporary Radical Left parties is extremely limited To fill this gap this book analyzes the radical left

electorate in 17 West European countries Belgium Cyprus Denmark Finland France Greece Germany Iceland Ireland Italy Luxembourg the Netherlands Norway Portugal Spain Sweden and Switzerland for a period of 18 years 2000-2018 The research combines data from multiple sources surveys country level data and party level data to show how amidst social and political change Radical Left Parties have been able to maintain a relatively sizeable and clearly identifiable electorate with fairly similar socio demographic and attitudinal features Moreover the book argues that in order to explain electoral support for Radical Left Parties it is important to consider not only voter characteristics but also the characteristics of the parties themselves and of the political and economic context in which they compete for votes This book will be of interest to scholars of comparative politics political sociology electoral behaviour and political parties *The Recent Rise of Extreme Right Wing Parties in Western Europe* Karin Ellen Volpert, 1993 *The Emergence of a Euro-American Radical Right* Jeffrey Kaplan, Leonard Weinberg, 1998 The United States and Western Europe are experiencing a new and important cultural and political development In this book Jeffrey Kaplan and Leonard Weinberg argue that there now exists a set of conditions common to the United States and Western Europe that draws right wing radicals on both sides of the Atlantic closer together

The Routledge Handbook of Religion, Politics and Ideology Jeffrey Haynes, 2021-08-14 This comprehensive handbook examines relationships between religion politics and ideology with a focus on several world religions Christianity Islam Buddhism Hinduism and Judaism in a variety of contexts regions and countries Relationships between religion politics and ideology help mould people's attitudes about the way that political systems both domestically and internationally are organised and operate While conceptually separate religion politics and ideology often become intertwined and as a result their relationships evolve over time This volume brings together a number of expert contributors who explore a wide range of topical and controversial issues including gender nationalism communism fascism populism and Islamism Such topics inform the overall aim of the handbook to provide a comprehensive summary of the relationships between religion politics and ideology including basic issues and new approaches This handbook is a major research resource for students researchers and professionals from various disciplinary backgrounds including religious studies political science international relations and sociology *Populism and New Patterns of Political Competition in Western Europe* Daniele Albertazzi, Davide Vampa, 2021-01-05 This book analyses how party competition has adjusted to the success of populism in Western Europe whether this is non populists dealing with their populist competitors or populists interacting with each other The volume focuses on Western Europe in the period 2007-2018 and considers both right wing and left wing populist parties It critically assesses the concept and rise of populism and includes case studies on Austria France Germany the Netherlands Switzerland Denmark Finland the United Kingdom Greece and Italy The authors apply an original typology of party strategic responses to political competitors which allows them to map interactions between populist and non populist parties in different countries They also assess the links between ideology and policy the goals of different populist parties and how achieving power affects

these parties The volume provides important lessons for the study of political competition particularly in the aftermath of a crisis and as such its framework can inform future research in the post Covid 19 era This wide ranging study will appeal to students and scholars of political science interested in populism and political competition and will appeal to policy makers and politicians from across the political spectrum Democratic Transformations in Europe Yvette Peters, Michaël

Tatham, 2016-12-01 Democracies evolve Their evolution is not only key to their survival it is also a reflection of the changing environment in which they operate This book contributes to the analysis and understanding of how democratic states have transformed over time by examining a number of challenges and opportunities that they face With a focus on Europe 31 understood as the EU28 plus Switzerland Norway and Iceland the book brings together separate strands of literature which often remain disconnected in political science narratives Looking at citizen state relations the restructuring of politics and institutions of the state and developments which reach beyond and below the state it interrogates a variety of issues ranging from the decline of parties or the re emergence of nationalism as a political force to liberal challenges to social democracy terrorist threats and climate change The book combines these different dimensions into a comprehensive overview of the state of contemporary democracy its challenges and opportunities and its dynamic capacity to adapt In other words it deals with the perpetual threats to and transformations of democracy and the state s ability to protect and strengthen its democratic attributes This text will be of key interest to scholars of European Politics Comparative Politics and Democracy Studies *Voters and Parties in the Spanish Political Space* Ignacio Sánchez-Cuenca, Elias Dinas, 2016-04-08 This book deals with the structure of Spanish politics how citizens and parties locate themselves in political space and how these actors make decisions based on their positions in the various dimensions this space consists of The authors of this volume address the questions surrounding the dimensions of Spanish politics the effect of the nationalist issue Catalonia and the Basque Country in Spanish political competition the reasons for which the Catalans and the Basques appear as more left wing than the rest of Spain the ways in which Spanish voters make their choices the political issues that are more polarizing in Spain the background behind why the two main parties hold such similar positions on redistribution whether the territorial conflict has an impact on preferences for redistribution and how the immigration issue alters political competition All of these questions rely on the spatial theory of politics for their analyses The data used in all the chapters come from a survey that was especially designed with the aim of addressing all these topics that are examined in the book This is the first exhaustive and rigorous explanation of how Spanish politics work based on the positions that parties and citizens occupy in the political space This book was published as a special issue of South European Society and Politics

Yeah, reviewing a books **Extreme Right Parties In Western Europe** could add your near connections listings. This is just one of the solutions for you to be successful. As understood, completion does not suggest that you have fabulous points.

Extreme Right Parties In Western Europe Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Extreme Right Parties In Western Europe free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Extreme Right Parties In Western Europe free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Extreme Right Parties In Western Europe free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that

the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Extreme Right Parties In Western Europe. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Extreme Right Parties In Western Europe any PDF files. With these platforms, the world of PDF downloads is just a click away.
