Eyewitness Bloody Sunday:

Eyewitness Bloody Sunday Don Mullan, 2002 Within days of the killing of 13 unarmed civilians and the wounding of 14 others on Bloody Sunday more than 500 eyewitness testimonies were recorded for presentation to the Widgery Tribunal but only 15 were considered The first edition of Eyewitness Bloody Sunday brought to light 100 witness statements that were officially ignored for more than two decades This book had a phenomenal and far reaching impact profoundly weakening the official version of the events of January 30 1972 In addition to giving a voice to the civilian demonstrators who witnessed the events of Bloody Sunday it exposed facts supporting the hypothesis that snipers in the vicinity of the old Derry Walls might have shot dead three of the victims With the Saville inquiry now into its second year of investigations this book has become a pivotal source of firsthand evidence about what really happened on that tragic day

Eyewitness Bloody Sunday Don Mullan, 2025-08-27 Hardly ever is it the people in power who make the difference nearly always it s the power of the people It takes time and it takes various forms This book is one of them It rests squarely in the annals of history as one of the principal catalysts for a fresh public judicial inquiry into the events of Bloody Sunday The other is the force of the Bloody Sunday families themselves their resilience patience courage and single mindedness They stand out along with all their neighbours on the pages that follow Michael Mansfield Q C from the foreword Based on ignored eyewitness testimonies of one of Irish history s most defining moments Don Mullan s Eyewitness Bloody Sunday is officially acknowledged as a primary catalyst for what became the longest running and most expensive public inquiry in British legal history It also inspired the award winning movie Bloody Sunday This new edition includes contributions from Derry solicitor Desmond J Doherty and Michael Mansfield Q C who represented some of the families at the Bloody Sunday Inquiry An appendix provides the full transcript of Mansfield s adroit and explosive questioning of Soldier F during the Inquiry Two additional appendices recall the making of Bloody Sunday the movie and the mystery of Derry s grassy knoll provocatively questioning if the Inquiry actually resolved the suspicion that three of the Bloody Sunday victims were shot by a British Army sniper Don Mullan is a bestselling author filmmaker concept developer and humanitarian He was a schoolboy witness to Bloody Sunday Royalties from the sale of this book are being donated to the Museum of Free Derry

Eyewitness Bloody Sunday Don Mullan, John Scally, 1997 Thirteen unarmed civil rights marchers were shot dead by the British Army s Parachute Regiment on January 30 1972 on a day that came to be known as Bloody Sunday This book recalls the events with eyewitness accounts Published to coincide with the 25th anniversary of that day this book also examines the findings of the Widgery Tribunal of Inquiry set up to investigate the events Among those interviewed are adults who attended the march schoolchildren priests paramedics former British servicemen and an ex RUC officer

Bloody Sunday Don Mullan, John Scally, 1997 Presents eyewitness accounts of the massacre which took place January 30 1972 in Derry Northern Ireland during an anti internment march in which the British Army opened fire and consequently killed fourteen people and wounded thirteen

Joseph Paul Moser,2013-06-18 Examining images of gender and violence this book analyzes selected works of three influential artists of the Irish cinema Ford Sheridan and Greengrass whose careers taken together span the period from 1939 to the present These three explore fundamental questions about identity patriarchy and violence within Irish and Irish American contexts and in the process upset conventional notions of masculine authority Furthermore Ford's later films interestingly depart from the egalitarian ideals that distinguish his pre World War II films *Long Sixties* Tom Hayden,2015-11-17 In this unique and compelling book Tom Hayden argues that Barack Obama would not have been able to mount a successful presidential campaign without the movements of the 1960s The Long Sixties shows that movements throughout history triumph over Machiavellians gaining social reforms while leaving both revolutionaries and reactionaries frustrated Hayden argues that the 1960s left a critical imprint on America from civil rights laws to the birth of the environmental movement and forced open the political process to women and people of colour He urges President Obama to continue this legacy with a popular programme of economic recovery green jobs and health care reform The Long Sixties is a carefully researched history which will be of interest to activists journalists and historians as the fiftieth anniversary of the 1960s begins Theatre Stuff Eamonn Jordan,2000 Essays on contemporary Irish theatre Brian Friel Geraldine Higgins,2010 This book offers a critical examination of Friel's dramatic writing both within the context of Irish storytelling and considering his crucial position as a writer from the north of Ireland negotiating between the responsibilities of art and the demands of violent conflict **Recovering Memory** Hedda Friberg,Irene Gilsenan Nordin,Lene Yding Pedersen,2009-03-26 Various ways of collecting storing and recovering memories have been the focus of the most recent joint research project carried out by a group of Irish Studies scholars all based in the Nordic countries and members of the Nordic Irish Studies Network NISN The result of the project Recovering Memory Irish Representations of Past and Present is a collection of essays which examines the theme of memory in Irish literature and culture against the theoretical background of the philosophical discourse of modernity Offering a wide range of perspectives this volume examines a plurality of

representations past and present of memory both public and private and the intersection between collective memory and individual in modern Ireland Also explored is the relation between memory and identity national and private as well as questions of subjectivity and the construction of the self Given Ireland's tragic past and its long history of colonisation it is inevitable that various aspects of memory in terms of nationality post colonialism and politics also have bearing on this study The volume is divided into five sections each of which examines one broadly defined aspect of memory The introductory section focuses on memory and history and is followed by sections on memory and autobiography place identity and memory in the work of novelist John Banville Within each section the individual writers engage in a fruitful dialogue with each other and with the approaches of such theorists as Arendt Husserl Merleau Ponty Ricoeur and Baudrillard

balance between homeland security and civil liberties in the post 9 11 era Professor Paul Wilkinson and the other contributors assess the nature of UK responses to terrorism by key public and private sector bodies highlighting how these organizations can prevent pre empt counter and manage terrorist attacks by using a matrix of factors such as types of terrorist networks tactics and targets The volume also compares and contrasts the UK s response with cognate states elsewhere in the EU and with the USA While improved intelligence has helped prevent a major Al Qaeda attack the authors conclude that there is still a major question mark over whether the country is adequately resourced to deal with an emergency situation particularly in major cities other than London The book also confirms that while the UK faces a real and serious threat of terrorist attack by Al Qaeda it is better prepared for an attack than other EU member states Homeland Security in the UK will be essential reading for all students of terrorism studies security studies and politics as well as by professional practitioners and well informed general readers

Trauma Selma Leydesdorff, 2017-09-29 Traumatic experiences and their consequences are often the core of life stories told by survivors of violence In Trauma Life Stories of Survivors leading academics explore the relationship between the experiences of terror and helplessness that have caused trauma the ways in which survivors remember and the representation of these memories in the language and form of their life stories International case studies include the migration of Ethiopian Jews to Israel the life stories of Guatemalan war widows violence in South Africa persecution of political prisoners in South Africa and the former Czechoslovakia lynching in the Mississippi Delta resistance in Zimbabwe s liberation war sexual abuse and the ongoing Irish troubles The volume reveals the complexity of remembering and forgetting traumatic experiences and shows that survivors are likely to express themselves in stories containing elements that are imaginary fragmented and loaded with symbolism Trauma Life Stories of Survivors is a groundbreaking work of relevance across the social sciences This new perspective on trauma will be of particular importance to researchers in psychology history women s studies anthropology sociology and cultural studies
