Battle of the Crater Featherstone John C., J. Featherstone, 1906-06-01 Eyewitness Testimony Elizabeth F. Loftus, 1996 Every year hundreds of defendants are convicted on little more than the say so of a fellow citizen Although psychologists have suspected for decades that an eyewitness can be highly unreliable new evidence leaves no doubt that juries vastly overestimate the credibility of eyewitness accounts It is a problem that the courts have yet to solve or face squarely In Eyewitness Testimony Elizabeth Loftus makes the psychological case against the eyewitness Beginning with the basics of eyewitness fallibility such as poor viewing conditions brief exposure and stress Loftus moves to more subtle factors

such as expectations biases and personal stereotypes all of which can intervene to create erroneous reports Loftus also shows that eyewitness memory is chronically inaccurate in surprising ways An ingenious series of experiments reveals that memory can be radically altered by the way an eyewitness is questioned after the fact New memories can be implanted and old ones unconsciously altered under interrogation These results have important implications for court reform police interrogation methods defense strategy and many other aspects of criminal and civil procedure Eyewitness Testimony is a powerful book that should be required reading for trial lawyers social psychologists and anyone who considers the chilling prospect of confronting an eyewitness accusation in a court of law

University of Houston Students will marvel at the fifty year struggle to forge a nation in the decades following the American Revolution Seth Rockman Brown University **Eyewitness to War - Volume I** Kendall Gott,2013-12 Eyewitness to War Oral History Series Eyewitness to War The US Army in Operation AL FAJR An Oral History is a unique publication for the Combat Studies Institute It is our first publication to make exclusive use of oral history This study is a derivative of the CSI Operational Leadership Experiences OLE project a program that collects and archives first person experiences from the Global War on Terror It can also be considered a companion to the recently published CSI Occasional Paper 20 Operation AL FAJR A Study in Army and Marine Corps Joint Operations Interviews collected for the OLE project formed the basis for that occasional paper and were so compelling we felt a need to publish those interviews in a book series In November 2004 the second battle for Fallujah was a brutal and bloody fight so characteristic of urban terrain Under the overall command of the 1st Marine Division four Marine infantry and two US Army battalions Task Forces 2 2 Infantry and 2 7 Cavalry were committed to the streets of Fallujah At this same time the Army s 2d Brigade 1st Cavalry Division formed a cordon to hold and isolate the insurgents in the city Using the firepower and mobility of the Army s heavy armor and mechanized units to full effect the Marine Regimental Combat Teams were successful in destroying the enemy and securing Fallujah in ten days Eyewitness to War interviews span a wide spectrum of participants from commanders and senior non commissioned officers at all levels to the first hand accounts of combat and combat service support personnel on the battlefield We make no claim that this history is a comprehensive work as these 37 people are but a fraction of the thousands who took part in the operation This is primarily an Army oral history though one of the Marine Regimental Commanders agreed to provide his story The USMC bore the brunt of fighting in Fallujah and this study does not attempt to overlook their tremendous accomplishments The individuals featured in this work volunteered to work with our staff over many months Their stories are a tremendous testimony to the skill flexibility and bravery of the US Army today This collection of personal experiences is the raw material history is made of It is a riveting and useful way to study the past And it is our hope that the insights derived from their roles in the second battle for Fallujah will better prepare the US Army for tomorrow s endeavors **"I was There"**,1998 Eyewitness to the Fetterman Fight John H. Monnett,2017-03-16 The Fetterman Fight ranks among the most crushing defeats suffered by the U S Army in the nineteenth century West On December 21 1866 during Red Cloud s War 1866 1868 a well organized force of 1 500 to 2 000 Oglala Lakota Northern Cheyenne and Arapaho warriors annihilated a detachment of seventy nine infantry and cavalry soldiers among them Captain William Judd Fetterman and two civilian contractors With no survivors on the U S side the only eyewitness accounts of the battle came from Lakota and Cheyenne participants In Eyewitness to the Fetterman Fight award winning historian John H Monnett presents these Native views drawn from previously published sources as well as newly discovered interviews with Oglala and Cheyenne warriors and leaders Supplemented with archaeological evidence these narratives flesh out historical understanding of Red Cloud s War

Climate change in the mid nineteenth century made the resource rich Powder River Country in today s Wyoming increasingly important to Plains Indians At the same time the discovery of gold in Montana encouraged prospectors to pass through the Powder River region on their way north and so the U S Army began to construct new forts along the Bozeman Trail In the resulting conflict the Lakotas and Cheyennes defended their hunting ranges and trade routes Traditional histories have laid the blame for Fetterman s 1866 defeat and death on his incompetent leadership and thus implied that the Indian alliance succeeded only because of Fetterman s personal failings Monnett s sources paint another picture Narratives like those of Miniconjou Lakota warrior White Bull suggest that Fetterman s actions were not seen as rash or reprehensible until after the fact Nor did his men flee the field in panic Rather they fought bravely to the end The Indians for their part used their knowledge of the terrain to carefully plan and execute an ambush ensuring them victory Critical to understanding the nuances of Plains Indian strategy and tactics the firsthand narratives in Eyewitness to the Fetterman Fight reveal the true nature of this Native victory against regular army forces
