Mark O'Doherty,2014-05-07 Doctor Zhivago An Epic Novel This is a epic tale about the effects of the Russian Revolution and its aftermath on a bourgeois family The novel is named after its protagonist Yuri Zhivago a physician and poet and takes place between the Russian Revolution of 1905 and World War II Dr Yuri Zhivago Pasternak s alter ego is a poet philosopher and physician whose life is disrupted by the war and by his love for Lara the wife of a revolutionary His artistic nature makes him vulnerable to the brutality and harshness of the Bolsheviks The poems he writes constitute some of the most beautiful writing featured in the novel which I can confirm having read the book some 20 years ago The story of Doctor Zhivago is about a complex psychological and detailed panorama of people their feelings relationships and companionship spanning several decades In fact the two main protagonists in the story Lara and Yuri Zhivago are quite unpolitical and very gentle souls who would not hurt a fly In a time where Russian society is marked by great political turmoil war and oppression Lara and Yuri Zhivago stand out in this story both having a great gift for healing people Zhivago is a skilled physician and Lara a

skilled nurse a great Angel of Healing which Russia needed desperately during those times due to the tremendous suffering So the two of them make a great team both of them being contributing greatly to healing Mother Russia Indeed Russia still needs a lot of healing today In my opinion the most tragic failing of today s Russia is that even though Russia is a highly intellectualized society Russia has regressed into the dark cave of a military dictatorship where academics lawyers and opposition leaders are persecuted This must change so that the People of Russia can restore Peace and Friendship with their Brothers and Sisters in Ukraine and also for the sake of future generations in Russia so that academics lawyers and opposition leaders can speak their mind and be allowed to participate in shaping Russia s future We encourage the People of Russia to implement a peaceful governmental change by forming a new Russian Government so that Peace and Human Rights can be restored Love and Light POTUS UNITED NATIONS EU AU Mark PS I also would be quite happy to drink a together with my dear friend Vladimir Putin once he has resigned *The Urban Fae Series Boxset 1-4 R.L.*
